SOUTHAMPTON CITY COUNCIL
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 12 JANUARY 2022

Present: Councillors G Galton, McEwing and Noon

33. **ELECTION OF CHAIR**

RESOLVED that Councillor Galton be elected as Chair for the purposes of this meeting.

34. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

RESOLVED that the Sub-Committee move into private session in order to receive legal advice when determining issues. The parties to the hearing, press and the public, unless otherwise excluded by the Licensing Act 2003 (Hearings) Regulations 2005, would be invited to return immediately following that private session at which time the matter would be determined and the decision of the Sub-Committee announced.

35. **APPLICATION FOR NEW PREMISES LICENCE - DESIGN CHAPEL, CEMETERY ROAD, SOUTHAMPTON SO15 7AF**

The hearing was held as a virtual meeting using Microsoft Teams and was streamed live online for the press and public to view via the Live Events platform.

The Sub-Committee considered very carefully the report of the Service Director – Communities, Culture and Homes and all representations received in writing prior to the hearing, including an additional statement provided to the panel on 11 January 2022. The Sub-Committee considered all verbal representations made to it at the hearing.

Due regard was given to the provisions of the Licensing Act 2003, including the statutory licensing objectives, the statutory guidance and the City Council's adopted statement of licensing policy.

The Crime and Disorder Act 1998 Section 17, The Human Rights Act 1998, and the Equality Act 2010 were borne in mind by the Sub Committee whilst making their decision.

The Sub-Committee duly noted that no representations were received from the Responsible Authorities.

The Sub-Committee accepted legal advice provided during the course of the hearing, that planning considerations and the requirements of the lease could not be taken into consideration. Legal advice was further provided in order to clarify the legislative requirements for a premises licence. In light of all of the above, the Sub-Committee:

RESOLVED to grant the premises licence with reduced hours as follows:-

All licensable activity to take place within the hours of:

Monday to Sunday – 1600 hours to 2100 hours.

Reasons

The Sub-Committee was mindful that the legislation specifically restricts the grounds on which it may refuse an application for grant of a premises licence or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives.
- the representations (including supporting information) presented by all the parties.
- its own statement of licensing policy
- the Statutory Guidance

The Sub-Committee considered 72 written representations and all oral representations at the hearing. Further, it noted that no representations were made by any of the Responsible Authorities.

The Sub-Committee was mindful that the application for live and recorded music and alcohol sales between the hours of 1200 and 2300, seven days a week, at the Design Chapel within Southampton Cemetery had been met with strong local opposition.

The Sub-Committee, while not tasked with planning applications and, with no authority over them, noted the intended use of the premises had been agreed upon condition and, to date, business at the Chapel had not intruded upon the peace of the area surrounding the Chapel. A number of Representors congratulated the Applicant on his management and upkeep of the Chapel over the past seventeen years.

The Sub-Committee noted in several representations the repeated belief that the premises licence, if granted, would be inappropriate, and would likely be incommensurate with those wishing to use the Cemetery for solace and quiet contemplation.

The representations objecting to the premises license centred on matters concerning the potential for a breach of licensing objectives.

Members of the public were assured that where a licence is granted, an application for a review of that licence could be made where there was evidence that the objectives were not being met.

Public safety within the grounds of the Cemetery was raised as a concern, given that there is no lighting in the area of the Chapel after dark.

The Sub-Committee noted steps that the Applicant had taken to prevent any breach of the licensing objectives. Further, it was assured of the intention of the Applicant to provide guidance to those who book use of the facility.

The Sub-Committee also noted that the venue would not be open to the public, and would operate a booking procedure, and limit numbers attending events. The Applicant also stated that no children were to be invited to events as they would be business meetings.

All things taken into consideration the Sub-Committee felt that the application should be granted subject to the reduced hours.

The Sub-Committee noted reports of apparent misinformation on social media concerning the application. This was not helped by an IT issue preventing the application being viewed for a short period. However, the Sub-Committee was satisfied that all statutory requirements had been met. Further, the application form completed by the Applicant was a standard legal form.

Recommendation

In view of issues raised by Representors, the Sub-Committee strongly recommended that the licence holder be cautious about the type of events and the nature of appropriacy of events permitted and that they should not be allowed to cause nuisance or disturbance within the Cemetery.

There is a right of appeal for any party to the Magistrates' Court. All parties will receive written notification of the decision with reasons which will set out that right in full.

SOUTHAMPTON CITY COUNCIL
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 19 JANUARY 2022

Present: Councillors G Galton, B Harris and Spicer

36. **ELECTION OF CHAIR**

RESOLVED that Councillor Galton be elected as Chair for the purposes of the meeting.

37. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

RESOLVED that the minutes of the meetings held on 4 November 2021, be approved and signed as a correct record.

38. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

RESOLVED that the Sub-Committee move into private session in order to receive legal advice when determining issues. Following that private session, at which time the matter would be determined, written confirmation of the decision of the Sub-Committee will be distributed to all parties to the hearing.

39. **APPLICATION FOR GRANT OF A PREMISES LICENSE - MEVLANA TURKISH KITCHEN 9A - 10A SHIRLEY HIGH STREET SOUTHAMPTON SO15 3LR**

The hearing was held as a virtual meeting using Microsoft Teams and was streamed live online for the press and public to view via the Live Events platform.

Due regard was given to the provisions of the Licensing Act 2003, including the statutory licensing objectives, the statutory guidance and the City Council's adopted statement of licensing policy.

The Crime and Disorder Act 1998 Section 17, The Human Rights Act 1998, and the Equality Act 2010 have been borne in mind by the Sub-Committee whilst making their decision.

The Sub-Committee considered very carefully the report of the Service Director – Communities, Culture and Homes and the representation received in writing prior to the hearing. The Sub-Committee considered the verbal representations made to it at the hearing.

The Sub-Committee duly noted that no representations had been received from the Responsible Authorities. In light of all of the above, the Sub-Committee:

RESOLVED to grant the premises licence subject to reduced hours for recorded music as follows:

Sunday to Wednesday	10:00am – 11:00pm
Thursday to Saturday	10:00am – 12:00am

Reasons

The Sub-Committee was mindful that the legislation specifically restricts the grounds on which it might refuse an application for grant of a premises licence or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so, the sub-committee gave appropriate weight to:

- the steps that are appropriate to promote the licensing objectives.
- the representations (including supporting information) presented by all the parties.
- its own statement of licensing policy
- the Statutory Guidance

The Sub-Committee considered the representation received by one local business and noted that the objections were potential public nuisance and public safety issues but that there was no evidence of a real risk of a breach of the licensing objectives. Further, it noted that none of the appropriate Responsible Authorities had submitted a representation or imposed conditions on the license.

The Sub-Committee was satisfied that there would be a minimum of two members of staff on site at all times. The Applicant also clarified that they would not be serving or selling alcohol and that customers would not be permitted to bring alcohol on site.

The Sub-Committee deliberated on the position of the Applicant's business, being situated in a built up residential area, and that licensable activity should cease at a suitable time, in keeping with other similar businesses in the area.

The Sub-Committee noted that the Applicant expected most of the late night sales to be from deliveries and take away sales with reduced numbers in the restaurant later in the evening.

The Sub-Committee noted the Applicant's offer to stop recorded music by 11pm but felt that 12am was appropriate, in keeping with other businesses in the area. The Sub-Committee was encouraged by the Applicant's keenness to remain in dialogue with residents surrounding the site should any issues concerning the license arise.

Members of the public should be assured that where a licence is granted, an application for a review of that licence can be made where there is evidence that the objectives are not being met.

There is a right of appeal for any party to the Magistrates' Court. All parties will receive written notification of the decision with reasons, which will set out that right in full.

Legal Implications

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for variation of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for variation of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of

those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

- **The Human Rights Act 1998**

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for variation of a premises licence and the representations to it are annexed to this report.

Equality Act 2010

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

Annex 1 – Mandatory Conditions

1 No supply of alcohol shall be made under the premises licence:

(a) at a time when there is no designated premises supervisor in respect of the premises licence, or

(b) at a time when the designated premises supervisor for the premises does not hold a personal licence or his personal licence is suspended.

2 Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

3 (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to

(i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or

(ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

4 The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

5 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—

(a) a holographic mark, or

(b) an ultraviolet feature.

6 The responsible person must ensure that

(a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures

(i) beer or cider: ½ pint;

(ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and

(iii) still wine in a glass: 125 ml;

- (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and
- (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

7 1 A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

2 For the purposes of the condition set out in paragraph 1 —

(a) 'duty' is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

(b) 'permitted price' is the price found by applying the formula —

$$P = D + (D \times V)$$

where—

(i) P is the permitted price,

(ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and

(iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;

(c) 'relevant person' means, in relation to premises in respect of which there is in force a premises licence —

(i) the holder of the premises licence,

(ii) the designated premises supervisor (if any) in respect of such a licence, or

(iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

(d) 'relevant person' means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and

(e) 'value added tax' means value added tax charged in accordance with the Value Added Tax Act 1994.

3 Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ('the first day') would be different from the permitted price on the next day ('the second day') as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Subject: FW: Szechuen Kitchen - Variation of premise licence - 2022/00263/01SPV

Good afternoon,

Thank you for the recent application to vary the premise licence for Szechuen Kitchen, 137a High Street, Southampton, SO14 2BS.

To support this application I would be looking for your client to give a guarantee that the long term future for this business is that it remains a restaurant and nothing else, in addition to support the extended hours for trading and prevent the licensing objectives being abused I will also promote the acceptance of the following wordings to be added as conditions:

1 - Restaurant

The premises shall only operate as a restaurant where;

(i) Customers are shown to their table.

(ii) Substantial table meals are prepared on the premises and are served and consumed at the table using non-disposable crockery.

(iii) No take-away service of food or drink for immediate consumption is provided.

(iv) Intoxicating liquor is only sold, supplied or consumed on the premises to persons who are bona fide customers supplied with substantial table meals.

2. Staff Training

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.

All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.

Kind regards

Mark

Dear Licensing,

License Consultation

Proposal: **SCC Licensing Consultation - Amendment to Premises License**

Address: **137A High Street, Southampton, SO14 2BS**

Application No: **22/00083/CONSUL**

I confirm that Southampton City Council, as the Local Planning Authority raises:-

OBJECTION

For the following reason(s):

Thank you for consulting the Planning Department about the proposed extension to opening hours at the above address. Having assessed the Planning history for this address it is evident that the lawful planning use of the building is restaurant with continuous hours of use operating till 00:30 since 2017. It is considered that, if approved, the request would result in an extended late night use and intensification of use that the Planning Department consider would cause further detriment to the amenities of neighbouring properties by reason of noise, threat of public nuisance and disturbance caused by patrons making use of the facilities and when they leave the premises and disperse into residential areas. The proposal would, therefore, be contrary to current Development Plan, which seeks to balance its support for a late night economy against protecting existing residential amenity from late night disturbance caused by an intensification of use and, following public consultation and independent assessment, sets existing limits on late night uses within the City in order to balance these competing aims. On this basis the Planning Department would like to raise an OBJECTION.

Yours faithfully

Paul Barton

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.

General information on the conduct of the hearing

14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
 - (b) With the permission of the Chair, seek clarification on any point by any other party;
 - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

31.

- (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
- (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
- (c) The parties will be invited to wait to be informed of the outcome.
- (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
- (e) If a room is available, the Committee may retire to deliberate and make its decision
- (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
