<p><i>Other Representations</i></p> <p>No public objections received.</p>	

Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.
6. The sub-committee must also have regard to:
 - *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
 - *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European

Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Hampshire Constabulary have make representation and agreed with the applicant to add the following conditions to the premises licence:

CCTV

A colour recording CCTV system that captures images from the main public areas must be fully operational whilst licensable activities are taking place.

The system shall be able to cope with all levels of illumination.

The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system.

The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).

The images produced shall be date and time stamped.

A notice shall be displayed at the entrance to the premise advising that CCTV is in operation. An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the front of the premises.

It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made that at all times a person is in attendance who is nominated by the data controller who has access to the secure area who is able to operate the equipment

Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of nominated staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police responsible authority for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act and GDPR.

In the event of a technical failure of the CCTV equipment, the premises licence holder or DPS shall notify the police licensing department responsible *for the area within 24 hours*.

REFUSALS BOOK

A written log shall be kept of all refusals including refusals to sell alcohol. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the venue manager/manageress.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.

The record of refusals will be retained for 12 months.

STAFF TRAINING

Before commencing their duties all new staff must receive information and training concerning the sale of age-restricted products.

This training must cover their legal responsibilities and action to be taken in the event of suspicions being aroused that someone is purchasing or attempting to purchase an item under the legal age.

All employees will sign a letter to acknowledge that they have completed this training and have understood their responsibilities on this area.

This training should be reviewed and updated at reasonable intervals but at least annually.

CHALLENGE 25

There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

All staff will be trained and be made aware of the licensing Legislations, especially in relation to the prevention of under-age alcohol sales. Staff would be required to sign a register confirming that they have undertaken training and are aware of their responsibilities.

Training will be repeated at frequent intervals, at least bi-annually. Any person found in breach of the Company alcohol policy will be subject to disciplinary proceedings. Notices will be displayed in the premises advertising the licensing legislation.

b) The prevention of crime and disorder

The business will maintain a good relationship with the local Police/PCSO and other relevant authorities and will seek advice and help from the relevant agencies as when required.

A comprehensive digital CCTV system is already in place giving storage of images for a period of not less than 21 days. Images can be provided on to removable media to authorise bodies with 48 hours notice.

c) Public safety

All staff are trained how to advise members of the public how to exit the premise in the event of a fire and the premises is equipped with fire extinguishers which staff will deploy if and when required.

d) The prevention of public nuisance

We will be a responsible licence holder and we will judge as to when alcohol should not be served in order not to allow people to get too drunk thus becoming a nuisance and affecting the life of people in the neighbourhood.

e) The protection of children from harm

If anyone attempting to purchase alcohol appears to be under 25 the on-duty manager will be called. The manager will only accept Photographic ID as proof of age (Passport, photo driving license or PASS card). If no ID is provided no sale will take place.

Subject: Re: New Premises Licence Application - Cafe Fumee, 73 High Street, Southampton, SO14 2NW

Hi Brian,

Sorry for getting back to you this late, i was away for a few days.

In regards to your proposed conditions , I'm more than happy for these to be put in place,

Regarding the CCTV, I already have a colour recording system in place. These are on 24/7. As I had a break in last year the hard drive is actually hidden away and not on display. I also check the time on the cameras regularly as its very important for me to make sure this is correct.

My Camera system does record over 30 days at a minimum of 4 frames per second.

The images produced are all dated and time stamped.

Ive already printed out a "CCTV in operation" for the front of the cafe to e displayed.

I'm usually here 7 days a week but my manager does know how to operate the system, I've previously provided the police with cctv footage. I have a sheet to show how to operate the Camera system if needed. In regards to any technical failure I have a local installation company on stand by. However I'm more than happy to notify the police licensing department

Please see the attached pictures as its shows all the cameras and the two covering the outside.

REFUSALS BOOK

In regards to the refusal log book, I've made a template on excel for this and I've also got a printed copy. This will be checked once a week and signed by the anger or myself.

STAFF TRAINING

Staff training will be provided to all members of staff. Ive got a booklet and check list for this. Once the training is completed all members of staff will sign the sheet that they have completed the training programme.

CHALLENGE 25

I've downloaded a challenge 25 poster which will be displayed in the premise. All training will be provided in regards to regarding ID checks,

I hope this helps, if you do have any further questions or anything you need me to amend to put inn place please let me know

Many thanks

Subject: FW: RE: New Premises Licence Application - Cafe Fumee, 73 High Street, Southampton, SO14 2NW

Dear applicant

I am in receipt of a premises licence application for Cafe Fumee, 73 High Street, Southampton, SO14 2NW. I note that this is an existing operation but you wish to increase the times of operation and include the licensable activity of the supply of alcohol.

With this comes a great deal of responsibility, especially an establishment very close to the heart of the City Centre. As such, this area of Southampton does suffer from alcohol fuelled crime and anti-social behaviour. I note that you have made mention of certain steps you intend to take to promote the licensing objectives within section "M" of the application. I would consider that these areas need to be listed as enforceable licensing conditions attached to the premises licence if the local authority are minded to grant the application.

My proposed conditions are:

CCTV

A colour recording CCTV system that captures images from the main public areas must be fully operational whilst licensable activities are taking place.

The system shall be able to cope with all levels of illumination.

The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system. The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).

The images produced shall be date and time stamped.

A notice shall be displayed at the entrance to the premises advising that CCTV is in operation.

An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the front of the premises.

It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made that at all times a person is in attendance who is nominated by the data controller who has access to the secure area who is able to operate the equipment. Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of nominated staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police responsible authority for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act and GDPR.

In the event of a technical failure of the CCTV equipment, the premises licence holder or DPS shall notify the police licensing department responsible for the area within 24 hours.

Refusals book

A written log shall be kept of all refusals including refusals to sell alcohol. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the venue manager/manageress.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.

The record of refusals will be retained for 12 months.

STAFF TRAINING

Before commencing their duties all new staff must receive information and training concerning the sale of age-restricted products.

This training must cover their legal responsibilities and action to be taken in the event of suspicions being aroused that someone is purchasing or attempting to purchase an item under the legal age.

All employees will sign a letter to acknowledge that they have completed this training and have understood their responsibilities on this area.

This training should be reviewed and updated at reasonable intervals but at least annually.

CHALLENGE 25

There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

If you can respond to my email upon this email thread to ensure the continuity and transparency of the conversation.

Dear Licensing

Licence Variation Application
S and S Coffee Ltd., trading as Café Fumee, Ground Floor Telephone House
73 High Street Southampton

Environmental Health wish to make a representation to the application for a premises licence for Café Fumee, Ground Floor Retail Unit, Telephone House, 73 High Street, Southampton.

The reason for this representation is that Environmental Health are not satisfied the application meets Licensing Objective d) The prevention of public nuisance.

The application requests sale of alcohol both on and off the premises, which in essence would allow use of the unit as a public house and off licence. This is not deemed a suitable use for the unit, which currently operates as a café, due to the very close proximity of residential properties adjacent to and above the site. It is believed that noise from customers up until 23.00 hours will potentially affect the use and enjoyment of the neighbouring properties thereby constituting a nuisance.

Odour from smoke and noise from loud voices is likely to be detrimental, and the applicant has not demonstrated how they will manage potential disturbance including use of the external area, which it is assumed would be used as a smoking area, and which is directly beneath the balconies of the residential units. Environmental Health offered a condition by email for consideration by the applicant on 22nd October 2018 thus;

'Alcohol with food

Alcohol shall not be sold or supplied on the premises otherwise than to persons taking table meals there and for consumption by such a person as an ancillary to their meal.'

No written response had been received either accepting or refusing this condition and during a telephone conversation with the applicant today the condition was verbally rejected. It is therefore considered necessary for a hearing by the sub-committee.

Yours faithfully

Elaine Jeffery

Principal Environmental Health Officer

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.

13. The Chair will then explain the procedure that will follow.

General information on the conduct of the hearing

14. Each party is entitled to:

- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
- (b) With the permission of the Chair, seek clarification on any point by any other party;
- (c) Address the Sub-Committee.

15. Members of the Sub-Committee may also seek clarification of any party or witness.

16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

(d) The Chair will invite the applicant to seek clarification on any points made by those making representations.

(e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

31.

(a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.

(b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.

(c) The parties will be invited to wait to be informed of the outcome.

(d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.

(e) If a room is available, the Committee may retire to deliberate and make its decision

(f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
