within the Housing and Planning Act 2016 and Housing Act 2004 (where amended). The statutory guidance on the use of Civil Penalties states that Local Authorities are expected to develop and document their own policy on when to prosecute and when to issue civil penalties and what the appropriate penalties are. Also separate non-statutory guidance on the use of Banning Orders states that Local Authorities are expected to develop their own policy on when to pursue banning orders. **DETAIL (Including consultation carried out)** 4. Southampton has a large private rented sector of around 25,000 properties, accounting for approximately a quarter of the housing stock in the city. 5. The council has statutory responsibilities under the Housing Act 2004 and Housing and Planning Act 2016 to undertake duties in relation to the enforcement of the private rented sector in Southampton. The Housing and Planning Act 2016 introduced new powers for local 6. authorities and updated the Housing Act 2004 in relation to certain functions 7. The Housing and Planning Act 2016 introduced Civil Penalty Notices as an alternative to prosecution for certain Housing Act 2004 offences. Financial penalty notices to the maximum value of £30,000 can be issued. Before making use of these powers Southampton City Council should determine its own level of fees and publish these within a policy. Southampton City Council's private rented enforcement policy includes detail on the scheme and the matrix used to determine the level of fines. In summary there are twelve categories of fines ranging from £25 to £30,000. The level of fine will be determined by assessing the culpability of the landlord and the harm caused by the offence to the tenant. 8. In 2018 the secretary of state established a national database of rogue landlords and property agents. The council is authorised to add any qualifying rogue landlords to the database and the policy details how this will be administered. 9. Under new powers contained in the Housing and Planning Act 2016 the council can apply to a First-tier tribunal for a banning order to prevent a landlord from operating. The policy establishes the council's policy on banning orders. 10. The policy contains guidance on the use of management orders and empty dwelling management orders following updates to the legislation relating to the use of banning orders. 11. The published policy provides guidance on all aspects of the enforcement regime and will ensure that the council operates in a consistent manner in relation to the enforcement of the private housing sector.

RESOL	JRCE IMPLICATIONS
<u>Capital</u>	/Revenue
12.	Private sector housing enforcement is a statutory function. Enforcement work is a General Fund cost contained within the Private Sector Housing budget and recoverable through penalty, work in default recovery or enforced sale.
13.	Any income generated by the use of civil penalty notices can only be used by the council to support Private Sector Housing enforcement. This is a provision under the Housing and Planning Act 2016. Work in Default or the use of the Enforced Sale procedure may recover
	reasonable costs incurred by the council. Due to the long term nature of property sales, recovery may take several years.
