Legal Implications

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

- *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Equality Act 2010

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

Dear Licensing,

I have liaised with the applicant and the proposed DPS, they have agreed to the below conditions to be added to their licence.

I have explained that the proposed DPS must have his personal licence before any alcohol can be sold, this will be reflected on the licence if it is granted.

I have been informed that the DPS in in the process of obtaining his licence.

So as long as the agreed conditions are included in the licence the police have no objections.

Many thanks

Dear Mrs AMEN and Mr MUSTAFA.

As per our conversation today at the store, the below are the conditions that I would want added to your licence, these conditions would satisfy and show me that you will be able to uphold the 4 licensing objectives.

CHALLENGE 25

There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

REFUSALS BOOK

A written log shall be kept of all refusals including refusals to sell alcohol. Details recorded must include date (day/month/year), time, product refused, reason for refusal, and the full name of the person who made the refusal. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the venue manager/managerness.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Responsible Authorities.

The record of refusals will be retained for 12 months.

CCTV

A colour recording CCTV system that captures images from the main public areas must be fully operational whilst licensable activities are taking place.

The system shall be able to cope with all levels of illumination.

The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system. i.e. Password protected.

The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).

The images produced shall be date and time stamped.

A notice shall be displayed at the entrance to the premises advising that CCTV is in operation.

An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the front of the premises.

It is important that Responsible Authorities are able to access data from the systems quickly and easily and therefore provision shall be made that at all times a person is in attendance who is nominated by the data controller who has access to the secure area who is able to operate the equipment

Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of nominated staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police responsible authority for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act.

In the event of a technical failure of the CCTV equipment, the premises licence holder or DPS shall notify the police licensing department responsible for the area within 24 hours.

Work Hours

That a log of work hours is kept for every member of staff that works at the premises, full time, part time, and temporary, including those who provide cover at any point when the shop is trading, or conducting activities in relation to trade. The record will consist of the staff member's name, the date (day/month/year), the times when the staff member commenced and finished work (expressed in the 24 hour clock). This must be completed at the time when the staff member commences and finishes work, by either the member of staff or his supervisor/manager. The record must be kept at the premises and be available to Responsible Authorities on request.

Incident Book

An incident book shall be maintained to record any activity of a violent, criminal or anti-social nature.

The record will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. This record shall be produced to a police officer or an authorised officer of the local authority on reasonable request. This record shall be retained for a period of 12 months.

Training

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.

All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.

Single Can Condition

No single cans of beers ciders or lager shall be sold to customers. Unless other non-alcoholic product purchases (excluding tobacco and tobacco sundries) are made totalling £5.00 or more in the same transaction.

High Strength Alcohol

No beers, ciders or lager of 6.5% ABV or over shall be sold by retail unless they in a pack of 4 or more as supplied by the manufacturer.

These are the conditions that will be added to your licence and you must abide by, any breach of these conditions could result in a fine or worse. So please read them and if you agree then please respond to this e-mail chain that you agree

Below are some links to the Licencing Act 2003 and a useful guide to licencing, this is NOT a train manual, and you will need to obtain a full training package for your staff and make sure that this training is completed before any alcohol is sold. This goes for any member of staff working at the shop.

The licencing act 2003

<https://www.legislation.gov.uk/ukpga/2003/17/contents>

Helpful guide for training, but you still need a full training package with the bank of questions

<https://www.staffordshire.gov.uk/Business/Businesssupport/Documents/77702-on-licence-trainers-booklet-before-amendments.pdf#:~:text=This%20booklet%20has%20been%20produced%20by%20Staffordshire%20County,when%20in%20a%20position%20of%20selling%2F%20supplying%20alcohol>

If the licence is granted then you must have a copy of your licence on display along with your authorisation letter to sell alcohol, this will have the names of the other staff members on it and this authorises them to sell alcohol.

Comments: 11:43 PM on 12 Oct 2023 I object against this premises being used to sell alcohol. This convenience store- Sam Store is close to the Bashir Ahmed Masjid (mosque) where muslim children, adults both male and female perform 5 times daily prayer and it is a safety concern for muslims to pray and protect our children from harm. The alcohol store close to the moque will contribute towards drunken hate crime that has happened several times over the last few years.

I personally, as a local University of Southampton student potentially could be a part of hate crime as many of my friends from university have faced in past.

Please consider this and revoke this license.

Comments: 6:28 PM on 18 Oct 2023 I have objection in another off license store being opened in this area. It is causing nuisance to the residents in this area. Already young drinkers sit in groups late night drinking. Anti social behaviour in this area has increased over the years. Rubbish left after drinking causing health hazards to children and vulnerable group.

Comments: 11:55 PM on 12 Oct 2023 Completely unnecessary. Not only will this effect other business who are already facing difficulties in the current climate, but it'll create a lot of noise and nuisance to surrounding residents especially later in the evenings when you see many many students gathering around. I have family members living directly opposite who will be impacted by this day and night - potentially more litter, noise, large groups gathering around, increased drunken/nuisance behaviour.

Comments: 7:43 PM on 05 Oct 2023 By adding more corner shops, the level of crime will go up making portswood an unsafe and feared area. Many families, young people and elderly live here and want to feel safe, by opening the shop it prevents that.

Licence Open for Consultation East Block - The Balbirs, 72
Portswood Road Southampton SO17 2FB

Highfield Residents Association objects to the application that has been submitted for an off-licence store to be known as Sam Store at 72 Portswood Road, Southampton, SO17 2FW. The application for a licence to trade alcohol (among other store goods) 16hrs a day from 07:00h to 23:00h Monday to Saturday and 11:00h to 23:00h on Sundays. The trading of alcohol for these number of hours is excessive. Neither is it appropriate due to the store's location near a Day Care Nursery and the Bashir Ahmed Mosque.

There are already many off-licence stores operating in the Portswood Road / Portswood Broadway area. Street drinking, increased litter, discarded empty beer cans already create adverse effects on residents and deters those out of area from visiting. The police and Council have been unable to tackle on-street drinking and general anti-social behaviour in Portswood to date, despite having the powers to do so. Granting a licence to another store with extended opening

hours would feed the habits of street drinkers and extend their loitering range. Granting a licence would be a nuisance to public and especially children.

Bevois Valley has been identified as a stress area causing problems in terms of high crime rate and anti-social behaviour. Police data (June 2023) shows a high concentration of crime immediately to the east of Portswood Broadway (* Police statistics for "Portswood" combine Portswood, Bassett and Swaythling wards) - 23% of the total crimes in just 2% of the area (Ref: UK Crime Stats - crime breakdown in Portswood Feb 2022 - Jan 2023).

Highfield Residents Association objects to the application and asks that it be refused.

Comments: 6:25 PM on 11 Oct 2023 Hi, I live with my husband and 5yrs old daughter in portswood road. I am a working woman premises licence application for an off licence store in portswood road is going to be really bad news for residents with children. It will be hard for children to get sound sleep and Peace of mind in a noisy environment. As this shop will be operating from 7am, it will be a threat to child security , especially childrens walking to school alone. As a result of this, I firmly oppose to this application.

Thanks

Message

With reference to the application for a Premises Licence at the above address, I strongly oppose and have objection for this off - Licence store for the following reasons:

- There are more than enough off - Licence premises in Portswood Road as it were.
- with the University and Colleges in around Portswood area having just started a new academic year, students (in particular, females) are more vulnerable especially when coming back home late and drunk from their evening outings.
- increased number of off - licence shops in the Portswood area would result in increasing crime rates. Especially violence against women and girls.
- refusal of granting this Licence would result in:
 - prevention of crime and disorder,
 - prevention of public nuisance,
 - protection of children from harm, as there are many primary schools in the area,
 - public safety.

As a residence of Portswood, Portswood area has been identified as one of stress areas in Southampton City and we don't need any more off-licence.

These would cause more problems of Anti - social behaviours amongst the drunken people.

Comments: 3:35 PM on 27 Sep 2023 There are already many licensed premises in the area. These cause substantial anti- social behaviour at all times of day but especially in the evening. There is an increase in litter, empty drinks containers thrown into property and a general deterioration in the quality of the environment. Any further increase against this already unacceptable situation would be absolutely intolerable.

Comments: 2:06 PM on 15 Oct 2023 I oppose the application for a premises license because it would make it challenging for someone like me, an international student who doesn't use alcohol and tobacco, and it could lead to increased litter and broken glass in the area, affecting its cleanliness. Therefore, I'm against having a new alcohol shop in this location.

Comments: 5:14 PM on 11 Oct 2023 I wish to object to this licence application for the following reasons:
As Chief Executive of Wessmaps Housing Trust we provide support for vulnerable people in the community. We have a 7 unit scheme that supports 7 very vulnerable tenants that are recovering from substance misuse (alcoholism). We do not want a corner shop selling alcohol, with long opening hours on their doorstep. There are already more than enough premises where alcohol can be bought in this area. There is absolutely no need for any additional premise of this kind.

There is also a school near by, who I am sure would not endorse this licence in the vicinity of the school again for the reasons above there are plenty of establishment in the immediate area. This additional application will saturate the area and has no real purpose. it will not add value to the community.

I understand that private enterprise is encouraged within a community, but surely not at the expense of the vulnerable people in the community.

I hope the sets our fairly why this licensing application should be declined.

Kind Regards

Jane Lockey

Comments: 11:34 AM on 02 Oct 2023 Hi,
I am 63 old man just moved to this area. I am suffering from heart disease. Just came to know that an off-licence store application has been received which is close to my flat which will open from 7am till 11pm daily. This does not sound good as it will increase street drinking which result in public nuisance. Residents in the nearby flats and houses are going to suffer as a result of this. Hence, I strongly object to this application.
Thanks

Comments: 12:05 PM on 13 Oct 2023 A new alcohol store in this area will result in an increase in antisocial behaviour and alcohol use in portswood- an area with an already high alcohol consumption due to students from the university. Adding more access to alcohol for both students and locals will likely increase the number of drunk crimes and disturbances which will affect all locals including families and children. This will decrease public safety around this area with the introduction of a new source of affordable alcohol.

Dear Licensing Team,

Thank you for your previous reply informing me that my initial response was invalid.

My issue is with the length of the applied for opening times. Stopping selling alcohol at 23:00 is reasonable however I do not agree with the need to sell alcohol from 07:00 each day, this is not needed by the local community. I will endeavour to expand on my comments in my Representation within the context of the Licensing Objectives.

1) The prevention of crime and disorder:

The availability of alcohol from 07:00 each day is absolutely unnecessary and will be a magnet for people at the effect of alcohol addiction from all over the city. Why do they need to sell alcohol from such an early hour? No real problems with the 2300 closing.

2 & 3) Public safety/The prevention of public nuisance

There is already a small "gang" of, mostly male, people hanging around and drinking near the entrance to the development this premises this part of. This is before there is a licensed premises within sight.

4) The protection of children from harm

This is on a route to and from school for many children of all ages. It is also the route to the local Mosque so children are passing to and from their time at the Mosque every day.

Hopefully these statements form a basis of a pukka Representation.

Kind regards,

Rob Potter

I would like to put in my objection to this becoming another Off Licence ,, I have a small build of 4 flats and I'm speaking on behalf off my tenants which is in Gordon Avenue Portswood. The whole area of Portswood was once very nice but the more booze outlets and restaurants that open just seem to increase the rubbish noise vandalism in the area there is already one in Portswood that's open to 2 am which is only encouraging alcoholism and drunkenness. Which then encumbers the police who really don't have the time to deal with these problems that drink causes so No Please think again and let's try and start doing the right thing and more booze outlets isn't the way thank you for your time. Comments: 1:11 PM on 14 Oct 2023 I strongly am against this license application as it will encourage drink fuelled crime in the area. There are enough off licenses in the area that serve it well enough without the need for a new one.

There are nearby schools to the new shop as well as people in rehabilitation from substance abuse and putting another alcohol shop on their door step should not be allowed.

To:- Whom it may concern,

Subject Licencing Application Ref. No:- 2023/03445/01SPRN. Sam Store 72, Portswood Road, Southampton. SO17 2FW

I wish to record my family's objections to the granting of a Premises Licence to operate an Off-Licence at the above stated address.

Grounds for objection to this proposal are as follows:

There are already an abundant number of existing licenced premises, including "Open all hours" type of off-licences, retail shops, Restaurants and Supermarkets within the immediate vicinity of the applicant's premises, negating the public need for yet another such outlet.

This area of Portswood is notorious for high incidents of antisocial behavioural activities, including on-street drinking of alcohol, begging, petty theft, rough sleeping, littering and vandalism. The granting of another licence to the applicant's premises would only serve to exacerbate these already existing acute public order problems.

Such is the level of on-street drinking of alcohol in this area, an "On Street Drinking Prohibition Order" banning the practice currently exists for this area. However it is not actively enforced.

For the sake of good order being re-established within the Portswood area, going forward, I would earnestly seek to urge the Council's Licencing Authority to reject the application.

Dear Ian

Here is my letter about the licensing of the Balbirs on Portswood Road, if you have any points of clarification please let me know

Dear Sir

Reference application for alcohol licence for the convenience store at the Balbirs
[2023/03445/01SPRN](#)

I am writing to express my concerns about the granting of this licence for the sale of alcohol the reasons for my objections are as follows
firstly the level of crime and disorder on portswood Broadway has increased over the past year. There have been a number of incidents which the police have had to attend. I am not aware of all of the incidents on the Broadway but I believe there was a stabbing by someone who was intoxicated. There is a public space protection order (PSPO) in place on portswood Broadway but I believe this has not been implemented and no orders have been served. I spoke to a number of shopkeepers on portswood Broadway who informed me that people buy alcohol from the off licences and then go and sit on the steps opposite muse cafe and spend most of the day drinking. Issues arise as people become more intoxicated and members of the public tell me they are scared to walk along Westridge Rd past these groups of people. One lady now comes to portswood via spring Crescent so she doesn't have to walk along Westridge Rd. There are no toilets accessible to the public close to portswood Broadway so people defecate in the alley behind MUSE coffee shop. One shopkeeper challenged a person who was drunk who was standing in the doorway to his store and when he asked him to leave he walked outside the shop and kicked the glass window at the front of the shop smashing it. Another shopkeeper informed me that people are able to buy single cans of beer and single bottles of cider at high strength and don't have to buy any other items. The shopkeeper also said the people often get these items on tick with the shopkeeper not charging them for the alcohol. These incidents are happening during the day.

The shop with Daily Echo on the front which sells alcohol does not start selling alcohol until 8:00 AM. I think all of the off licences on portswood Broadway should have a restriction to not be able to sell alcohol until midday.

Secondly, there are a great many resources trying to tackle the issues of the anti social behaviour on portswood Broadway. The welfare warden Garry is planning to do joint patrols with the PCSOs. When this was raised at a police/public liaison meeting recently the Detective Inspector said they did not have the resources to do this. Malkeat Singh who is employed by Southampton

City Council has been trying to address these issues as well. He's part of the community engagement team. It appears there is a lot of work being done to try to address this but it is not making any difference.

Thirdly, this establishment is within a quarter of a mile of Portswood Broadway and so will be a shop that people will use to buy their alcohol before going to the Broadway.

Finally, although the local off licences say they do not sell alcohol to people who are intoxicated they are clearly doing this and there is a need for more rigorous control of any establishments that are granted licences.

Best wishes

Subject: RE: New Licensing Applications for Portswood ward, 21-SEP-23 [REDACTED]

Good Afternoon Councillor,

It was good to speak with you earlier.

As mentioned, only representations that relate to at least one of the four licensing objectives can be considered. The statutory licensing objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

Representations must be:

- In writing
- Contain your name and full address * (see note below)
- Set out the likely effects that the grant of the application would have on the promotion of at least one of the licensing objectives, and
- Must clearly relate to the premises for which application is being made.

* These details are included in the report and will be published on the council website unless it can be shown there is a genuine and well-founded fear of intimidation or violence.

For example, representations on the basis of general noise and disturbance, without evidence of a causal link to specific premises, are unlikely to be persuasive.

It will be for the person making the representation to show reasons why the grant of the application is likely to have an effect on them or their business, and show authority to act if they make a representation to an application on behalf of a body representing others, such as a residents' or business association.

Guidance is available at [Representations \(southampton.gov.uk\)](https://www.southampton.gov.uk/representations)

This application is currently in the consultation period which ends on the 19th October 2023.

The applicant has included the following on the application:

a} General - all four licensing objectives (b, c, d, e) (please read guidance note 10}

As the Licensee, I shall ensure that all times when the premises are for any licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the license and for preventing crime and disorder. Also as the named licensee I shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly regarding drunkenness and underage persons. Records will be kept of training and refresher training.

b} The prevention of crime and disorder

Any incidents of a criminal nature that may occur on the premises will be reported to the Police.

The Licensee will install comprehensive CCTV coverage at the premises, and it is operated and maintained at the premises.

The CCTV system shall conform to the following points:

- 1. Cameras must be sited to observe the entrance and exit doors both inside and outside.
2. Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
3. Cameras viewing till areas must capture frames not less than 50% of screen.
4. Cameras overlooking floor areas should be wide angled to give an overview of the premises.
5. Be capable of visually confirming the nature of the crime committed.
6. Provide a linked record of the date, time and place of any image.
7. Provide good quality images -colour during opening times.
8. Operate under existing light levels within and outside the premises.
9. Have the recording device located in a secure area or locked cabinet.
10. Have a monitor to review images and recorded picture quality.
11. Be regularly maintained to ensure continuous quality of image capture retention.
12. Have signage displayed in the customer area to advise that CCTV is in operation.
13. Digital images must be kept for 31 days.
14. Police will have access to images at any reasonable time.
15. The equipment must have a suitable export method, e. G. CD/DVD writer so that the Police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non-standard (i.e., manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Copies must be made available to Police on request.

c.)Public safety

Appropriate fire safety procedures are in place including fire extinguishers (foam, H2O and 'CO2), fire blanket, internally illuminated fire exit signs, numerous smoke detectors and emergency lighting (see enclosed plan for details of locations). All appliances are inspected annually. All emergency exits shall be always kept free from obstruction.

d.)The prevention of public nuisance

All customers will be asked to leave quietly.

Clear and legible notices will be prominently displayed to remind customers to leave quietly and have regard to our neighbours.

e.)The protection of children from harm

The licensee and staff will ask persons who appear to be under the age of 25 for photographic ID such as proof of age cards, the Connexions Card and Citizen Card, photographic driving license or passport, an official identity card issued by HM Forces or by an EU country, bearing the photograph and date of birth of bearer.

All staff **will** be trained for UNDERAGE SALES PREVENTION regularly.

A register of refused sales shall be kept and maintained on the premises.

The Police may request further conditions or wording.

Please let me know if you require any further guidance on this matter.

Ian

If it has come to you in error you must take no action based on it, nor must you copy or show it to anyone.

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.

General information on the conduct of the hearing

14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
 - (b) With the permission of the Chair, seek clarification on any point by any other party;
 - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

31.

- (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
- (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
- (c) The parties will be invited to wait to be informed of the outcome.
- (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
- (e) If a room is available, the Committee may retire to deliberate and make its decision
- (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
