8.	The Panel are requested to consider the appended briefing papers and discuss the CQC findings and improvement plan, and the progress update on the Stage 2 Independent Investigation report with the invited representatives from Southern Health NHS Foundation Trust.				
7.	The Stage 2 report was published by NHS England and Improvement on 9 September 2021 and titled "Right First Time". This report was considered by the HOSP at its meeting on 9 December 2021 and the Panel requested an update on progress at the April 2022 meeting. The requested update has been provided and is attached as Appendix 2.				
6.	It was recommended in the Stage 1 Report that a second review should be undertaken. Its purpose was to examine the progress that the Trust had made as well as looking to recommend further improvements for the Trust to achieve the "Gold Standard" and to "Get it right first time, every time".				
5.	On 6th February 2020 the Independent Investigation Report (Mr Nigel Pascoe, QC) was published. The report concerned the tragic deaths of five people who were in the care of Southern Health NHS Foundation Trust in the period 2011-2015, and the Trust's response to the families of those who died.				
4.	Attached as Appendix 1 is a briefing paper from the NHS Trust providing the Panel with an overview of the key findings from the inspection, as well as the improvement plan to respond to the report's findings. The full CQC report can be accessed via the link below. <u>Southern Health NHS Foundation Trust (cqc.org.uk)</u>				
3.	On 10 <sup>th</sup> February 2022, the CQC published their comprehensive report into Southern Health NHS Foundation Trust. The Panel have not had the opportunity to consider the inspection report up to now.
