Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in an administrative capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

6. The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

- *The Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Please state the ground(s) for representation:

On behalf of the Chief Officer of police, Hampshire Constabulary would like to make representations in relation for the application by Jaiminiben AMIN for a premises licence at:
SNA Supermarket
11 Manor Farm Road
Southampton
SO18 1NN

SNA Supermarket has previously benefitted from a premises licence. This premises licence was held by this applicant’s husband Vikram AMIN and another, with Mr AMIN named as the DPS.

Hampshire Constabulary applied for a S53 summary review of this premises licence on 30th September 2015. At the full review hearing on 21st October 2015, the decision made by the Licensing Authority Sub-Committee was to revoke the premises licence. As part of the decision, the Sub-Committee have noted that they had particular concern that the premises retained a clear link to one of the premises licence holders who was currently under investigation for drug related offences. A copy of the decision notice is attached (Annex A).

Due to the nature of the crimes being investigated, the police investigation which prompted the S53 review application and subsequent criminal trial was elongated. On 5th May 2017, Mr AMIN was convicted of the following offences:

- Possess with intent to supply a controlled drug of Class A – cocaine
- Possess with intent to supply a controlled drug of Class A – MDMA

Mr AMIN was sentenced to 36 month terms of imprisonment for each conviction, to run concurrently.

Until his sentencing, Mr Amin remained an intrinsic part of the business, with Jaiminiben Amin taking a more apparent role in the business. However, reports of suspicious activity at the store, including potential dealing to youths attending the premises, continued. Most recently, police have been contacted regarding concerns about accommodation provided by Mrs Amin to staff in exchange for work. (Annex B).

With respect to re-instating a premises licence, police have received enquiries on this matter. On 29th June 2017, Hampshire Constabulary Licensing team received a telephone query on behalf of Mrs Amin. Concerns about her husband’s involvement in the business

**New grant or variation of premises licence
Or club premises certificate

on his release was raised, with the advice that this point would need to be addressed in any application or discussions. (Annex C)

Police received a similar enquiry from Mrs Amin in March 2018. Again, the same concerns were raised. (Annex C).

Hampshire Constabulary received an application for a premises licence on 16th August 2018. The steps on the application to promote the licensing objectives outline appropriate steps for an off-licence type premises which has not had issues in the past. These include staff training, CCTV, 'Challenge 25' age verification policy and a refusals register.

However, this particular premises has seen criminal activity in the past, committed by the then premises licence holder and DPS. The application does not address the concerns raised by Hampshire Constabulary regarding Mr Amin's criminal behaviour at the premises and how Mrs Amin will prevent this reoccurring. Hampshire Constabulary have grave concerns that Mrs Amin will not be robust, and that her husband has, and will continue to have, involvement in the business, as indicated in a business impact statement from October 2017.

Police are concerned about Mr Amin's continued influence and his involvement in the business on his release from prison, and Mrs Amin's ability to robustly manage her husband's activities at the store. It has to be noted that CCTV has been installed at the premises for a number of years, but did not act as a deterrent to serious criminal activity by Mr Amin.

In this particular case, Hampshire Constabulary do not feel that there are any conditions that can be placed on the premises licence to fully promote the licensing objectives. Hampshire Constabulary request that this application is refused.

**It is an offence, under section 158 of the Licensing Act 2003 to make a false statement

Dear Sir,

**Licensing Act 2003
Application for Summary Review of Premises Licence
SNA Supermarket, 11 Manor Farm Road, Bitterne Park, Southampton SO18 1NN**

I refer to Hampshire Constabulary's application for review of the above premises licence and the consideration given to it by the City Council's Licensing (Licensing and Gambling) Sub-Committee on 21 October 2015. PC Jackie Cherry and PC Alex Boucouvalas attended on behalf of Hampshire Constabulary.

The decision notice which was read by the Chair at the conclusion of the hearing is attached.

The Sub-Committee determined that the premises licence for SNA Supermarket should be revoked and that the interim steps of suspension of the premises licence and removal of the DPS, imposed by the Sub-Committee on 1 October 2015 (as previously notified), should continue pending any appeal.

Section 53C (11) of the Licensing Act 2003 provides that the revocation of the licence will not have effect until the time for making an appeal has elapsed or, if an appeal is made, it has been determined.

Paragraph 8A of schedule 5 to the Licensing Act 2003 makes provision for the applicant, licence holder or anyone making a relevant representation to appeal against the decision to revoke the premises licence to the West Hampshire Magistrates' Court at 100 The Avenue, Southampton SO17 1EY within 21 days of this notification.

Yours faithfully,

LICENSING (LICENSING AND GAMBLING) SUB – COMMITTEE
DECISION OF THE MEETING HELD ON 21 OCTOBER 2015
SUMMARY REVIEW OF PREMISES LICENCE

SNA SUPERMARKET, 11 MANOR FARM ROAD, SOUTHAMPTON SO18 1NN

All parties will receive written notification of the decision with reasons.

The Sub-Committee determined that the hearing should proceed with the press and public excluded in that the public interest in so doing outweighed the public interest in the hearing taking place in public, in view of the continuing Police investigation and the sensitivity of the information disclosed within the appendices to the report and discussed in the course of the hearing.

The Sub-Committee has considered very carefully the application by the Police for summary review of the premises licence for SNA Supermarket, 11 Manor Farm Road, Bitterne Park Southampton SO18 1NN.

It has given due regard to the provisions of the Licensing Act 2003, including the statutory licensing objectives, the statutory guidance, the Secretary of State's summary review guidance and the City Council's adopted statement of licensing policy. Human rights legislation has also been borne in mind.

The Sub-Committee notes that, following suspension of the premises licence and removal of the designated premises supervisor on 1 October 2015 as interim steps, the premises licence holders did not seek to make representations against that decision by the Sub-Committee.

The Sub-Committee has determined to revoke the premises licence for SNA Supermarket, 11 Manor Farm Road, under section 53C of the Licensing Act 2003.

The Sub-Committee has also determined that the interim steps determined on 1 October 2015 i.e. the suspension of the premises licence and removal of the designated premises supervisor, should remain in force pending any appeal.

Reasons

The Sub-Committee has considered very carefully the certificate of Superintendent Fulton, all the evidence submitted by the Police and the representation by Trading Standards, both written and given orally today, and the written representations provided by the premises licence holders' Solicitors.

The Sub-Committee has carefully considered all the options set out in section 53C(c) of the Licensing Act 2003:

- (a) the modification of the conditions of the premises licence,
- (b) the exclusion of a licensable activity from the scope of the licence,
- (c) the removal of the designated premises supervisor from the licence,
- (d) the suspension of the licence for a period not exceeding three months,
- (e) the revocation of the licence.

The Sub-Committee considers that the alleged serious criminal offences involving persons concerned with the business conducted at those premises, including one of the premises licence holders, make it appropriate and proportionate for the promotion of the licensing objectives for the premises licence to be revoked and for the interim steps of suspension of the licence and removal of the designated premises supervisor to remain in force pending any appeal.

The Sub-Committee has considered the financial implications of its decision in accordance with the statutory guidance, particularly paragraphs 11.24 to 11.28 and, whilst it does take the impact seriously, has had to put its role in promoting the licensing objectives to the forefront.

In this respect, all other available measures were deemed insufficient, given the serious nature of the evidence presented to the Sub-Committee. In weighing up the risks attached to continued trading, particularly where the premises retains a clear link to one of the current premises licence holders, the Sub-Committee feels it has no option other than to revoke the licence and maintain the interim suspension and removal of the designated premises supervisor in order to assist in preventing crime, in accordance with statutory licensing objectives and the Licensing Authority's overarching duties, under section 17 of the Crime and Disorder Act 1998, to have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

There is a right of appeal to the West Hampshire Magistrates' Court against the Sub-Committee's decision. All parties will receive written notification of the decision with reasons and that notification will set out the right of appeal in full.

The Sub-Committee is satisfied that it is in the public interest that the report, appendix 2 (premises licence), appendix 3 (notice of summary review), appendix 4 (the decision of the Sub-Committee on interim steps, 1 October 2015) and this decision may now be published, but that appendix 1 (Police application for summary review, certificate and representations) together with the written submissions on behalf of the premises licence holders and appendix 5 (representations) should remain confidential.

		Telephone enquiry received from [REDACTED] on behalf of Vikram AMIN'S wife, Jaimini.				
		The enquiry was with regards to police thoughts on Jaimini applying for a premises licence as her husband has now been sentenced and received a custodial sentence. It was explained that Mrs Amini would be running the business solely for the immediate future, but plans were for Vikram to have no involvement / attendance at the store on his release, anticipating that Vikram would be able to gain full-time employment elsewhere.				
		I explained that police would remain concerned about crime occurring at the premises with any potential that Vikram would remain involved with the business, so Mrs Amin would need to answer this point and consider steps to allay concerns in any application / discussion.				
	Log entry:	[REDACTED] stated that he would advise Mrs Amin of these concerns, allowing her time to think about when would be a good time to apply for a premises licence.				
		On further research on RMS, it seems that reports were still being received to police regarding suspected unlawful activity, with Vikram AMIN remaining involved in the business throughout the investigation.				
		No mention is made on the outcome regarding personal licence forfeiture. Email sent to issuing authority Croydon Council.

Southampton City Council,
Licensing Authority,

12th September 2018

Dear Sirs,

Representation re application for a premises licence at SNA News, 11 Manor Farm Road, Southampton.

I am writing on behalf of the Licensing Authority, as a Responsible Authority, to make a representation on the premises licence application for the above premises in support of the police representation.

I have read through the application and the police representation.

The Statement of Licensing Policy adopted in January 2016 that has a vision statement as follows:

To create an environment that attracts a diverse range of well managed premises, able to flourish and grow, offering a range of entertainment to satisfy the needs of the city. To ensure Southampton is a safe and pleasant city to live, work and visit.

I support the representations made by the police. There is no evidence to demonstrate the applicant has distanced herself from the previous activities that led to the review proceedings. Having an applicant so closely related to a person convicted of Drug supply offences does not fit within the vision statement as set by Southampton City Council.

Yours faithfully,

Phil Bates
