BRIEF SUMMARY									
In January 2019 NHS England published its Long Term Plan detailing circa 500 commitments. All health and care systems across the country have been asked to respond to the plan detailing how they will deliver on these commitments. The Hampshire and the Isle of Wight (HIOW) Long Term Plan details the local response to the national plan.									
Iterations of the plan, summarised in the attached document, are being received at Governing Bodies and Boards across the HIOW health and care system and describe the key themes of the plan.									
RECOM	MENDAT	IONS:							
	(i) That the Panel notes and considers the priorities detailed in the plan attached as Appendix 1, and the process by which it has been developed.								
REASONS FOR REPORT RECOMMENDATIONS									
1.	To enable the Panel to discuss the priorities for the Hampshire and Isle of Wight health and care system.
