SOUTHAMPTON CITY COUNCIL  
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE  
MINUTES OF THE MEETING HELD ON 13 APRIL 2022

---

Present: Councillors Noon, J Payne and Goodfellow

44. **ELECTION OF CHAIR**

**RESOLVED** that Councillor J Payne be elected as Chair for the purposes of this meeting.

45. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

**RESOLVED** that the Sub-Committee move into private session in order to receive legal advice when determining issues. Following that private session, at which time the matter would be determined, written confirmation of the decision of the Sub-Committee would be distributed to all parties to the hearing.

46. **APPLICATION FOR VARIATION OF PREMISES LICENCE - CATTLE STEAKHOUSE, 14-15 HANOVER BUILDINGS, SOUTHAMPTON, SO14 1JX**

The hearing was held as a virtual meeting using Microsoft Teams and was streamed live online for the press and public to view via the Live Events platform.

The Sub-Committee considered very carefully the application for a variation of the premises licence at CATTLE STEAKHOUSE, 14-15 HANOVER BUILDINGS, SOUTHAMPTON, SO14 1JX in the report by the Service Director – Communities, Culture and Homes.

The hearing was held in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice.

The Sub-Committee made its decision on the basis of all of the evidence submitted, both in writing and given orally at the Hearing, with due regard to the licensing objectives, statutory guidance, and the Council's adopted statement of Licensing Policy.

Additionally, the Human Rights Act 1998, the Crime and Disorder Act 1998 and the Equality Act 2010 were borne in mind whilst making the decision.

The Sub-Committee noted that none of the Responsible Authorities attended the Hearing, but that a representation objecting to the variation of the licence was submitted by Environmental Health. The Sub-Committee noted that no representation had been received from Hampshire Constabulary, and that it was satisfied with the application.

The Sub-Committee heard from the Applicant and one local resident making a representation objecting to the application. A total of two representations were received in writing and were fully taken into consideration.

The application for a variation to the current licence was to add Recorded and LiveMusic and increase the Supply by Retail of Alcohol from midnight to 01.00. LateNight Refreshment had not been requested as this was already 01.00. In light of all the above, the Sub-Committee:

**RESOLVED** to grant the application for a variation to the premises Licence subject to the conditions offered by the Applicant and agreed as follows:

1. A noise limiter is to be supplied and installed by a qualified audio engineer and once completed the maximum noise levels set on the system are to be verified via an onsite test in the presence of the audio engineers. Once completed a noise limiter verification certificate to the is to be sent to Licensing department of Southampton City Council for approval.
2. To provide a written Noise Management Plan to include staff training on noise limiting equipment.
3. All music to cease at 10pm at the front of the restaurant.

## **Reasons**

Legislation provides for a presumption of the granting of a variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community.

The Sub-Committee noted the concerns of the resident, which included a history of complaints over the previous twelve months concerning the operation of the business and the impact felt by the resident in the residential property directly above the Applicant's premises.

Any person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

Members of the public should be assured that where a licence is granted, an application for a review of that licence could be made where there was evidence that the objectives were not being met. Formal notification of the decision would set out that right in full.

The Sub-Committee recommends that the residents of Hanover Buildings and the Applicant keep an open dialogue in relation to resolving any future problems, should they arise.

SOUTHAMPTON CITY COUNCIL  
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE  
MINUTES OF THE MEETING HELD ON 6 APRIL 2022

---

Present: Councillors G Galton, Laurent and J Payne

40. **ELECTION OF CHAIR**

**RESOLVED** that Councillor Galton be elected as Chair for the purposes of this meeting.

41. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

**RESOLVED** that the minutes of the meetings held on: 12 January 2022 and 19 January 2022, be approved and signed as a correct record.

42. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

**RESOLVED** that the Sub-Committee move into private session in order to receive legal advice when determining issues. The parties to the hearing, press and the public, unless otherwise excluded by the Licensing Act 2003 (Hearings) Regulations 2005, would be invited to return immediately following that private session at which time the matter would be determined and the decision of the Sub-Committee announced.

43. **APPLICATION FOR A VARIATION OF A PREMISES LICENCE - SZECHUEN KITCHEN, 137A HIGH STREET, SOUTHAMPTON SO14 2BS**

In considering this application the Sub-Committee was obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice.

Due regard was given to the statutory licensing objectives, the statutory guidance, and the City Council's adopted statement of licensing policy.

The Crime and Disorder Act 1998 Section 17, the Human Rights Act 1998, and the Equality Act 2010 had each been borne in mind by the Sub-Committee whilst making its decision.

The Sub-Committee has considered very carefully the report of the Service Director—Communities, Culture and Homes. The application had received one representation from Planning and no public representations.

The Sub-Committee noted the conditions, as set out by Hampshire Constabulary, and agreed by the Applicant, to be attached to the licence should the variation of the licence be granted. The Sub-Committee considered all verbal representations at the hearing including two witnesses who spoke in favour of the application.

In light of all of the above, the Sub-Committee:

**RESOLVED** to grant the variation to the premises licence as per the application.

## REASONS

The Sub-Committee was mindful that the legislation specifically restricted the grounds on which it might refuse an application for a variation of a premises licence or impose conditions. The legislation provided for a presumption of grant of an application for a variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so, the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives.
- the representations (including supporting information) presented by all the parties.
- its own statement of licensing policy
- the Statutory Guidance

The Sub-Committee was satisfied that the Applicant clarified that alcohol sales would be ancillary to food sales from the restaurant and that customers would not be permitted to take alcohol off site.

The Sub-Committee queried the position of the Applicant's business being situated directly beneath a residential dwelling but was assured that no one lived in the dwelling.

The Sub-Committee was content that restaurant was already operating to midnight without complaint. The Sub-Committee considered carefully the views of the Planning Officer and the issues raised in relation to the potential for noise and public nuisance in the area. The Sub-Committee received legal advice confirming that it needed to be satisfied that there was a causal link between noise and nuisance and the application for variation before it.

The Sub-Committee was content with the training to be offered to staff.

An application for variation of a premises licence whose application had been refused, or who was aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

Members of the public should be assured that where a licence was granted, an application for a review of that licence could be made where there was evidence that the objectives were not being met.

There was a right of appeal for any party to the Magistrates' Court. All parties would receive written notification of the decision with reasons which would set out that right in full.

## ***Legal Implications***

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for variation of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for variation of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
- *The Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for variation of a premises licence and the representations to it are annexed to this report.

## **Equality Act 2010**

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

2 Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

3 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

4 1 A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

2 For the purposes of the condition set out in paragraph 1 —

(a) 'duty' is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

(b) 'permitted price' is the price found by applying the formula —

$$P = D + (D \times V)$$

where—

- (i) P is the permitted price,
- (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- (c) 'relevant person' means, in relation to premises in respect of which there is in force a premises licence —
  - (i) the holder of the premises licence,
  - (ii) the designated premises supervisor (if any) in respect of such a licence, or
  - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

3 Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ('the first day') would be different from the permitted price on the next day ('the second day') as a result of a change to the rate of duty or value added tax.

Please state the ground(s) for -representation-:

Hooch and Candy have applied to extend the hours for the licensable activity on their existing premises licence issued by Southampton City Council.

It is the view of the chief of police that allowing the extension of the sale of alcohol from the premises would contribute further to the levels of crime and disorder in the local environment and jeopardise public safety and cause further public nuisance.

Hooch & Candy currently have a terminal hour of 0000 7 nights a week and the premises has suitable conditions to ensure the licensing objectives are upheld and the premises trade responsibly. Further the premises has traded later in the past utilising temporary events notices on particular nights of the year generally on Halloween and New Years eve. These very short measures on temporary event notices have been allowed as there is a general extension to licences as a lot of premises seek to utilise the event time on the calendar to boost trade a little more across these key dates.

However the premises sits firmly within one of the city centre cumulative impact zones identified by Southampton City council's statement of licensing policy 2021-2026.

As such this premises sits in an area already identified as one suffering from increased crime and disorder owing to the number of licenced premises in concentration within a small geographical area.

Furthermore the nearby on-premises drinking establishments do not allow patrons to leave their premises with drinks and the outside drinking areas are time limited to before the closing time of this premises as is currently. The nearby outdoor seated drinking areas are also designated as glass free and Southampton is covered by a public spaces protection order prohibiting the consumption of alcohol in general public places.

The extension of the licence at this premises will undermine all of the above and increase the risk of crime and disorder in an area where it is already high.

Whilst the premises may trade responsibly and safely the concern is that once alcohol is sold and leaves the store via a hatch or at the till inside, there is absolutely no control over the produce or the person buying it once they leave the shop.

The police have concerns about revellers engaging in the night time economy purchasing more alcohol either before attempting to enter other on drinking establishments or after leaving whether via ejection or of their own accord and purchase more alcohol.

Any person who has been involved in any form of altercation at a premises will have an opportunity to attend this store and make purchases which not only could see them becoming more alcohol

fuelled but also put them in possession of a potential weapon such as a bottle. Such issues could arise through proxy sales as well as the opportunity presents itself on the doorstep of the NTE. The staff will not necessarily be able to confirm alcohol sold will not be passed on to others waiting outside.

This extension will also do nothing to aid dispersal away from the area as some premises begin to close and the availability of further alcohol only presents ongoing risk in a less controlled environment than revellers being inside nearby premises.

The application mentions a hatch which is a good idea to prevent issues in store and keep staff safe however it does nothing to prevent any of the foreseeable issues in the street. It arguably also limits members of staff being able to assess persons levels of intoxication and suitability to be sold alcohol. There are no conditions considered proportionate for this premises that can satisfy the control of the alcohol once it has left the premises as the public have a right to their freedoms of movement. However when intoxicated this freedom of movement increases the risk of crime and disorder and vulnerability.

It is also disappointing to note that the premises licence holder has not contacted police about this prior to submitting an application which contradicts the section 182 guidance. The licence holder made contact with police licensing in January but this was only regarding remaining open for delivery only until 0200.

This application does not state anywhere that it is for deliveries only so for the reasons given we oppose this variation.

Furthermore while the premises is close to some late night premises in a night time economy area it is also right next to a residential area so the public nuisance factor also needs to be taken into consideration if persons are entering residential roads in the early hours with more alcohol.

Prior to submitting this representation I have spoken to the premises licence holder and I have advised that we are looking to object to it. I advised that I would support home deliveries for these hours but cannot endorse or support the off sales from the store, hatch or otherwise. This contact was made via phone on Wednesday 22<sup>nd</sup> June 2022. I was told by the licence holder that he would make contact with the council to discuss amending the application based on my concerns raised over the phone. I then sent local authority licensing officers an e-mail on this same date to advise of our conversation. I was notified a local authority licensing officer on Wednesday 29<sup>th</sup> June that no contact has been made with the local authority to revise or discuss this application. I am completing this representation a few days later being Saturday 2<sup>nd</sup> July and I've not heard of any approach from the licence holder to the council still.

**It is an offence, under section 158 of the Licensing Act 2003 to make a false statement in or in connection with this representation**

Police recommendations (including any conditions)

Refuse the application as no conditions can be considered suitable to control the alcohol once it leaves the premises and it is within an identified stress area.

Should the premises licence holder wish to amend the application so that the extension of hours for home delivery only then we would support this. Any click and collect at the store beyond the existing hours would be opposed as well, only genuine away from premises home deliveries would be

Good Afternoon,

The Licensing Authority wish to make representation with reference to the premises licence variation application of Hooch and Candy, 82b & 82c Bedford Place, Polygon, Southampton. SO15 2BX.

The premises is in the busiest of the cumulative impact areas identified within our licensing policy. We object with regards to the prevention of public nuisance, public safety and the prevention of crime and disorder.

Street pastors pick up a high volume of glass bottles, often smashed within the night time economy area. This premises open to a later hour is very likely to add to this issue. We also have concerns with the availability of alcohol for consumption off a controlled premises which will only add to the stress on this area. High intoxication levels are regularly reported and witnessed by council officers in this area at night. This is also a factor for crime and disorder reported in this area.

While a hatch is mentioned for the safety of staff, this will not assist with the concerns of those buying and consuming the alcohol in this area.

It may be possible for a future application relating to deliveries only, with the correct conditions in place, however any further availability of alcohol for consumption in this area can not be agreed by the licensing authority at this time.

Kind regards,

Ian McGuinness

I object to the above application to extend the opening hours to sell alcohol and refreshments.

This business is on a regular, well-used route to the local late night venues. This will encourage street drinking after people have left other premises that have closed. Street drinking is a daily occurrence in this area already and adding to it will result in the escalation of the issues already affecting the local residents.

This business is within the cumulative impact zone for Bedford Place. This area is already saturated with premises selling alcohol. Granting this extension will increase the problems already experienced by local residents.

These include, but are not limited to, street drinking, loud music from parked cars while groups of people drink and hang out, arguing, screaming and fights, gardens being used as toilets and litter bins. Broken glass and vomit over the pavements. Damage to parked cars and residents' fences.

Many of the nearby residents are elderly and some are also vulnerable.

Good Afternoon,

Several of the ladies who live at this site in Henstead road are once again concerned that another licensing establishment in Bedford place has applied for an extension to opening hours

They already experience disturbed sleep through party revellers going home via Henstead road,

- More puddles of vomit to try and avoid on pavements, more rubbish from take a ways
- More people congregating outside of the scheme being noisy playing loud music, either in groups or around a car
- More anti-social behaviour and the scheme gardens being used as toilets

They have asked if I could contact you on their behalf and raise their objections

Yours Sincerely

Mrs Denise Bricknell

### **Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005**

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

#### **Preliminary matters**

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
  - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
  - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
  - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
  - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
  - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
  - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.

### **General information on the conduct of the hearing**

14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
  - (b) With the permission of the Chair, seek clarification on any point by any other party;
  - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

### **Hearing Procedure**

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

### **The applicant**

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

### **The representations**

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
  - (a) The person making a representation (or their representative) may present their case.
  - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
  - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

### **Summing up**

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

### **Sub-Committee's decision**

31.

- (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
- (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
- (c) The parties will be invited to wait to be informed of the outcome.
- (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
- (e) If a room is available, the Committee may retire to deliberate and make its decision
- (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
