# **PUBLIC INFORMATION**

## **SOUTHAMPTON COVID-19 LOCAL OUTBREAK ENGAGEMENT BOARD**

The Southampton Covid-19 Local Outbreak Engagement Board is responsible for strategic oversight of health protection regarding Covid-19 in Southampton, including prevention, surveillance, planning and response to ensure they meet the needs of the population.

The Board will support the local delivery of the primary objectives of the Government's strategy to control the Covid-19 reproduction number (R), reduce the spread of infection and save lives, in doing so help to return life to as normal as possible, for as many people as possible, in a way that is safe, protects our health and care systems and releases our economy.

The response will be delivered at various levels and by various partner organisations, but these will need to be brought together at local authority level through the Executive Director of Wellbeing (Health & Adults), supported by the Director of Public Health as lead officer, to ensure a community focus and appropriately tailored response. In addition to the place-based approach overseen by the Board the levels will include:

- National - a National Outbreak Control Plans Advisory Board will be established to draw on expertise from across local government and ensure the NHS Test and Trace programme builds on local capability, and to share best practice and inform future programme development;
- Regional - Co-ordination required on a regional level will be provided through the HIOW Local Resilience Forum and Integrated Care System arrangements;
- Local – Southampton COVID-19 Health Protection Board, working through Local Engagement Boards to define measures to contain outbreaks and protect health.

### **Personal Interests**

A Member must regard himself or herself as having a personal interest in any matter

- (i) if the matter relates to an interest in the Member's register of interests; or
- (ii) if a decision upon a matter might reasonably be regarded as affecting to a greater extent than other Council Tax payers, ratepayers and inhabitants of the District, the wellbeing or financial position of himself or herself, a relative or a friend or:-

## **Prejudicial Interests**

Having identified a personal interest, a Member must consider whether a member of the public with knowledge of the relevant facts would reasonably think that the interest was so significant and particular that it could prejudice that Member's judgement of the public interest. If that is the case, the interest must be regarded as "prejudicial" and the Member must disclose the interest and withdraw from the meeting room during discussion on the item.

It should be noted that a prejudicial interest may apply to part or the whole of an item.

Where there are a series of inter-related financial or resource matters, with a limited resource available, under consideration a prejudicial interest in one matter relating to that resource may lead to a member being excluded from considering the other matters relating to that same limited resource.

There are some limited exceptions.

Note: Members are encouraged to seek advice from the Monitoring Officer or his staff in Democratic Services if they have any problems or concerns in relation to the above.

## **Principles of Decision Making**

All decisions of the Council will be made in accordance with the following principles:-

- proportionality (i.e. the action must be proportionate to the desired outcome);
- due consultation and the taking of professional advice from officers;
- respect for human rights;
- a presumption in favour of openness, accountability and transparency;
- setting out what options have been considered;
- setting out reasons for the decision; and
- clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- leave out of account irrelevant considerations;
- act for a proper purpose, exercising its powers for the public good;
- not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
