PART 1: SUMMARY AND EXPLANATION

THE COUNCIL'S CONSTITUTION

Southampton City Council's Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into 15 Articles which set out the basic rules governing the Council's business.

More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

The Constitution may be accessed on the internet at:

<http://www.southampton.gov.uk/council-democracy/meetings/council-constitution.aspx>

WHAT'S IN THE CONSTITUTION?

Article 1 of the Constitution commits the Council to:

- Leadership;
- Responsibility;
- Integrity
- Transparency;
- Efficient and effective services; and
- Participation

Articles 2 – 15 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2).
- Citizens and the Council (Article 3).
- The Council meeting (Article 4).
- Chairing the Council (Article 5).
- Overview and scrutiny of decisions (Article 6).
- The Executive (Article 7).
- Regulatory and other committees (Article 8).
- The Governance Committee (Article 9).
- Joint arrangements (Article 10).
- Officers (Article 11).

- Decision making (Article 12).
- Finance, contracts and legal matters (Article 13).
- Review and revision of the Constitution (Article 14).
- Suspension, interpretation and publication of the Constitution (Article 15).

HOW THE COUNCIL OPERATES

The Council is composed of 48 Councillors with one-third elected three years in four. Councillors are democratically accountable to residents of their ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them. Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Governance Committee monitors the training and development of Members in this respect and advises Members on the code of conduct.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall policies and set the Budget each year. The Council will elect a Leader who will appoint his/her Cabinet, and hold the Executive to account both through its own processes, and through Overview and Scrutiny. Citizens may make deputations to and ask questions of Members at Council meetings. For details of these particular matters, please contact the Service Lead: Democratic & Electoral Services (contact details at the end of this Part of the Constitution).

HOW DECISIONS ARE MADE

The Executive is the part of the Council which is responsible for most day-to-day decisions. The Executive is made up of an Elected Leader, who is elected from amongst the Councillors by all the Councillors and a cabinet of Councillors whom s/he appoints. When major decisions are to be discussed or made, these are published in the Executives' Forward Plan in so far as they can be anticipated. If these major decisions are to be discussed with Council Officers at a meeting of the Executive, this will generally be open for the public to attend except where personal or confidential matters are being discussed. The Executive has to make decisions which are in line with the Council's overall policies and Budget. If it wishes to make a decision which is outside the Budget or Policy Framework, this must be referred to the Council as a whole to decide.

OVERVIEW AND SCRUTINY

There is an Overview and Scrutiny Management Committee (parent committee) which manages the process. This then appoints ad hoc Panels (as needed), Scrutiny Commissions and Standing Overview and Scrutiny Panels which support the work of the Executive and the Council as a whole. These arrangements allow citizens to have a greater say in Council matters by holding public inquiries into matters of local concern. These lead to reports and recommendations which advise the Executive and the Council as a whole on its policies, Budget and service delivery. Overview and Scrutiny Committees also monitor the decisions of the Executive. They can 'call-in' a decision which has been made by the Executive but not yet implemented. This enables them to consider whether the decision is appropriate.

They may recommend that the Executive reconsider the decision. They will also be consulted by the Executive or the Council on forthcoming decisions and the development of the Policy Framework and Budget.

INVOLVEMENT OF CITIZENS AND COMMUNITIES

In order to give local citizens a greater say in Council affairs, the Council has supported the development of many structures, groups and organisations. In addition, the Council is committed to encouraging community involvement in every activity and in the establishment of partnerships such as Regeneration and Sure Start Boards and Neighbourhood Partnerships. The Council has a [Community Involvement Policy](#) which outlines its commitment to involving citizens in all aspects of city life and in democratic processes. In addition, the Council is committed to taking specific steps to involve socially excluded citizens and communities.

THE COUNCIL'S STAFF

The Council has people working for it (called 'Officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some Officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationships between Officers and Members of the Council.

CITIZENS' RIGHTS

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific Council services, for example as a parent of a school pupil or as a Council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- vote at local elections if they are registered;
- contact their local Councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of Executive;
- ask the Executive questions, make deputations to the Council, submit petitions and contribute to investigations by the overview and scrutiny committees;
- find out, from the Executive's Forward Plan, what major decisions are to be discussed by the Executive or decided by the Executive or Officers, and when;
- attend meetings of the Executive where Key Decisions are being discussed or decided;

- see reports and background papers, and any record of decisions made by the Council and Executive;
- complain to the Council in accordance with the Council's Corporate Complaints Process;
- complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- complain to the Council if they have evidence which they think shows that a Councillor has not followed the Council's Code of Conduct; and
- inspect the Council's accounts and make their views known to the external auditor.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Service Lead; Democratic & Electoral Services from whom the public may also obtain information as to the rights of citizens to inspect agendas and reports and attend meetings.

All written information is available, on request, in Larger Print, Braille, on audio tape and on disk, as well as in other languages. Please make your request directly to the service who produced the information or contact the Communities and Improvement Team by email at: communities@southampton.gov.uk.

Article 12 Decision Making

12.01 Responsibility for decision making

The Council will issue and keep up to date a record of what part of the Council or individual has responsibility for particular types of decisions or decisions relating to particular areas or functions. This record is set out in Part 3 of this Constitution.

12.02 Principles of decision making

All decisions of the Council will be made in accordance with the following principles:

- ◆ proportionality (i.e. the action must be proportionate to the desired outcome);
- ◆ due consultation and the taking of professional advice from officers;
- ◆ respect for human rights;
- ◆ a presumption in favour of openness, accountability and transparency;
- ◆ setting out what options have been considered
- ◆ setting out reasons for the decision; and
- ◆ clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- ◆ understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- ◆ take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- ◆ leave out of account irrelevant considerations;
- ◆ act for a proper purpose, exercising its powers for the public good;
- ◆ not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- ◆ comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
- ◆ act with procedural propriety in accordance with the rules of fairness.

To be lawful, a decision:

- ◆ if taken in full Council, Cabinet, Committee or sub-committee must comply with the principle of being reached by a majority of Councillors present and voting at a properly constituted meeting;
- ◆ be one which the decision-maker is empowered or obliged to take, otherwise it is ultra vires;
- ◆ not offend against *Wednesbury* reasonableness;
- ◆ if intended to secure action (as opposed, for example, to a resolution merely expressing the Council's collective view on an issue), be capable of execution

or will be of no effect; and

- ◆ not purport to undo what has already been done irrevocably (but it can rescind an earlier decision where this is feasible).

There can be no substitute for appropriate advice on a matter by matter basis. This Guidance cannot and does not purport to be comprehensive or replace that professional advice.

Note: “*Wednesbury* reasonableness”. This relates to the actions of a local authority or other public body in exercising its discretion, and relates to whether the body has acted irrationally (rather than ultra vires). The definition was given by Lord Greene in the *Wednesbury Case* (1948):

'When an executive discretion is entrusted by Parliament to a body such as the local authority in this case, what appears to be an exercise of that discretion can only be challenged in the courts in a limited class of case ... When discretion of this kind is granted, the law recognises certain principles upon which that discretion must be exercised, but within the four corners of those principles the discretion, in my opinion, is an absolute one and cannot be questioned in any court of law ... If, in the statute conferring the discretion, there is to be found expressly or by implication matters which the authority exercising the discretion ought to have regard to, then in exercising the discretion it must have regard to those matters. Conversely, if the nature of the subject matter and the general interpretation of the Act makes it clear that certain matters would not be germane to the matter in question, the authority must disregard those irrelevant collateral matters. There have been in the cases expressions used relating to the sort of thing that authorities must not do ... bad faith, dishonesty - those of course stand by themselves ... Discretion must be exercised reasonably. He must call his own attention to the matters which he is bound to consider, and exclude from his consideration matters which are irrelevant to what he has to consider. If he does not obey those rules, he must truly be said, and often is said, to be acting unreasonably.'

12.03 Types of decision

a. Decisions reserved to full Council

Decisions relating to the functions listed in [Article 4.02](#) will be made by the Full Council and not delegated.

b. Key decisions

In this Constitution, a “Key Decision” shall mean an Executive decision which is likely:

- i. to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the City Council’s budget for the service or function to which the decision relates;
- ii. to be significant in policy or strategic terms as regards its effects on communities living or working in an area comprising two or more wards or electoral divisions in the City; or
- iii. to have a particularly significant impact on any community as experiencing social exclusion or discrimination, whether that community is defined by geography or interest and even if that community is only located in one ward or electoral division in the area of the local authority.

Notes

1. *In relation to paragraph (i) above, the term “significant” shall be construed as meaning £500,000 (except that this does not apply to (i) care packages where the value of the care package exceeds £500,000. For the purposes of this paragraph, the term “care package” is defined as a package of personal care, support or education purchased as a consequence of an assessment of a child’s needs within the Children Act 1989, Children (Leaving Care) Act 2000 and the Education Act 1981 and the relevant guidance is contained in the Special Education Needs Revised Code of Practice. The decision to provide the care package is for the duration of the individual’s childhood, up to the age of 18 years, 19 years or 21 years according to the relevant legislation or guidance (ii) proposals and decisions under the Property Acquisition Strategy of whatever value).*
 2. *In relation to paragraph (ii) above, the Council will, unless it is impracticable to do so, treat as if they were Key any decisions which are likely to have a significant impact on communities in one ward or electoral division. Where a decision is only likely to have a significant impact on a very small number of people in one ward or electoral division, the decision-maker should ensure that those people are nevertheless informed of the forthcoming decision in sufficient time for them to exercise their right to see the relevant papers and make an input into the decision-making process.*
 3. *In considering whether a decision is likely to be significant, a decision-maker will also need to consider the strategic nature of the decision and whether the outcome will have an impact, for better or worse, on the amenity of the community or quality of service provided by the authority to a significant number or people living or working the locality affected. Regard should again be given to the underlying principles of open, transparent and accountable decision-making of this Constitution to ensure that there is a presumption towards openness.*
 4. *In interpreting after the event whether or not a decision should or should not have been classified as a Key Decision, the following will be taken into account:*
 - a. *the issue must be assessed on the basis of the information which could reasonably have been available to the decision-maker at the time;*
 - b. *the “de minimus” rule will be applied;*
 - c. *the level and nature of advice sought by the decision-maker. The Monitoring Officer and Chief Financial Officer will have significant roles to play in this.*
- c. A decision-taker may only make a Key Decision in accordance with the requirement of the [Executive Procedure Rules](#) set out in Part 4 of this Constitution.
- d. No treasury management decisions, as defined by the Service Director: Finance & Commercialisation, shall be deemed to be Key Decisions.

Note: “De minimus” means that (in this context) this rule does not apply to trifling, minor or insignificant variations, departures or breaches.

12.08 Decision making by Council bodies acting as tribunals

The Council, a Councillor or an officer acting as a tribunal or in a quasi judicial manner or determining/considering (other than for the purposes of giving advice) the civil rights and obligations or the criminal responsibility of any person will follow a proper procedure which accords with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights.

- e. **Changes that are predominantly managerial in their nature:** the Service Director: Legal & Governance has the authority to amend the Constitution in relation to matters that are predominantly managerial in their nature where there is agreement from the other two statutory officers, namely the Chief Executive (Head of Paid Service) and Service Director: Finance & Commercialisation and where the matter has been subject to consultation with the appropriate Members (normally the relevant Cabinet Member and opposition spokespersons). 1.2 The Hierarchy of Decision-Making

- 1.3 If a function is delegated to the appropriate Chief Officer, the Chief Executive may nominate a substitute Chief Officer where this would, in the Chief Executive's opinion, be appropriate.

- 1.4 If a decision falls within the remit of a Cabinet Member described in [Section 4](#) of this Part of the Constitution that Member may take the decision. If responsibility overlaps Cabinet Member remits, the decision must be referred to the Cabinet.
- 1.5 All references to “Chief Officer” means the Chief or Statutory Officer having primary responsibility for that function and area described in Article 11 of this Constitution. Such Officer will have all necessary power and authority to implement any such decision in relation to the functions on behalf of the decision-making body.
- 1.6 Limitations on and Parameters of Delegations
- a. The exercise of a delegated power, duty or function shall be subject to:
 - i. the City Council's Policy Framework and Budget; and
 - ii. the City Council's Constitution (including, but not limited to any Special Procedure and/or Protocol, the Council Procedure Rules, Financial Regulations, etc) and any Corporate Standards;
 - b. All delegated functions shall be deemed to be exercised on behalf of and/or in the name of the Council.
 - c. An officer to whom a power, duty or function is delegated may authorise another officer to exercise that power, duty or function, subject to the requirements that follow. Such authorisations shall be in writing and shall only be given to an officer over which the officer with the original delegated power etc. has control. Such authorisations should only be given where there is significant administrative convenience in doing so. The officer authorised by the other should act in the name of the officer who received the original delegation. No authorisation may be given if the statute or law prohibits it. Authorisations of this kind should not be considered to be norm but used only in appropriate circumstances and after careful thought. There can be no additional such delegation.
 - d. References to any enactment, regulation, order or byelaw shall be construed as including any re-enactment or re-making of the same, whether or not with amendments.
 - e. Any reference to any Act of Parliament includes reference to regulations, subordinate and EU legislation upon which either UK legislation is based, or from which powers, duties and functions of the Council are derived.
 - f. Where the exercise of powers is subject to prior consultation with another Cabinet Member or officer, that Cabinet Member or officer may give his or her views in general terms in advance to apply to any particular circumstances, to remove the need for consultation for each proposal.
 - g. Subject to any express instructions to the contrary from the delegating body, any power to approve also includes the power to refuse, and the power to impose appropriate conditions.
 - h. All delegations are subject to:
 - i. the right of the delegating body to decide any matter in a particular case;
 - ii. the delegatee may in any case in lieu of exercising his/her delegated power refer to the delegating body for a decision; and
 - iii. any restrictions, conditions or directions of the delegating body.
 - i. In exercising delegated powers, the delegatee shall:

- i. take account of the requirements of the Constitution, Corporate Standards and Special Procedures and shall address all legal, financial and other professional safeguards as if the matter were not delegated;
 - ii. shall exercise the delegation so as to promote the efficient, effective and economic running of the Council, and in furtherance of the Council's visions and values; and
 - iii. shall, where and when appropriate, report back to the appropriate delegating body as to the exercise of those delegated powers.
- j. Except where otherwise expressly provided either within this part of the Constitution or by resolution of the delegating body, the exercise of any delegated power, duty or function is subject to having the appropriate and necessary budgetary provision in place to take the action in the name of and/or on behalf of the Council.
- k. Any post specifically referred to shall be deemed to include any successor post, or a post which includes within the job description, elements relevant to any particular delegation, which were also present in the earlier post and shall include anyone acting up or seconded.
- l. Any reference to a Committee, Panel or Sub-Committee shall be deemed to include reference to a successor Committee or Sub-Committee provided that the subject matter of a particular delegation can be found within the terms of reference of both the earlier and the successor Committee or Sub-Committee.
- m. Where a power or duty is delegated, and the exercise of that power or duty is contingent upon the opinion of the Council that particular conditions or factual circumstances exist, then the delegatee in question has the power to determine whether or not those circumstances exist or those conditions have been fulfilled in the name of and with the authority of the Council.
- n. If a matter is delegated, but that delegation cannot be implemented, that should be reported to the delegating body.
- o. Functions, matters, powers, authorisations, delegations, duties and responsibilities, etc within this Scheme shall be construed in a broad and inclusive fashion and shall include the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of anything specified.
- p. Non-executive functions are specified in Schedules 1 and 2 of the Local Authorities (Functions and Responsibilities) (England) Regulations, 2000 (as amended). Any function that is not therefore specified must be assumed to be executive. Any mis-categorisation of a delegation as being Executive, non-Executive or other shall not invalidate a delegation.
- q. Advice on procedures and matters to be taken into account in exercising delegated powers is provided set out in the Guidance for Officers issued by the Service Director: Legal & Governance.

2.4 **Budget Meeting**

The Budget Meeting, which shall commence at 2:00 pm, shall transact such business as:

The Mayor shall avoid any debate or discussion that could be construed as attempting to change or vary a previous decision and shall not allow any debate or discussion to transgress the statutory rule that only business specified in the Council Summons may be disposed of at a Council meeting. Information provided under this Rule shall not be minuted.
- 3.5 Where in relation to any meeting of the Council the next such meeting is a meeting called under Paragraph 3 (extraordinary meetings) of Schedule 12 to the 1972 Act, the next following meeting of the Council (being a meeting called otherwise than under that Paragraph of the 1972 Act) shall be treated as a suitable meeting for the purposes of Paragraphs 41(1) and (2) (signing of minutes) of that Schedule.

The summons will give the date, time and place of each meeting and specify the business to be transacted, and will be accompanied by such reports as are available.

In the event of a motion being put to the meeting under this Council Procedure Rule, it will be necessary for two thirds of the members present and voting at the meeting to support a proposal that the meeting should carry on for the meeting to proceed beyond 6:30 pm.

10. **PETITIONS, DEPUTATIONS AND QUESTIONS BY THE PUBLIC**

Where timescales do not allow a debate at Full Council, the matter will be referred to the first available meeting of the appropriate decision-maker or relevant committee. The length of debate shall be at the discretion of the Mayor and in accordance with the Council's procedure rules, after which a vote will be put.

10.5 **Response to Petitions**

The Council will decide how to respond to the petition and shall decide either:

In such circumstances the Mayor may, at his or her sole discretion, either permit the deputation to be heard or alternatively ask Council by vote without discussion to determine whether it wishes the deputation to be heard. All requests shall be referred to the Mayor for consideration. The Mayor shall have the discretion to reject or refuse any request, or may determine that such a request should be redirected to the Executive, a committee or sub-committee of the Council or, by agreement, a third party (eg a partner). - c. A deputation may comprise between one and three persons all of whom may address the Council. The deputation shall not exceed seven minutes in duration, such time to include any time taken by the deputation to read any petition or other document.

If in the view of the Mayor the deputation is duplicatory or overlaps with other deputation(s) to be considered at the same meeting, the Mayor may move that the deputations be consolidated and the time limit for the deputation varied accordingly.

- d. Subject to this Council Procedure Rule, the Service Director: Legal & Governance shall deal with requests for deputations in accordance with the following:

- i. **Where the issue is the subject of a recommendation or notice of motion to the next meeting of the Council**

The request shall be placed on the agenda for that Council meeting and the Council shall be asked whether it is willing to receive the deputation.

When a deputation has been received by the Council, there shall be no discussion on the points raised and the matter shall stand deferred until the relevant recommendation or notice of motion is presented to the Council.

- ii. **Where the issue is the subject of a previous deputation or resolution of the Council within the previous six months and is not covered by (a) above**

- iii. **Where the issue is not before the Council and has not been resolved upon in the previous six months**

The request shall be placed on the agenda for that Council meeting and the Council shall be asked if it is willing to receive the deputation.

When a deputation has been received by the Council, the Mayor shall refer the matter to the Leader or appropriate Cabinet Member for a response. In the absolute discretion of the Mayor, Members may thereafter be permitted to comment or ask questions in relation to the Leader or Cabinet Member's response. Where the Mayor permits such questions or responses to be raised, the Mayor shall allow the Leader or appropriate Cabinet Member a right of reply at the end of the debate on the deputation.

- a. Openness: the right of the public to gain access to meetings and documents;
- b. Transparency: the provision of information so that the public know who is responsible for making a particular decision, when and where, and have an explanation or justification for a decision;
- c. Accountability: the public can measure the actions taken against policies and plans on which those responsible were elected to office.

3. RIGHTS TO ATTEND MEETINGS

Members of the public may attend all meetings subject only to the exceptions in these rules.

4. NOTICES OF MEETING

The Council will give at least five clear days’ notice of any meeting by posting details of the meeting at the designated office and publishing on its website.

5. RIGHTS TO PAPERS

The Council will make copies of the agenda and reports open to the public available for inspection at the designated office at least five clear days before the meeting. If an item is added to the agenda later, the revised agenda (where reports are prepared after the agenda has been sent out, the designated officer shall make each such report available to the public as soon as the report is completed and sent to Councillors) will be open to inspection for the time the item was added to the agenda.

6. SUPPLY OF COPIES

The Council will supply copies of:

- a. any agenda and reports which are open to public inspection;
- b. any further statements or particulars necessary to indicate the nature of the items in the agenda; and
- c. if the Service Director: Legal & Governance thinks fit, copies of any other documents supplied to Councillors in connection with an item to any person on payment of a charge for postage and any other costs.

7. ACCESS TO PAPERS AFTER THE MEETING

The Council will make available copies of the following for six years after a meeting:

- a. the minutes of the meeting or records of decisions taken, together with reasons, for all meetings of the Executive , excluding any part of the minutes of proceedings when the meeting was not open to the public or which disclose exempt or confidential information;
- b. a summary of any proceedings not open to the public where the minutes open to inspection would not provide a reasonably fair and coherent record;
- c. the agenda for the meeting; and
- d. reports relating to items when the meeting was open to the public.

8. BACKGROUND PAPERS

8.1 List of background papers

The officer with responsibility for the report (usually the report author) will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in his/her opinion:

- a. disclose any facts or matters on which the report or an important part of the report is based; and

8.2 Public inspection of background papers

9. SUMMARY OF PUBLIC'S RIGHTS

A written summary of the public's rights to attend meetings and to inspect and copy documents will be kept at and available to the public at the Civic Centre – from the Service Director: Legal & Governance.

10. EXCLUSION OF ACCESS BY THE PUBLIC TO MEETINGS

10.1 Confidential information – requirement to exclude public

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.

10.2 Exempt information – discretion to exclude public

The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed. Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.3 Meaning of confidential information

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

10.4 Meaning of exempt information

Exempt information means information falling within the following seven categories (subject to any condition):

CATEGORY		CONDITION
1.	Information relating to any individual.	This means any individual person and relates back to the Data Protection Act 1998 (DPA).
2.	Information which is likely to reveal the identity of an individual.	This again relates back to DPA.
3.	Information relating to the financial or business affairs of any particular person (including the Authority holding that information).	Includes information relating to the Authority's own financial or business affairs. It does not include information which is required to be registered under the Companies Act 1985, the Friendly Society Acts 1974 and 1992, the Industrial and Provident Societies Acts 1965-1978, the Building Societies Act 1986 or the Charities Act 1993 as such information will be in the public domain in any event. The "financial affairs or business affairs" include past, present and contemplated activities.
4.	Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the Authority or a Minister of the Crown and employees of, or office holders under, the Authority.	"Employee" means a person employed under a contract of service with the Council and would not therefore include a consultant or a temporary member of staff employed through an agency or a company. Information about such a person, however, may well be covered under the exemptions in paragraphs 1, 2 and 3 but it will depend on the individual matter.
		"Labour relations matter" means matters which may be the subject of a trade dispute within the meaning of Section 218(1) of the Trade Union and Labour Relations (Consolidation) Act 1992 or any dispute about such a trade dispute. This is therefore fairly narrow and does not appear to include normal staff negotiations which are not part of a dispute.

CATEGORY		CONDITION
5.	Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.	
6.	Information which reveals that the Authority proposes – (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person, or (b) to make an order or direction under any enactment.	
7.	Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime	
7(A)	Information which is subject to any obligation of confidentiality	
7(B)	Information which relates in any way to matters concerning national security	
7(C)	The deliberations of a Standards Committee or of a sub committee of the Standards Committee established under the provisions of Part 3 of the Local Government Act 2000 in reaching any finding on a matter referred under the provisions of Section 60(2) or (3), 64(2), 70(4) or (5) or 71(2) of that Act	

Information is **not exempt** if it relates to proposed development for which the Local Planning Authority may grant itself planning permission pursuant to Regulation 3 of the Town and Country Planning (General) Regulations 1992.

10.5 Public Interest Test

Paragraphs 1-7 of the exceptions (Rule 10.4) are subject to the public interest test. In determining whether this information should remain exempt, the report writer and the decision-maker will have to decide whether the public interest in maintaining the exemption outweighs the public interest in disclosing the information. All report writers will, therefore, give consideration to this and explain why they consider the public interest test is best served by the information remaining exempt. The final officer determination as to disclosure will be made by the Proper Officer for Freedom of Information decisions (the Service Director: Legal & Governance) who is also the Proper Officer for decision-making. This determination, together with reasons, will appear in the report and the agenda as well in relation to that item.

10.6 Governance Committee

All the exemptions may apply to the Governance Committee (and any sub-committees of that) although 7(A), (B) and (C) are specifically applicable to Governance sub-committees when determining complaints alleging breaches of the Members' Code of Conduct.

10.7 Executives

The Local Authorities (Executive Arrangements) (Access to Information) (Amendment) (England) Regulations 2006 taken cumulatively with previous regulations and primary legislation provide that exempt information does not need to be made available for all Members unless it comes within paragraph 3 and 6 of the table set out in rule 10.4. However, in relation to information under paragraph 3 of the table in rule 10.4, this can remain exempt if the information relates to any terms proposed or to be proposed by or to the Authority in the course of negotiations for a contract.

11. **EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS**

If the Service Director: Legal & Governance thinks fit, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.

12. **APPLICATION OF RULES TO THE EXECUTIVE**

Rules 13 – 24 apply to the Executive and its committees. If the Executive or its committees meet to take a Key Decision then it must also comply with Rules 1 – 11 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. A Key Decision is as defined in Article 13.03 of this Constitution. If the Executive or its committees meet to discuss a Key Decision to be taken collectively, with an officer other than a political assistant present, within 28 days of the date according to the Forward Plan by which it is to be decided, then it must also comply with Rules 1 – 11 unless Rule 15 (general exception) or Rule 16 (special urgency) apply. This requirement does not include briefings, whose sole purpose is for Officers to brief Members.

13. **PROCEDURE BEFORE TAKING KEY DECISIONS**

Subject to Rule 10 (general exception) and Rule 11 (special urgency), a Key Decision may not be taken unless:

- a. a notice (called here a Forward Plan) has been published in connection with the matter in question;
- b. at least twenty eight (8) Clear days have elapsed since the publication of the Forward Plan in which the decision was first included; and
- c. where the decision is to be taken at a meeting of the Executive or its committees, notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

14. THE FORWARD PLAN

14.1 Period of Forward Plan

Forward Plans will be prepared by the Leader to cover a period of four months, beginning with the first day of any month. They will be prepared on a monthly basis and published 28 clear days prior to any regularly scheduled meeting of the Executive.

14.2 Contents of Forward Plan

The Forward Plan will contain matters which the Leader has reason to believe will be subject of a Key Decision to be taken by the Executive, a committee of the Executive, individual members of the Executive, Officers, or under joint arrangements in the course of the discharge of an Executive function during the period covered by the plan. It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- a. the matter in respect of which a decision is to be made;
- b. where the decision taker is an individual, his/her name and title, if any and where the decision taker is a body, its name and details of membership;
- c. the date on which, or the period within which, the decision will be taken;
- d. the identity of the principal groups whom the decision taker proposes to consult before taking the decision;
- e. the means by which any such consultation is proposed to be undertaken;
- f. the steps any person might take who wishes to make representations to the Executive or decision taker about the matter in respect of which the decision is to be made, and the date by which those steps must be taken; and
- g. a list of the documents submitted to the decision taker for consideration in relation to the matter.

The Forward Plan must be produced and disseminated at least 28 days before the start of the period covered.

15. GENERAL EXCEPTION

If a matter which is likely to be a Key Decision has not been included in the Forward Plan, then subject to Rule 11 (special urgency), the decision may still be taken if:

- a. the decision must be taken by such a date that it is impracticable to defer the decision until 28 clear days notice has been given on the Forward Plan;
- b. the Service Director: Legal & Governance has informed the chair of the Overview and Scrutiny Management Committee, or if there is no such person, the Mayor or in his/her absence the Sherriff, by notice, of the matter to which the decision is to be made;
- c. the Service Director: Legal & Governance has made copies of that notice available to the public at the offices of the Council; and
- d. at least 5 (five) clear days have elapsed since the Service Director: Legal & Governance complied with (b) and (c).

Where such a decision is taken collectively, it must be taken in public subject to the provisions of Rule 10 and Rule 19.

16. SPECIAL URGENCY

If by virtue of the date by which a decision must be taken Rule 10 (general exception) cannot be followed, then the decision can only be taken if the Service Director: Legal & Governance, on behalf of the decision taker, obtains the agreement of the Chair of the Overview and Scrutiny Management Committee that the taking of the decision cannot be reasonably deferred. If the Chair is unable to act, then the agreement of the Mayor, or in his/her absence, the Sheriff will suffice.

17. REPORT TO COUNCIL

17.1 Overview and Scrutiny Management Committee can require a report

- a. if the committee thinks that a Key Decision has been taken which was not:
 - i. included in the Forward Plan; or
 - ii. the subject of the general exception procedure; or
 - iii. the subject of an agreement under Rule 11;

the committee may require the Executive to submit a report to the Council within such reasonable time as the committee specifies. The power to require a report rests with the committee, but is also delegated to the Service Director: Legal & Governance, who shall require such a report on behalf of the committee when so requested by the Chair or any five Members; or

- b. the requirement may be raised by resolution passed at a meeting of the Overview and Scrutiny Management Committee.

17.2 Executive's report to Council

The Executive will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the committee, then the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a Key Decision the reasons for that opinion.

17.3 Quarterly reports on special urgency decisions

In any event the Leader will submit quarterly reports to the Council on the Executive decisions taken in the circumstances set out in Rule 11 (special urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

18. RECORD OF DECISIONS

After any meeting of the Executive or any of its committees, whether held in public or private, the Service Director: Legal & Governance or, where no officer was present, the person presiding at the meeting, will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

19. PROCEDURES PRIOR TO PRIVATE MEETINGS OF THE EXECUTIVE

- 19.1 A private meeting of the Executive shall include any meeting or part of a meeting at which members of the public are to be excluded in accordance with Rule 10.
- 19.2 At least 28 clear days prior to any private meeting of the Executive, the Service Director: Legal & Governance shall publish Notice of the Executive's intention to hold all or part of the meeting in private, together with a statement of reasons for the meeting to be held in private.
- 19.3 At least five clear days prior to any private meeting of the Executive, the Service Director: Legal & Governance shall publish a further Notice on the agenda for the meeting and the Council's website confirming the Executive's intention to hold all or part of the meeting in private, a statement of the reasons for privacy and details of any representations received by the Council as to why the meeting should be held in public and the Executive's response to those representations.
- 19.4 Where the date by which a meeting must be held makes compliance with Rules 19.2 and 19.3 impracticable, the meeting may still be held in private where:
- a. the Service Director: Legal & Governance has obtained the agreement of the Chairman of the relevant Overview and Scrutiny Committee; or
 - b. if there is no such person or such a person is unable to act, the agreement of the Mayor; or
 - c. if the Mayor is unable to act, the agreement of the Sheriff.

20. NOTICE OF PRIVATE MEETING OF THE EXECUTIVE

Members of the Executive or its committees will be entitled to receive five clear days notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

21. ATTENDANCE AT PRIVATE MEETINGS OF THE EXECUTIVE

- a. All Members of the Executive will be served notice of all private meetings of committees of the Executive, whether or not they are Members of that committee.
- b. All Members of the Executive are entitled to attend a private meeting of any committee of the Executive.
- c. Members other than Executive Members will not be entitled to attend private meetings of the Executive, and its committees.
- d. The Head of the Paid Service, the Chief Financial Officer and the Monitoring Officer, and their nominees are entitled to attend any meeting of the Executive and its committees. The Executive may not meet unless the Service Director: Legal & Governance has been given reasonable notice that a meeting is to take place.
- e. A private Executive meeting may only take place in the presence of the Service Director: Legal & Governance or his/her nominee with responsibility for recording and publicising the decisions

22. DECISIONS BY INDIVIDUAL MEMBERS OF THE EXECUTIVE

22.1 Reports intended to be taken into account

Where an individual Member of the Executive receives a report which s/he intends to take into account in making any Key Decision, then s/he will not make the decision until at least five clear days after receipt of that report.

The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual members of the Executive. This does not require the disclosure of exempt or confidential information or advice from a political assistant.

Budget and Policy Framework Procedure Rules

1. The framework for Executive decisions

The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Executive to implement it.

2. Process for developing the framework

A. The process by which the Policy Framework shall be developed is:

- a. The Overview and Scrutiny Management Committee will receive reports from the Executive, and will conduct such research and consultation with stakeholders and investigations as it considers necessary to enable it to develop proposals for the relevant parts of the Policy Framework as fall within its Terms of Reference for the forthcoming year.
- b. The Executive will publicise when the decision is first included in the Forward Plan (which shall be available on the Council's web page) a timetable for making proposals to the Council for the adoption of any plan or strategy that forms part of the Budget and Policy Framework, and its arrangements for consultation. The Chair of Overview and Scrutiny Management Committee will also be notified.
- c. By a date designated by the Executive in accordance with paragraph 2A(b) of these Rules, where a plan or strategy that forms part of the Policy Framework needs to be adopted, the Executive will publish an Issues Paper for the plan or strategy, having first canvassed the views of local stakeholders as appropriate and in a manner suitable to the matter under consideration. Details of the Executive's consultation process shall be included in relation to each of these matters in the Forward Plan and made available on the Council's web page. Any representations made to the Executive shall be taken into account in formulating the Issues Paper, and shall be reflected in any report dealing with them. If the matter is one where Overview and Scrutiny Management Committee has carried out a review of policy, then the outcome of that review will be reported to the Executive and considered in the preparation of the Issues Paper.
- d. The designated date referred to in paragraph 2A(c) of these Rules shall be three (3) months unless the Executive considers that there are special factors that make this timescale inappropriate. If it does, it shall state the reasons in publicising the Forward Plan in accordance with paragraph 2A(b) of these Rules and shall inform Overview and Scrutiny Management Committee of the time for response when the Issues Paper is referred to it.
- e. The Executive's Issues Paper shall be referred to Overview and Scrutiny Management Committee for further advice and consideration by sending a copy to the Scrutiny Manager who will convene a meeting of Overview and Scrutiny Management Committee. Overview and Scrutiny Management Committee shall canvas the views of local stakeholders if it considers it appropriate in accordance with the matter under consideration, and having particular regard not to duplicate any consultation carried out by the Executive. Overview and Scrutiny Management Committee shall report to the Executive on the outcome of its deliberations. Overview and Scrutiny Management Committee shall have six weeks to comment upon the Issues Paper unless the Executive considers that there are special factors

that make this timescale inappropriate. If it does, it will inform the Overview and Scrutiny Management Committee of the time for response when the Issues Paper is referred to it.

- f. Having considered the report of the Overview and Scrutiny Management Committees, the Executive will finalise its proposals before submitting them to the Council for consideration. It will also report to Council on how it has taken into account any comments or recommendations from the Overview and Scrutiny Management Committee.
- g. The Council will consider the proposals of the Executive and may adopt them, amend them, refer them back to the Executive for further consideration, or substitute its own proposals in their place. This includes any plan or strategy, submitted by the Executive, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval – whether in the form of a draft or otherwise – where any plan or strategy is required to be so submitted. In considering the matter, the Council shall have before it the Executive's proposals and any report from any Overview and Scrutiny Management Committee.
- h. The Council's decision will be publicised in accordance with Article 4 and a copy shall be given to the Leader. The Notice of Decision shall be dated and shall state either that the decision shall be effective immediately (if the Council accepts the Executive's proposals without amendment) or (if the Executive's proposals are not accepted without amendment), that the Council's decision will become effective on the expiry of five clear days after the publication of the notice of decision, unless the Leader objects to it in that period. The Leader may, in writing, waive that right thus giving immediate effect to the decision. If the Council resolves to refer the matter back to the Executive for the further consideration, that decision shall take effect immediately.
- i. If the Leader objects to the decision of the Council, s/he shall give written notice to the Service Director: Legal & Governance to that effect prior to the date upon which the decision is to be effective. The written notification must state the reasons for the objection. Where such notification is received, the Service Director: Legal & Governance shall convene a further meeting of the Council to reconsider its decision and the decision shall not be effective pending that meeting. Where the Council has referred the matter back to the Executive for further consideration, the Service Director: Legal & Governance shall convene a further meeting of the Council to reconsider the matter following the Executive's further considerations.
- j. The Council meeting must take place within 10 clear days of either the receipt of the Leader's written objection or within 15 clear days of the date of the meeting where the Council has referred the matter back to the Executive for further consideration. At that Council meeting, the decision of the Council shall be reconsidered in the light of the objection or further considerations by the Executive, which shall be available in writing for the Council.
- k. The Council shall at that meeting make its final decision on the matter on the basis of a simple majority. The decision shall be made public in accordance with Article 4, and shall be implemented immediately.
- l. In approving the Policy Framework, the Council will also specify the degree of in-year changes to the Policy Framework which may be undertaken by the Executive, in accordance with paragraphs 5 and 6 of these Rules (viement and in-year adjustments). Any other changes to the Policy Framework are reserved to the Council.

B. The process by which the Budget shall be developed:

For the purposes of the Constitution, the Budget shall be defined as meaning the process whereby in any financial year, the Executive submits to the Full Council for its consideration in relation to the following financial year -

- i. estimates of the amounts to be aggregated in making a calculation (whether originally or by way of substitute) in accordance with any of sections 32 to 37 or 43 to 49, of the Local Government Finance Act 1992;
- ii. estimates of other amounts to be used for the purposes of such a calculation;
- iii. estimates of such a calculation; or
- iv. amounts required to be stated in a precept under Chapter IV of Part I of the Local Government Finance Act 1992,
 - a. Overview and Scrutiny Management Committees will receive regular updates on performance (including financial matters) for their Portfolio. Any Scrutiny Panel may conduct such research and consultation with stakeholders if they wish to enable them to develop opinions and form comments for the relevant parts of the Budget as fall within their Terms of Reference for the forthcoming year and to communicate these to the Executive.
 - b. The Executive will publish in advance a timetable for the Budget. The chair of Overview and Scrutiny Management Committee will also be notified.
 - c. The Executive's timetable will be subject to variation dependent upon the timing of the Local Government Finance Settlement and the information available. This will be advised upon by the Service Director: Strategic Finance & Commercialisation. Each Cabinet Member will, during the course of any meetings with Overview and Scrutiny Management Committee update on the progress and the possible changes and pressures within their areas of responsibility. The Executive shall publish the Executive's Major Budgetary Proposals in accordance with the timetable referred to in paragraph (b) above. The Executive's Major Budgetary Proposals shall form the basis of any consultation process or exercise, shall be disseminated to the Group Leaders and may be updated from time to time by the Executive as further information becomes available.
 - d. Issues Papers which shall inform the process upon which the draft Corporate Improvement Plan shall be based shall be referred, in accordance with the timetable referred to above, to Overview and Scrutiny Management Committee for consideration and comment.  - he/she changes political group or resigns their group membership; or
 - Full Council resolves otherwise.

The firebreak period may only be waived by Full Council where those three limited circumstances do not apply. As a safeguard, Council Procedure Rule 13.1 (a) will apply to a motion before Full Council to do so.

For the avoidance of doubt “substantial support” shall be deemed to mean the provision of advice and assistance to the Executive or an Executive Member in relation to the whole range of portfolio functions. A Member who provides advice and assistance in relation to an Executive or single portfolio issue at any given time shall not be deemed to be providing substantial support for the purpose of this section but must have regard to paragraph 3.1.8 regarding “Conflicts of Interest”.

- 3.4.3 The Scrutiny Panels are sub-committees of OSM Committee, appointed under Section 102(1) of the 1972 Act and Section 21(6) of the 2000 Act. Section 15 of the Local Government and Housing Act 1989 (duty to allocate seats to political groups) shall apply to all Scrutiny Bodies. OSM Committee shall appoint their membership (both Councillors and non-councillors) in accordance with the requirements of that Act, although full Council may unanimously dis-apply the proportionality rules.
- 3.4.4 OSM Committee may appoint the Chair(s) and Vice-Chair(s) of the Scrutiny Panels following consultation with the group leaders and to reflect (as far as possible) the political proportionality of the Council. If it does not do so, then each Scrutiny Panel may appoint its own chair. OSM Committee may also (but does not have to) appoint and fill any vacancy that occurs in a Panel’s membership from time to time; if it does not do so, then the Scrutiny Panels may themselves fill a vacancy. These powers apply irrespective of whether the person or vacancy involved is a Councillor, and whether the vacancy arises in relation to membership or the Chair- or Vice-Chairship.
- 3.4.5 Any Member who is appointed to a Scrutiny Committee or Panel who has provided support, advice or assistance to the Executive or member of the Executive in relation to a particular Executive or Portfolio issue, must declare a conflict of interest and withdraw from the Scrutiny of that particular issue.

3.5 Church and Parent Representatives

- 3.5.1 OSM Committee and its Panels can include people who are not Councillors, although, with the exception of the Church and Parent Representatives sitting on Overview and Scrutiny Management Committee or Panels dealing wholly or partly with the Council's education functions, they are barred from voting by Section 21(10) of the 2000 Act.
- 3.5.2 Under Regulations and the 2000 Act, the Church and Parent Representatives should also normally be invited to sit on Panels involving educational matters. They are eligible to chair OSM Committee and its Panels. Where a Panel chaired by a Church or Parent Representative deals with other (non-LEA) functions, a Councillor must take over the Chair when non-education matters are being discussed so as to allow the Chair a casting vote if necessary.
- 3.5.3 the Church and Parent Representatives have the same rights of access to information, as well as duties to declare interests and so on. Such representatives also have special individual powers of Call-In as detailed at paragraph 12.5.3.

4. GENERAL ROLE OF SCRUTINY PANELS

- 4.1 The Scrutiny Panels will undertake the reviews, inquiries and hearings necessary for the discharge of the statutory overview and scrutiny function –
- within each Panel's approved terms of reference;
 - in accordance with the approved Scrutiny Programme; and
 - in accordance with any rules or protocols approved by OSM Committee, any rules or protocols issued by the Service Director: Legal & Governance and any statutory guidance issued by the Secretary of State.

5. PARTICULAR ROLE OF SCRUTINY PANELS

- 5.1 All Scrutiny Panels may, in undertaking inquiries, perform the following tasks:
- 5.1.1 **Policy development and review:**
- assist the Council and the Executive in the development of its Budget and Policy Framework by in-depth analysis of policy issues;
 - conduct research, community and other consultation in the analysis of policy issues and possible options;
 - consider and implement mechanisms to encourage and enhance community participation in the development of policy options;
 - question Members of the Executive and/or committees and senior officers about issues and proposals affecting the area;
 - liaise with partners and other external organisations operating in the area, whether national, regional or local, to ensure that the interests of local people are enhanced by collaborative working;
 - engage in effective and regular consultation and communication with the Executive and other members of the local authority during the development of plans and strategies which need the agreement of partner organisations;
 - be involved in the consideration of any topic of wider concern;

- review and scrutinise decisions made by and performance of the Executive and/or committees and Chief Officer both in relation to individual decisions and over time;
- review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
- question Members of the Executive and/or committees and Chief Officers about their decisions and performance, whether generally in comparison with service plans and targets over a period of time, or in relation to particular decisions, initiatives or projects;
- make recommendations to the Executive and/or appropriate committee and/or Council arising from the outcome of the scrutiny process;
- review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Body and local people about their activities and performance;
- question and gather evidence from any person who is not an Executive Member or Officer;
- receive reports from internal and external auditors where considered appropriate by the Monitoring Officer or Chief Financial Officer;
- make recommendations to the Executive and/or appropriate committee and/or Council arising from the outcome of the inquiry process.

6. RULES FOR THE OVERVIEW AND SCRUTINY FUNCTION AND INDIVIDUAL INQUIRIES ETC

Scrutiny Panels will conduct their proceedings in accordance with “The Overview and Scrutiny Procedure Rules and Handbook” approved by OSM Committee from time to time.

7. EXECUTIVE’S RESPONSE TO REVIEWS AND INQUIRIES

- 7.1 Within two months after the date that OSM Committee considers a Panel’s final report, the Executive shall consider that report and will submit its response to its findings as soon as possible thereafter (but not later than two months or such other time period indicated by Cabinet after consultation with the Chair and Vice-Chair of the Panel where it is unreasonable to comply with the two month requirement) to either that Committee or to full Council. This requirement may be waived by OSM Committee and shall not apply to the Call-In of a decision.

8. RIGHTS OF SCRUTINY MEMBERS TO HAVE MATTERS PUT ON THE AGENDA OF OVERVIEW AND SCRUTINY MANAGEMENT COMMITTEE

- 8.1 In accordance with Part 1A Section 9FC of the 2000 Act, every Scrutiny Member has the right to ensure that any matter which is relevant to the functions of the Scrutiny Body of which he/she is a member is included in the agenda for a meeting of Overview and Scrutiny Management Committee if a request is made in accordance with the procedure set out in the Council Procedure Rules paragraphs 26.5 and 26.6 (urgent requests) subject to paragraph 128 below.

- 8.2 A Scrutiny Member may not make a request under this paragraph in relation to –
- 8.2.1 a Scrutiny Body of which he or she is not a member; or
 - 8.2.2 the Call-In of a relevant decision made but not implemented, which shall be exclusively governed by the procedures set out in paragraph 128 below or any matter concerning or connected with the Call-In Procedure.
- 8.3 The Scrutiny Member shall deposit their request in writing with the Service Director: Legal & Governance by satisfactorily completing the Scrutiny Request Form and stating which Scrutiny Body the matter is to be considered at.
- 8.4 Where the Scrutiny Request Form is deposited at least twelve clear days before the date of the next scheduled meeting of Overview and Scrutiny Management Committee, an item and copy of the Form shall be included on the agenda dispatched for that meeting.
- 8.5 Where the Scrutiny Request Form is deposited less than twelve clear days before the date of the next scheduled meeting of Overview and Scrutiny Management Committee, an item and copy of the form shall be included on the agenda dispatched for the first meeting following the next scheduled meeting after the form was deposited.
- 8.6 Overview and Scrutiny Management Committee shall discuss the request at the meeting at which the matter is included on the agenda.

9. RIGHTS OF MEMBERS TO HAVE MATTERS PUT ON THE AGENDA

- 9.1 All Members shall have all rights as given to them by the law in respect of enabling any Member of the authority to refer, where lawfully required, obliged or empowered, a matter to the Overview and Scrutiny function of the Council. In particular (but without prejudice to any other rights) these rights to refer such matters shall include those rights contained within Part 1A Section 9 Local Government Act 2000 (as amended).
- 9.2 Full Council (by resolution), the Executive, the Monitoring Officer, the Chief Financial Officer and the Head of Paid Service or any five ordinary members of the Council having signed a resolution to that effect, have the right to request that any matter is included on the agenda for consideration at a meeting of the relevant Scrutiny Body. Such request shall be passed to the OSM Committee for it to consider at its next meeting. If the OSM Committee decides that its inclusion on the agenda is not appropriate then a report will be brought to the next Full Council Meeting for adjudication.

10. POWERS TO REQUEST AND REQUIRE ATTENDANCE AT MEETINGS

- 10.1 It is expected that a preliminary request for the attendance of an Executive Member and/or any officer before a Scrutiny Body is to be treated with good faith by all parties and an appearance is to be made unless there exists good reason. However, in the event of non-attendance every Scrutiny Body may by resolution require the attendance of an Executive Member and/or any officer before it in order to answer questions. It shall be the duty of those persons to comply with a request made in accordance with this paragraph. The Request for Attendance Notice shall be in writing, signed by the Chair and shall state the date, time and venue of the meeting the person is to attend, and give general details of the matters about which they are to be questioned. The Notice shall be served on the person to whom it is addressed

and copied to the Service Director: Legal & Governance. Until such as resolution is passed and a Notice is served there is no duty on the person concerned to attend. Failure to attend in breach of a Notice shall be a breach of standards and may be reported to the Governance Committee where an Executive Member or to the Chief Executive, where an officer.

- 10.2 Every Scrutiny Body may by resolution require any Executive Member or Officer attending before it to answer any questions put to them by members of that body. But no-one shall be obliged to answer any question which he/she would be entitled to refuse to answer in or for the purposes of proceedings in a court in England and Wales. Failure to answer a question without good reason may be a breach of the Council's Code of Conduct or the Council's Disciplinary Rules and Procedures and shall be reported to the Service Director: Legal & Governance and Chief Executive.
- 10.3 Every Scrutiny Body may request (but not require) the attendance before it of persons who are not Executive Members or officers to answer questions.

11. INVOLVEMENT OF SCRUTINY BODY CHAIRS IN THE TAKING OF KEY DECISIONS

11.1 Under the following regulations of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 references are made to "the chairman of every relevant overview and scrutiny committee" for particular purposes. This paragraph 11.1 sets out how those regulations operate in the context of the Council's Executive Arrangements involving overview and scrutiny. Such a reference in

- Regulation 5(6) (Procedures Prior to Private Meetings) and
- Regulation 10(1)(a) (General Exceptions)

is to be deemed to refer to the chair of OSM Committee within whose terms of reference the Key Decision in question falls.

11.2 The supply of a copy of the report mentioned in those regulations to the chair of OSM Committee (or if he or she is unable to act, the supply to the vice-chair) shall be deemed to comply with the Regulations.

11.3 Under Regulation 11 (Cases of Special Urgency) the agreement of certain people is required to allow a Key Decision to be taken in urgent circumstances. This paragraph 11.3 sets out who those people are in order of precedence. For the purposes of sub-paragraphs (a) to (c) of regulation 11 the agreement of the following is required to enable a Key Decision to be taken where compliance with regulation 10 is impractical –

- the Chair of Overview and Scrutiny Management Committee ; or
- if they are unable to act or none at the time is appointed, the Mayor; or
- the Sheriff if the Mayor is unable to act or none at the time is appointed.

11.4 For the avoidance of doubt only the persons mentioned above can give a valid agreement and only provided that the order of precedence is adhered to.

12. PROCEDURE FOR CALL-IN OF RELEVANT DECISIONS

- 12.1 The powers of referral and reconsideration under Part 1A Section 9(F) of the 2000 Act shall be governed by the procedures set out in this paragraph 12.
- 12.2 The Call-In Procedure shall only apply to Relevant Decisions that have been made but not implemented at the date of deposit of the Call-In Notice referred to below.
- 12.3 The Call-In Procedure shall not apply to –
- 12.3.1 a Relevant Decision where the Chair of Overview and Scrutiny Management Committee (or other person in accordance with paragraph 11.3 above) has agreed that the particular matter is urgent and the taking of the decision cannot be reasonably deferred; or
 - 12.3.2 a Relevant Decision where the same or substantially the same decision has already been called-in under this procedure. In the event of any dispute, the OSM Committee remains the final arbitrator; or
 - 12.3.3 any hearing or allegation of misconduct being considered by the Standards and Governance Committee; or
 - 12.3.4 decisions of the Cabinet to recommend a proposal vis-à-vis the Policy Framework or Budget
 - 12.3.5 decisions made by specialist committees where an appeals procedure already exists, ie decisions made in respect of Development Control, Licensing, consents and other permissions where an appeals procedure already exists.

Relevant Committee for Call-In

- 12.4 For the avoidance of doubt a Relevant Decision that is called-in may only be referred to Overview and Scrutiny Management Committee.
- 12.5 In accordance with section 9(f)) of the 2000 Act the following (and only the following) people may invoke the Call-In Procedure (“Requisitioners”) –
- 12.5.1 The Chair of Overview and Scrutiny Management Committee, acting singly; or
 - 12.5.2 Any two members of Overview and Scrutiny Management Committee, acting together; or
 - 12.5.3 Any two of the Church and/or Parent Scrutiny Members, acting together, but only in respect of the Council's functions as a local education authority.

Deposit of Call-In Notice

- 12.6 A Requisitioner may only invoke the Call-In Procedure by depositing a Call-In Notice with the ~~Democratic Services Manager~~Scrutiny Manager within five clear days after the date of publication of the decision.
- 12.7 The ~~Democratic Services Manager~~Scrutiny Manager will consider Notices received and will, on satisfaction of the criteria in paragraph 12.5 and having regard to guidelines agreed by OSM Committee from time to time included in the Overview and Scrutiny Handbook, exercise the Call-In of the decision.

Date of Call-In meeting

12.8 A Called-In decision shall be referred to a meeting of Overview and Scrutiny Management Committee. Where the Call-In Notice has been validly deposited–

12.8.1 Where not more than 10 clear days would elapse between the date the Call-In Notice was deposited and the date of the next scheduled meeting of Overview and Scrutiny Management Committee , then that (next) scheduled meeting will consider the matter;

12.8.2 Where more than 10 clear days would elapse between the date the Call-In Notice was deposited and the next scheduled Overview and Scrutiny Management Committee meeting, then the Chair shall call a special meeting of Overview and Scrutiny Management Committee under Council Procedure Rule 24 to be held not later than 10 clear days after the date of deposit of the Call-In Notice to consider it.

12.9 When a Called-In Decision is referred to Overview and Scrutiny Management Committee the ~~Democratic Services Manager~~ Scrutiny Manager shall arrange for a Call-In Report to be included on or added to the agenda for the meeting. The Call-In Report will be in such format as he or she directs from time to time. It shall however include:

- A copy of the relevant report published for the Decision Making Meeting at which the called-in decision was made;
- A copy of the written record of the decision taken;
- A copy of the Call-In Notice;

12.10 If the agenda for the Overview and Scrutiny Management Committee meeting has been published, the Call-In Report shall be treated by the Chair as a “late urgent item” and will added to the published agenda for the meeting and discussed by it.

12.11 When Overview and Scrutiny Management Committee or Full Council considers the Call-In Report, the relevant Decision Maker must attend the meeting, may make an oral or written statement and, may be questioned by its members. Where the Decision Maker was the whole Executive the Executive Members within whose portfolio the relevant decision falls may attend. The body considering the report may also hear from or question such other people as it thinks appropriate.

12.12 When considering a Call-In Report, Overview and Scrutiny Management Committee must resolve to do one of the following things –

12.12.1 to resolve that the Called-In Decision be reconsidered by the person who made it, with Overview and Scrutiny Management Committee giving its reasons for doing so; or

12.12.2 where it is the initial view of Overview and Scrutiny Management Committee that a decision may be a Contrary Decision, to follow the procedure laid down in paragraph 7 of the Budget and Policy Framework Procedure Rules; or,

12.12.3 to resolve to inform the Decision Maker that Overview and Scrutiny Management Committee will not ask that the called-in decision be reconsidered, giving its reasons for doing so.

12.13 Overview and Scrutiny Management Committee must take one of the three decisions set out in paragraph 12.12 above and must do so before the end of the meeting. If Overview and Scrutiny Management Committee does not do so then the Call-In Procedure in relation to that Called-In decision will come to an end and the decision may then be implemented. In addition, Overview and Scrutiny Management Committee may also make additional comments or recommendations arising from its consideration of the call-in provided there is no conflict between that and Overview and Scrutiny Management Committee's statutory requirements under the Local Government Act 2000 and its responsibilities under this Constitution.

Reconsideration of decision by Decision-Maker

12.14 Where Overview and Scrutiny Management Committee or Full Council has resolved to recommend to the Decision Maker that they reconsider their decision, they/he shall do so at that Decision Maker's next scheduled Decision Making Meeting. At that meeting the Decision Maker shall consider a copy of the Call-In Report, the advice of the Service Director: Legal & Governance / Chief Financial Officer and any resolution or reasons of Overview and Scrutiny Management Committee or Full Council when they considered the matter.

12.15 At that meeting the Decision Maker will decide –

12.15.1 to keep to their original decision; or

12.15.2 reconsider taking their decision. If so, they may, in the light of any circumstances that have changed since then, make any decision they could have made when they original considered the Key Decision in question or decide not to take a decision.

12.16 After that meeting the Decision Maker shall report to the next Overview and Scrutiny Management Committee meeting, the decision taken and the reasons for it.

12.17 Any decision taken by the Decision-Maker in respect of a Called-In Decision, shall comply with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Call-In Notice

12.18 The Call-In Procedure shall not apply to any decision unless and until a Call-in notice has been validly deposited with the ~~Democratic Services Manager~~Scrutiny Manager under paragraphs 12.6 and 12.7 above. The Call-In Notice shall be in such form as may be approved by the ~~Democratic Services Manager~~Scrutiny Manager from time to time for that purpose. It shall however require the Requisitioner(s) to state their reasons for wishing to Call-In the decision. The ~~Democratic Services Manager~~Scrutiny Manager may reject a Notice that has not been completed satisfactorily. Where two or more persons of the same category are required to act together under paragraph 12.5, they must both sign the Call-In Notice.

Withdrawal of Call-In Notice

12.19 A deposited Call-In Notice may be withdrawn (subject to the next paragraph) at any time before Overview and Scrutiny Management Committee considers the called-in decision. Withdrawal shall be by written notice deposited with the ~~Democratic Services Manager~~Scrutiny Manager signed by all those who signed the Call-In Notice. If withdrawn the ~~Democratic Services Manager~~Scrutiny Manager and relevant Service Director shall then prepare a report on the circumstances of the withdrawal for inclusion on the agenda for the next scheduled meeting of Overview and Scrutiny Management Committee. This report shall include details of any delay or financial consequences caused by the decision to call-in the decision.

- 12.20 Once Overview and Scrutiny Management Committee decides to refer a called-in contrary decision to Full Council, the Call-In Notice may not be withdrawn under any circumstances.

Notification of Call-In to others

- 12.21 It is important to prevent a called-in decision being inadvertently implemented. As soon as possible after depositing the Call-In Notice the ~~Democratic Services Manager~~Scrutiny Manager shall supply copies of the Notice to the relevant Executive Member and Service Director. Although a failure to do so will not invalidate the Call-In of the relevant decision, a failure to take reasonable steps to supply them with copies of the Notice shall be regarded as a breach of standards and may be referred to the Standards Committee.

Prevention of implementation

- 12.22 As soon as the relevant Service Director and/or Executive Member become aware (by whatever means) that a Call-In Notice has been deposited, they shall take all reasonable steps to ensure that the called-in decision is not implemented until the matter has been finally disposed of, or the relevant Call-In Notice withdrawn.
- 12.23 During that period the Executive nor any individual Executive Member or officer may not take a decision, whether or not a key decision and whether or not included in the Forward Plan or concerning the same or a different subject, which has the effect of, or is likely to, substantially prejudicing, limiting or preventing the proper consideration of the Called-In decision by Overview and Scrutiny Management Committee or Full Council, or the proper and effective reconsideration of the called-in decision by the person who took it. The Chair of Overview and Scrutiny Management Committee may require that the ~~Democratic Services Manager~~Scrutiny Manager prepares a report for inclusion on the agenda for the next scheduled meeting of Overview and Scrutiny Management Committee, explaining the circumstances in which any such decisions, or alleged decisions, were taken. Overview and Scrutiny Management Committee may direct that this report is considered by Full Council.

Implementation of a Called-In decision

- 12.24 Neither the:

12.24.1 implementation of a Called-In decision prior to its final disposal or the withdrawal of the relevant Call-In Notice, nor

12.24.2 the taking of a decision of the type referred to in paragraph 12.20 above during that period,

shall of itself invalidate the legality of any such decision(s) or its implementation nor shall it render any resulting act, omission or other conduct by a Member, officer or other person (third party) unlawful.

- 12.25 However, a failure to take reasonable steps to prevent such a decision being taken or implemented shall be regarded as a breach of standards and may be referred to the Governance Committee, if a Member, or to the Chief Executive if an officer.
- 12.26 If a Called-In decision is implemented prior to its final disposal or the withdrawal of the Call-In Notice, then the Call-In under this procedure and its referral to Overview and Scrutiny Management Committee or Full Council (as the case may be) shall come to an end. Where this happens the procedure set out below will apply:

12.26.1 The relevant Executive Member shall as soon as possible inform Overview and Scrutiny Management Committee or full Council that the called-in decision has been implemented.

12.26.2 The ~~Democratic Services Manager~~Scrutiny Manager and relevant Service Director shall then prepare a report for inclusion on the agenda for the next scheduled meeting of Overview and Scrutiny Management Committee, explaining the circumstances in which the Called-In decision was implemented. Overview and Scrutiny Management Committee may direct that this report is considered by Full Council.

12.26.3 Overview and Scrutiny Management Committee may decide to refer the matter to the Governance Committee and/or Chief Executive.

Bar on reconsideration during Call-In

12.27 During the period before a Called-In decision has been finally disposed of, or the relevant Call-In Notice withdrawn, the Decision Maker may not reconsider the called-in decision or take another decision on the same subject matter unless the Chair of Overview and Scrutiny Management Committee gives their agreement.

Consolidation of different Call-Ins

12.28 Where it would be convenient, and following consultation with the Chair of Overview and Scrutiny Management Committee, the ~~Democratic Services Manager~~Scrutiny Manager may direct that two or more Call-ins shall be referred to a particular meeting or series of meetings of a single Standing Scrutiny Panel specified or a Standing Scrutiny Panel may consider more than one Called-In decision at the same meeting.

Half-yearly reports to Council on use of Call-In

12.29 In July and March each municipal year Full Council will consider a report from the ~~Democratic Services Manager~~Scrutiny Manager concerning the numbers, types, outcomes and general use of the Call-In Procedure since the last such report.

Abuse of Call-In Procedure

12.30 Call-In Procedures must not be abused or used unduly to delay decisions or slow down the process of decision making. In particular, the Executive will, from time to time, need to take decisions which need to be implemented quickly (paragraph 11.3) In all other instances Call-In must be in accordance with paragraph 12.

FINANCIAL PROCEDURE RULES

The Financial Procedure Rules consist of and should be interpreted as the Council's Financial Regulations.

1. STATUS OF FINANCIAL PROCEDURE RULES

- 1.1 The Council's financial procedure rules provide the framework for managing the authority's financial affairs. They apply to every Member and Officer of the authority and anyone acting on its behalf. These rules must be read in conjunction with the whole of the Constitution and any other Council Standards.
- 1.2 The rules identify the financial responsibilities of ~~the~~ Full Council, ~~the~~ Cabinet, Members and Officers. Chief Officers are defined for the purpose of these rules as the ~~Chief Executive, Directors and the Chief Financial Officer (CFO)~~ Chief Strategy Officer (CSO), Chief Operating Officer (COO), Monitoring officer, Chief Financial Officer (CFO) and Directors. All Members and Officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, properly authorised, provides value for money and achieves best value.
- 1.3 The CFO is responsible for maintaining a continuous review of the financial procedure rules and may, where he or she considers it necessary, issue revisions during the year. Where the CFO considers the revisions to be significant and material additions or changes, these will be reported to ~~the~~ Full Council for noting and/or approval. The CFO is also responsible for reporting, where appropriate, any breach of the financial procedure rules to ~~the~~ Full Council and/or ~~the~~ Cabinet. It should be noted that the CFO and S151 Officer is the Service Director for Finance and Commercialisation. Any reference to CFO within these Financial Procedure Rules should be read as referring to that officer.
- 1.4 To underpin the financial procedure rules, the CFO is responsible for issuing any relevant advice and guidance that Members, Officers and others acting on behalf of the authority are required to follow. Such advice and guidance will be reviewed, and amended as necessary, by the CFO.
- 1.5 Chief Officers are responsible for ensuring that all staff in their departments are aware of the existence and content of the authority's financial procedure rules and other internal regulatory documents and that they comply with them. An electronic copy can be found on the Council's [website](#).

A: FINANCIAL MANAGEMENT

Responsibilities of the CFO

- A.1 To ensure the proper administration of the financial affairs of the authority.
- A.2 To monitor compliance with the financial procedure rules.
- A.3 To ensure proper professional practices are adhered to and to act as head of profession in relation to the standards, performance and development of finance staff throughout the authority.
- A.4 To advise on the key strategic controls necessary to secure sound financial management.
- A.5 To ensure that financial information is available to enable accurate and timely monitoring and reporting of comparisons of national and local financial performance indicators.

Responsibilities of Chief Officers

- A.6 To promote the financial procedure rules in their departments and to monitor adherence to the standards and practices, liaising as necessary with the CFO.
- A.7 To promote sound financial practices in relation to the standards, performance and development of staff in their departments.

Financial Accountabilities in relation to the Scheme of Revenue Virement (including HRA)

Explanatory Note

The overall budget is agreed by ~~the~~ Cabinet and approved by ~~the~~ Full Council. ~~Following this approval~~ Chief Officers and budget ~~managers-holders~~ are ~~therefore~~ authorised to incur net expenditure in accordance with the estimates that make up the budget for the current financial year. The rules below cover virements, ~~or the-~~ ~~That is,~~ switching ~~of~~ resources between approved estimates, ~~or~~ heads of expenditure and income.

What is a Virement?

A virement is the:

'planned transfer of a budget for use in a different purpose to that originally intended'.

A virement does not create additional overall budget liability. It changes the purpose for which the budget will be used compared to that originally ~~intended~~planned.

Chief Officers are expected to exercise their discretion in managing their budgets responsibly and prudently. ~~For example,-~~ They should ~~aim to~~ avoid supporting recurring expenditure from virements against one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources.

Chief Officers must plan to fund such commitments from within their own budgets having regard to the overall forecast outturn for the service, ~~the Portfolio~~ and the Council Directorate. Any budget provided by ~~the~~ Full Council to meet specific pressures must be used for the identified

~~purpose. If this budget subsequently is not required this should be or identified to the CFO to enable the resource to be utilised as he/she sees fit.~~

~~Given the need for overall financial management of the Housing Revenue Account (HRA), the Head of Service for all HRA virements is the Head of Service for Housing Services and the Chief Officer is the Director of People in consultation with the CFO.~~

~~A virement should in no circumstances be used to mask an over or underspend. The reporting of over and underspends is important so that Members have a full understanding of where spending pressures and savings opportunities may arise.~~

~~Service Directors should aim to balance their service area net expenditure to the budget allocated. In some cases this will require a transfer of the budget between their service activities.~~

For the purposes of the scheme set out below, a virement occurs when a budget is transferred from one subjective heading to another (for example, from supplies and services to transport expenditure) or from one Service Activity to another. Transfers within a subjective heading within the same Service Activity are not defined as virements. Service activities that will apply for the following financial year are those which are set out in the budget approved by ~~the~~ Full Council for the coming financial year.

- A.8 All virements should be cleared in the first instance by the relevant accounting support for the Service Activity concerned. All virements must be recorded on the ~~Delegated Virement form and communicated to Financial Planning ledger system.~~
- A.9 Controls on the use of additional controllable income are required to ensure that significant additional income is not spent without any control process in place. ~~These controls would not apply to:~~
- ~~(a) — Grant income (except external funding bids).~~
 - ~~(b) — Trading income.~~
 - ~~(c) — Additional expenditure incurred to deliberately generate more income.~~
 - ~~(d) — Pooled budgets arrangements e.g. with CCG funds~~
- ~~A.10 Where a service delivers additional controllable income in excess of budget, the expectation is that the first call on such income should be on delivering a balanced Directorate budget or a surplus overall budget position.~~
- ~~A.11 Where the additional grant is the result of an external funding bid, approval is required to accept the funding as shown in the table below.~~

A.12A.10 Decisions will be made in line with the criteria set out in the table below:

Value	Virement of expenditure budgets	Virement of income budgets and acceptance of external funding bids
Any amount	Employee Budgets within a Service Activity can be approved by HEADS of SERVICE and CHIEF OFFICERS. (*)	Expenditure Budgets can be increased in line with additional grant income (except external funding bids), to deliver an increase in a support service or trading activity.

£200,000 to £500,000	Approved by CHIEF OFFICERS in consultation with CFO and Cabinet Member	Approved by CHIEF OFFICERS in consultation with CFO and Cabinet Member
Over £500,000 to £2 million	Approved by CABINET	Approved by CABINET
Over £2 million	Approved by COUNCIL	Approved by COUNCIL

~~(* However, no virements are allowed from employee expenditure budgets to non-employee expenditure budgets without approval from the CFO).~~

A.11 The CFO can allocate sums of any value to or from central funds or reserves, following the relevant consultation.

A.12 Any budget virements resulting from a restructure or a reduction in the number of FTE can only be actioned following the appropriate consultation.

A.13 The HRA contingency and revenue balance is defined as a “non-employee” budget. However, any virements from the HRA revenue balance that would reduce the level of balances below the minimum level set by the CFO in the HRA budget and business plan report can only be approved by ~~the~~ Full Council.

Financial Accountabilities in Relation to the Treatment of Year-end Balances

Responsibilities of the CFO

- A.14 To administer the scheme of carry-forward within the guidelines approved by ~~the~~ Full Council.
- A.15 To report all underspends on service estimates carried forward to ~~the~~ Full Council for approval.

Responsibilities of Chief Officers

A.16 Any overspends will be reported by the CFO to ~~the~~ Cabinet and to ~~the~~ Full Council.

~~A.16~~A.17 ~~There is no authority to overspend. Where a Chief Officer believes they may overspend they must inform the CFO, COO and CSO immediately.~~

A.17~~A.18~~ Underspends on specific estimates may be carried forward within guidelines issued by the CFO, subject to the approval of ~~the~~ Full Council.

A.19 ~~Schools' balances shall be available for carry-forward to support the expenditure of the school concerned as per the criteria in surplus policy. Schools cannot plan for a year end deficit budget when submitting budget plans at the start of the year. Schools that submit deficit plans will be required to resubmit their budget with plans to bring the budget back into balance. The authority will intervene if a school refuses to set a balanced budget by identifying the action a school could take and ultimately by suspending delegation. Schools' balances shall be available for carry forward to support the expenditure of the school concerned.~~

~~A.18~~A.20 ~~Where an unplanned deficit occurs, the governing body shall prepare a detailed financial recovery plan for consideration by the Cabinet Member concerned, following evaluation by the relevant Chief Officer and the CFO. Any unplanned deficit incurred during the year would be a first call on the following year's budget; the school would need to include the deficit in its balanced budget plan for the following year. Schools that incur unplanned deficits in successive years would be treated the same as schools submitting deficit plans and the authority would need to intervene. The school will need to work with SCC's School Finance Team (if they have purchased SCC Finance Services via an SLA) or their own finance support (if they have not bought back SCC Finance Services), together with SCC School Improvement Teams to produce a robust Deficit Recovery Plan (DRP), ensuring the spend is brought back in line with their allocated funds. Schools will normally be expected to agree a plan to recover the deficit within a defined period.~~

~~A.19~~ ~~In exceptional circumstances, schools may seek to incur expenditure to be financed by anticipating the following year's budget share. Such arrangements require the prior approval of the Cabinet. Proposals shall be accompanied by a detailed plan setting out how the arrangement is to be accommodated as the first call on the reduced budget share.~~

A.21 ~~The schools funding comes from Dedicated Schools Grant (DSG) grant. DSG consists of three blocks namely Schools Block, Early Years Block and High Needs Block. The grant is paid in support of the local authority's schools budget. Local authorities are responsible for determining the split of the grant between central expenditure and the individual schools budget (ISB) in conjunction with local schools forums. Local authorities are responsible for allocating the ISB to individual schools in accordance with the local schools' funding formula.~~

A.22 ~~Scheme for financing schools sets out the financial relationship between the City Council and the maintained schools it funds. The scheme for financing schools is required by the School Standards and Framework Act 1998 and it contains requirements relating to financial management and associated issues. The scheme is binding on both the local authority and schools.~~

~~The scheme refers to the following legislation:~~

- ~~• Section 48 of the School Standards and Framework Act 1998, and Schedule 14 to the Act~~

B: FINANCIAL PLANNING

Explanatory Note

The Council has moved to an outcomes based planning and budgeting approach to determine the best way of delivering services, and sitting alongside this it is anticipated the budgeting process will follow suit to deliver an outcomes based budget. The Council will review its current expenditure on an outcomes basis and from this baseline point will determine what the appropriate level of spend needs to be to deliver on its agreed priorities, within the financial envelope available.

The Budget

Explanatory Note

The Council is moving to an outcomes based commissioning approach to determine the best way of delivering a service, and sitting alongside this it is anticipated the budgeting process will follow suit to deliver an outcomes based budget. The Council will review its current expenditure on an outcomes basis and from this baseline point will determine what the appropriate level of spend needs to be to deliver on its agreed priorities, within the financial envelope available.

This is a very different approach than that taken previously whereby individual services identified savings proposals and presented these to senior management and Cabinet.

Format of the Budget

Responsibilities of the CFO

~~B.7A.1~~ To advise the Cabinet and opposition groups on the format and content of the budget that is to be approved by the Full Council. B.14B.15 To establish an appropriate framework of budgetary management and control that ensures:

- (a) ~~Budget management is exercised within annual cash limits~~Expenditure is within budget unless the Full Council agrees otherwise.
- (b) Each Chief Officer has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their ~~budgetary~~financial responsibilities.
- (c) Expenditure is committed only against an approved budget head and within resources available.
- (d) All managers responsible for committing expenditure comply with relevant guidance, and the financial procedure rules.
- (e) Each cost centre has a single named manager, determined by the relevant Chief Officer. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commits expenditure.
- (f) Significant variances from approved budgets are investigated and reported by budget managers regularly along with action plans for recovery.

B.12B.16 To administer the authority's scheme of revenue virement.

B.16B.21 To maintain budgetary control within their departments, in adherence to the principles in B.14~~5~~, and to ensure that all income and expenditure are properly recorded and accounted for.

B.17B.22 To ensure that an accountable budget ~~manager holder~~ is identified for each item of income and expenditure under the control of the Chief Officer (grouped together in a series of cost centres). As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.

B.18B.23 To ensure that spending remains within the service's overall ~~cash limit~~budget and that individual budget heads are not over spent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.

B.22B.27 To ensure compliance with the scheme of virement.

B.23B.28 To agree with the relevant Chief Officer and the CFO where it appears that a budget proposal, including a virement proposal, may impact materially on another service area or Chief Officer's level of service activity.

Capital Programme Management

Explanatory Note

~~The Council has a two stage approach to deciding its capital spending. An item of spending must first be included in (added to) the Councils Capital Programme, but this does not provide authority to proceed with the scheme. This is done via a separate "scheme approval" process.~~

~~Expenditure included in the Capital Programme may relate to a specific project for example, "Communal works at Ventnor Court", or may make provision for certain types or areas of spending for example, "Future communal area works". However, a "scheme approval" report must relate to a specific project and contain the information specified by the CFO (as a minimum) as set out in Appendix 2.~~

Expenditure included in the Capital Programme must show the total value of contracts and related expenses that the council will incur. Any grants or other income must be shown as a source of capital finance and not as a reduction to the gross expenditure.

Responsibilities of the CFO

~~B.24~~B.29 ~~Responsibilities of the CFO~~ To issue guidance concerning capital schemes and controls, and to determine the definition of "capital", having regard to government regulations and accounting requirements.

~~B.25~~B.30 To ensure that the Capital ~~Strategy and 5 year Programme~~ are presented to Full Council as part of the budget and at such other times as the CFO may determine. ~~The CFO will determine the period to be covered by the General Fund Capital Programme.~~ The HRA capital spending plans will be included in summarised form in the 30 year HRA business plan that will be reported to Full Council as part of the budget report and in detailed form in the Council Capital Report. ~~The CFO will determine the period that should be covered by the detailed HRA Capital Programme.~~

B.31 To report on the outturn of capital expenditure to Council as soon as practicable after the end of the financial year.

~~B.26~~B.32 To give regular updates to Cabinet on the forecast expenditure.

Responsibilities of the Council Capital Board

~~B.27~~B.33 To oversee and coordinate the preparation, review and implementation of the Council's Capital Strategy and Asset Management Plan. The Capital Strategy and the Asset Management Plan must be approved by Council and reviewed annually.

~~B.28~~B.34 To lead the strategic direction of capital investment for the Council. The Council Capital Board will operate on a commissioning basis. This will enable funding to be better aligned with other partners and funding sources and ensure a city wide approach is taken.

~~B.29~~B.35 The full terms of reference for the Council Capital Board are attached at Appendix 1. In summary the Council Capital Board will be responsible for:

- (a) Managing un-ringfenced and corporate resources and reviewing all bids for resources, evaluating them and then agreeing on the prioritisation of resources accordingly.

Formatted: Font: Italic, Underline

Formatted: Underline

- (b) Reviewing the use of any ringfenced resources to ensure alignment with other spending plans and the maximisation of benefits to the Council and achievement of Council ~~outcomes~~ objectives.
- (c) Recommending the use of both un-ringfenced and ringfenced resources and also the general prioritisation of resources so that Cabinet/Council can make a final well informed decision on the utilisation of resources.
- (d) Prior to the annual review of the capital strategy undertaking a review of the individual projects.

~~B.30~~B.36 Making all capital investment decisions with reference to Council ~~objectives~~ ~~outcomes~~ and regional strategies. Only after a positive contribution to one or more of the objectives has been demonstrated, is a project to be considered for resource allocation. Due regard should be given to:

- (c) Developer contributions towards capital expenditure, under Community Infrastructure Levy or any similar arrangements;
- (d) Internal resources available from capital receipts, non-supported borrowing and revenue contributions to capital;
- (e) Resources allocated to services including resources in the major programme blocks (Education, Housing, Transport & Other Services);
- (f) Unallocated resources held in reserve.

Responsibilities of Chief Officers

~~B.31~~ ~~To establish Directorate or Portfolio Capital Boards to monitor the implementation and delivery of the individual projects, reporting exceptions to the Council Capital Board as relevant.~~

~~B.32~~B.37 To act as owners and sponsors of individual capital schemes and hold the ultimate responsibility and accountability for their delivery ~~within budget.~~

~~B.33~~ ~~To identify one officer or post to lead the overall management of the Directorate's Capital Programme. The role will include reporting monthly to the Directorate Management Team on the progress of the capital programme and identify and implement corrective measures that may be required.~~

~~B.34~~B.38 ~~To present annually the Capital Programme, in conjunction with the annual revenue budget process, to Full Council for approval and at such other times as the CFO may determine.~~ The Programme shall be recommended for approval by Full Council following consideration by the Council Capital Board. This will include projected available resources, the allocation of resource to schemes, prudent retention of resources to meet unforeseen short-term demands, variances in projected available resources and medium term future needs.

~~B.35~~B.39 When additions are made to an existing scheme in the capital programme, the required approval should be based on the costs of the entire project.

~~B.36B.40~~ Schemes already added to the capital programme may spend up to £50,000 or ten per cent of the scheme budget, whichever is the lesser, with the approval of the relevant Chief Officer following consultation with the relevant Cabinet Member and CFO in advance of approval to spend on the scheme for the purpose of scheme design and costing etc; providing funding has been identified. Feasibility work is ~~generally~~ a charge to revenue carried out prior to a scheme being added to the programme ~~and any such work can only be capitalised if it is directly attributable to an asset being built, acquired or enhanced.~~

~~B.37B.41~~ Decisions will be made in line with the criteria set out ~~in the table below and may include:~~

- ~~(a) Additions to the council approved programme which are not funded by external resources;~~
- ~~(b) Virements between schemes detailed in the approved programme;~~
- ~~(c) Rephasing of expenditure between financial years and~~
- ~~(d) Removal/Cessation of schemes detailed in the approved programme.~~

Following consideration and recommendation by the consultation with CCB and the COO, the CFO, in consultation with the COO, can approve virements of any value within a programme.

***The approval limits do not apply in respect of acquisitions and disposals in relation to the Property Investment Fund, authority being delegated to the Head of Capital Assets, following

consultation with the Leader of the Council and the Service Director; Strategic finance and Commercialisation.

Variation to the HRA Business Plan

Explanatory Note

The HRA now has a 30 year business plan that will be approved each year by the Full Council as part of the budget. The business plan covers capital and revenue spending and income and forms part of the Policy Framework.

The revenue virement rules deal with in-year changes but by definition, they do not cover situations where there are financial implications beyond one year.

The capital virement rules cover the movement of funds between schemes. The rephasing of spending within a capital scheme is not regarded as a virement but care must be taken to ensure that the cumulative effect of such changes does not increase the overall spending in any one year such that additional prudential borrowing is needed over the levels agreed by the Full Council, (in which case a report would need to be presented to Council to approve the additional borrowing).

It is however possible for matters to arise in-year that would have an impact on the 30 year business plan. In these circumstances the following amendment limits apply:

B.38— A Chief Officer following consultation with the relevant Cabinet Member and the CFO can approve a change in the annual business plan surplus of up to £200,000 in any one year providing the change is in line with policies and strategies already agreed by the Full Council. This is subject to the 30 year impact on the cumulative surplus not exceeding £2.5M or 5 per cent of the cumulative surplus, whichever is the lower, and the level of balances in any one year not being reduced below the minimum level set by the CFO.

B.39— A Chief Officer in consultation with the relevant Cabinet Member and the CFO can approve a change in the annual business plan surplus of between £200,000 and £500,000 in any one year providing the change is in line with policies and strategies already agreed by the Full Council. This is subject to the 30 year impact on the cumulative surplus not exceeding £5.0M or 7.5 per cent of the cumulative surplus, whichever is the lower, and the level of balances in any one year not being reduced below the minimum level set by the CFO.

B.40— Approval from the Cabinet is required for any change in the annual business plan surplus of between £500,000 and £2,000,000 in any one year providing the change is in line with policies and strategies already agreed by the Full Council. This is subject to the 30 year impact on the cumulative surplus not exceeding £10.0M or 10 per cent of the cumulative surplus, whichever is the lower.

B.41— Approval from the Full Council is required for any change in the annual business plan surplus in excess of £2,000,000 in any one year or any change the cumulative business plan surplus in excess of £10.0M or 10 per cent of the cumulative surplus, or any change which is not in line with the policies and strategies already agreed by the Full Council.

APPENDIX 2 – GUIDANCE ON SCHEME APPROVAL REPORTS

All capital investment will be commissioned by the Council Capital Board. This will enable any expenditure and its funding to be better aligned with the Council and City priorities as well as that of other partners and funding sources. These partners, from both the public and private sector will be at both a regional level and also at a district level.

Once initial strategic capital requirements have been identified and prioritised, full business cases will be commissioned for the highest priority projects.

The Council is currently reviewing its programme management arrangements including a review of the documentation being utilised. It is anticipated that project management documentation will be adapted to ensure it can be utilised for capital projects and for review by the Council Capital Board.

For proposals initially commissioned by the Council Capital Board the following approvals process will be put in place:

- a) Outline Business Case (OBC) which will focus on options appraisal and quantifiable outcomes.
- b) Full Business Case (FBC) – the final investment decision. This will focus on the how the priorities set out in the OBC will be delivered, including:
 - I. Project description - This should provide sufficient detailed information in order to give an understanding of what the scheme involves, including the need for and urgency for the work. For example where the scheme involves a programme of works such as "improvements to" or "replacements to" give some indication of where and when the work is to take place. It is insufficient to simply restate the scheme description as contained in the capital programme.
 - II. Consultation undertaken.
 - III. Expenditure and funding including whole life costs and revenue implications. This should be based on an agreed design and specification. It should also include an allowance for fees, contingencies and inflation. A risk based assessment should be applied to the costs and an indication of the potential range of costs included where appropriate. If there is scheme specific external funding, for example third party grants or capital receipts to be generated, this must be identified and any risks to the receipt of this money made clear.
 - IV. Summary of what the scheme will provide in terms of outputs.
 - V. Any further option appraisal
 - VI. Value for Money – including whether there are any revenue implications other than capital financing costs. Where savings are generated the use of the saving must be specified and where there are extra costs there must be a clear statement of how these will be funded. Any impact on fees and charges, either varying existing charges or introducing new ones, must also be specified.
 - VII. Delivery
 - VIII. Timescales - Project start and finish dates plus any key milestones or review dates. This is particularly important where a scheme approval covers several financial years.
 - IX. Risk Management
 - X. Sustainability, Forward strategy and evaluation
 - XI. Asset Management

XII. Procurement - The proposed procurement regime to be followed where contracts are to be let, in consultation with the Senior Manager Property, Procurement and Contract Management, and the intended start and completion dates, for each management stage of the scheme.

XIII. Equality Impact Assessment

XIV. Environmental Impact Assessment

XV. Any approvals or consents that are required from Government Departments or third parties.

c) Change Requests where delegated tolerance levels will be exceeded.

For proposals that are identified by officers there will be an initial extra step in the process, which will be undertaken on an annual basis:

XVI. Concept Outline – this will cover the initial concept idea, potential costs and funding sources, links to the Council Strategy and the City Plan, how outcomes will be improved.

It should be made clear that these will be the exception and the main focus will be on projects commissioned by the Council Capital Board.

Where there is already an agreed asset management plan the Council Capital Board can choose to request elements of the above business case come forward as they see fit.

How projects will be appraised

Capital Projects will be appraised using the following criteria:

1. Does the project deliver or facilitate the delivery of a strategic priority?
2. Is it worth planning – is it value for money?
3. Can we afford to progress the project and commit funding?
4. Does the project stimulate or add to economic growth?

Business cases will be appraised by a small team of officers prior to being received by the Council Capital Board. The team should consist of a finance, legal, property, and strategy officer. The team will make recommendations to the Council Capital Board having appraised the scheme using the above criteria.

4.24.5 If the procurement is related to another procurement or is for ~~supplies~~goods, services or works which are, or may also be, procured by another division of the Council or on a recurring basis, this could affect the contract value for the purpose of these Rules (i.e. ~~that is~~ the requirements for aggregation may apply). ~~In such circumstances Officers must therefore you should obtain seek~~ guidance ~~from the~~ Procurement Services Team before commencing any procurement activity.

4.6 The value of contracts **must never** be deliberately or artificially underestimated or split to avoid the application of procedures set out in these Rules. Deliberately or artificially underestimating or disaggregating the contract value as part of any procurement procedure is a clear breach of the Rules and, where they apply, the PCR 2015 and may lead to disciplinary proceedings being instigated.

You may only attend a meeting of the overview and scrutiny committee for the purpose of answering questions or giving evidence relating to the business, and you must leave the room where the meeting is held immediately after making representations, answering questions or giving evidence.

15. Pre-determination or bias

- (1) Where you have been involved in campaigning in your political role on an issue which does not impact on your personal and/or professional life you should not be prohibited from participating in a decision in your political role as member, however do not place yourself under any financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties.
- (2) When making a decision, do consider the matter with an open mind and on the facts before the meeting at which the decision is to be taken.

16. Compliance with Constitution, Rules, Standards and Guidance

Failure to comply with the requirements of the Council's Constitution or any Rule, Protocol, Corporate Standards or Guidance issued pursuant to the Constitution shall be deemed to be a breach of this Code. Rules, Protocols, Corporate Standards and Guidance shall include (but is not limited to) the documents listed in Appendix 3.

NOLAN PRINCIPLES - THE SEVEN PRINCIPLES OF PUBLIC LIFE

Selflessness Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.

Integrity Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands it.

Honesty Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership Holders of public office should promote and support these principles by leadership and example.

Protocol on Member / Officer Relations

Introduction and Principles

- 1.1 The purpose of this Protocol is to guide Members and Officers of the Council in their relations with one another in such a way as to ensure the smooth running of the Council.
- 1.2 Given the variety and complexity of such relations, this Protocol does not seek to be either prescriptive or comprehensive. It simply offers guidance on some of the issues which most commonly arise. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other circumstances.
- 1.3 This Protocol is to a large extent a written statement of current practice and convention. It seeks to promote greater clarity and certainty. If the Protocol is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and any undue influence from Members.
- 1.4 It also seeks to reflect the principles underlying the respective Codes of Conduct which apply to Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and the Codes, therefore, demand very high standards of personal conduct.
- 1.5 This Protocol is a local extension of the Members' and Employees' Codes of Conduct. Consequently, a breach of the provisions of this Protocol may also constitute a breach of those Codes.
- 1.6 This Protocol should be read in conjunction with the Members' and Employees' Codes of Local Government Conduct, the Council's Constitution and any guidance issued by the Governance Committee and/or Monitoring Officer.

Allegations of Member or Officer Misconduct: Responses by Members or Officers as Appropriate

- 2.1 In a situation where a Member identifies that an Officer may have committed a breach of the Council's disciplinary rules and procedures, s/he shall draw the issue to the attention of the Chief Executive (Head of Paid Service) who, following consultation with the Service Director: Legal & Governance, will ensure that the appropriate action is taken.
- 2.2 In respect of an Officer who believes a Member has breached the Members' Code of Conduct, they should:
 - a. not offer any opinion or judgement upon that conduct to the Member;
 - b. they must advise the Monitoring Officer immediately of the circumstances, facts, their belief and the rationale behind it, including supplying all and any documentation; and
 - c. they should not comment further on the issue to any other Officer or Member without the prior consent of the Monitoring Officer.

These provisions are to protect both the Member and Officer, avoid Officers from becoming unduly involved in allegations of Member misconduct at an inappropriate

level and to ensure that any investigation that may need to be carried out by the Monitoring Officer or other agency, is not in any way fettered or damaged.

The Relationship: General Points

- 3.1 Both Councillors and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council's work under the direction and control of the Council, the Executive, their committees and sub-committees.
- 3.2 At the heart of the Code, and this Protocol, is the importance of mutual respect. Member / Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.
- 3.3 Inappropriate relationships can be inferred from language / style. To protect both Members and Officers, Officers should address Members as "Councillor XX / Mr or Madam Mayor / Sheriff" save where circumstances clearly indicate that a level of informality is appropriate, eg a one to one between a Service Director and their respective Cabinet Member.
- 3.4 A Member should not raise matters relating to the conduct or capability of an Officer in a manner that is incompatible with the objectives of this Protocol. This is a longstanding tradition in public service. An Officer has no means of responding to such criticisms in public. If a Member feels s/he has not been treated with proper respect, courtesy or has any concern about the conduct or capability of an Officer, and fails to resolve it through direct discussion with the Officer, s/he should raise the matter with the respective Service Director. The Service Director will then look into the facts and report back to the Member. If the Member continues to feel concern, then s/he should report the facts to the Director who heads the Directorate concerned, or if, after doing so, is still dissatisfied, should raise the issue with the Chief Executive who will look into the matter afresh. Any action taken against an Officer in respect of a complaint, will be in accordance with the provisions of the Council's Disciplinary Rules and Procedures.
- 3.5 An Officer should not raise with a Member matters relating to the conduct or capability of another Officer or to the internal management of a Section / Division / Directorate at or in a manner that is incompatible with the overall objectives of this Protocol.
- 3.6 Where an Officer feels that s/he has not been properly treated with respect and courtesy by a Member, s/he should raise the matter with his/her Service Director, Director or the Chief Executive as appropriate, especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances the Service Director, Director or Chief Executive will take appropriate action either by approaching the individual Member and/or group leader or by referring the matter to the Service Director: Legal & Governance in the context of the Governance Committee considering the complaint.

The Relationship: Officer Support to Members: General Points

- 4.1 Officers are responsible for day-to-day managerial and operational decisions within the authority and will provide support to both the Executive and all Councillors in their several areas.
- 4.2 Certain statutory officers – the Chief Executive, the Monitoring Officer and the Chief Financial Officer – have specific roles. These are addressed in the Constitution. Their roles need to be understood and respected by all Members.
- 4.3 The following key principles reflect the way in which the officer core generally relates to Members:
 - all officers are employed by, and accountable to the authority as a whole;
 - support from officers is needed for all the authority's functions including Full Council, Overview and Scrutiny, the Executive, individual Members representing their communities, etc;
 - day-to-day managerial and operational decisions should remain the responsibility of the Chief Executive and other officers;
 - the authority will seek to avoid potential conflicts of interest for officers arising from the separation of the Executive and Overview and Scrutiny role; and
 - all officers will be provided with training and development to help them support the various Member roles effectively and to understand the new structures.
- 4.4 On occasion, a decision may be reached which authorises named Officers to take action between meetings following consultation with a Member or Members. It must be recognised that it is the Officer, rather than the Member or Members, who takes the action and it is the Officer who is accountable for it.
- 4.5 It is important that all Members, in exercising their functions as a Councillor, take appropriate legal, financial and professional officer advice, particularly about contractual matters. In order to ensure the highest standards of conduct are maintained at all times in relation to this important area of the Council's functions, additional guidance on Best Practice for Member Conduct during a Procurement Exercise is laid out in Appendix D.
- 4.6 Generally, all Members – whether Executive or otherwise – should consider, when invited to / attending a meeting, whether or not minutes should be taken and/or an officer should be present. It is a matter for Members' judgement whether this is necessary / appropriate, but factors such as whether any commitment is likely to be given on behalf of the Council and/or whether any complex financial, legal or procurement issues may be discussed will be relevant in deciding that. In such situations, Members are generally recommended to have an officer present and to ensure that contemporaneous minutes are taken and, where appropriate, shared with the other parties present to ensure that an accurate record is maintained. It will, however, be a case of judgement on each and every occasion as to how and when this principle is applied.
- 4.7 Finally, it must be remembered that Officers within a Division or Directorate are accountable to their Service Director and Director and that whilst Officers should always seek to assist a Member, they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Service Director or Director.

The Relationship: Officer Support: Members and Party Groups

- 5.1 It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Council as a whole and not any political group, combination of groups or any individual Member of the Council.
- 5.2 There is now statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision making body. Officers may properly be called upon to support and contribute to such deliberations by party groups but must at all times maintain political neutrality. All Officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 5.3 The support provided by Officers can take many forms. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.
- 5.4 Certain points must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
 - 5.4.1 Officer support must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observance of this distinction will be assisted if Officers are not present at meetings or parts of meetings, when matters of party business are to be discussed;
 - 5.4.2 party group meetings, whilst they form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and
 - 5.4.3 similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant Committee or Sub-Committee when the matter in question is considered.
- 5.5 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not Members of the Council. Such persons are not bound by the National Code of Local Government Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons, Officers may not attend and/or give advice to such meetings.
- 5.6 Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group.
- 5.7 Whilst any Member may ask a relevant Service Director, Director or the Chief Executive for written factual information about a Directorate or service, such requests must be reasonable and not seek information relating, for instance, to case work of a similar nature, eg Social Services, employment, etc. Requests will be met subject to any overriding legal considerations (which will be determined by the Service Director: Legal & Governance), or if the recipient of any request considers the cost of providing the information requested or the nature of the request to be unreasonable.

If a Member requesting such information is dissatisfied by such a response, s/he should raise the matter in the first place with the relevant Director, and if still dissatisfied should raise the matter with the Chief Executive who will discuss the issue with the relevant Group Leader(s).

- 5.8 Requests for information about generic group employee matters such as divisional structures, the overall cost of service provision for a group of employees etc should be considered in the normal way as set out above. Service Directors, Directors or the Chief Executive should ensure that any information supplied does not contain any personal information (within the meaning of the Data Protection Act 1998) relating to individual employees such as salary, grade, Trade Union affiliation etc.
- 5.9 Requests for personal information about specific employees or where the group of employees is so small that individual employees personal details are likely to be revealed should only be considered where a Member has a demonstrable need for such detailed personal information in order to carry out the business of the Council and they could not carry out that business without the information being supplied in a redacted form. Any such request must be accompanied by the Members reasons for requiring the information and must be forwarded to the Head of Strategic HR for determination (following consultation with the Council's Data Protection Officer and / or Monitoring Officer as appropriate).
- 5.10 All information held by the Council, in whatever form, is confidential to the Council unless and until such confidentiality is waived by the Proper Officer and subject to the requirements of the Data Protection Act 1998. Officers and elected Members are responsible for ensuring that personal information and data is only handled and processed in accordance with the provisions of the Act and to familiarise themselves with their obligations under the Act accordingly. Officers or Members who require advice or assistance in relation to their duties under the Data Protection Act 1998 should take advice from the Service Director: Legal & Governance or the Corporate Legal Team as appropriate.
- 5.11 In relation to budget proposals:
- a. the Administration shall be entitled to confidential information / discussions with Officers regarding options and proposals. These will remain confidential until determined by the Administration or until published in advance of Committee / Council meetings, whichever is the earlier; and
 - b. the opposition groups shall also be entitled to confidential information / discussions with Officers to enable them to formulate alternative budget proposals. These will remain confidential until determined by the respective opposition groups or until published in advance of Committee / Council meetings, whichever is the earlier.
- 5.12 As part of the Budget process, Officers may be called upon to give advice on budgetary proposals, wherever they may emanate from (once political confidentiality has been lifted). This is in addition to the "normal" rights that any member has to seek advice "in confidence" from Officers. In addition, Officers may feel it appropriate to offer advice to individuals, groups or all Members. In doing so, they should be aware of the need to remain impartial. It is appropriate and indeed, in certain circumstances, necessary that as a matter of professional judgement, if a proposed course of action is imprudent, that Officers should advise the Members of the Authority that this is so. It would, however, be for the Officer to decide how and when to do so, subject to the general rules outlined in paragraph 5.10 below. This is

without prejudice to issues of legality and financial administration which are covered by specific duties placed on the Chief Financial Officer and Monitoring Officer.

- 5.13 In view of the need to ensure that the professional integrity of Officers is not impugned, deliberately or inadvertently, the following principles will be applied (although they may be departed from by the Chief Executive, Monitoring Officer or Chief Financial Officer as and when appropriate given their specific statutory duties):
- a. any advice or information provided to any Member(s) in writing will be marked 'strictly confidential, signed and dated by the responsible Officer and shall follow the guidelines set out in Appendix B;
 - b. generally, such advice / information will be provided to the Group Leaders, unless there are over-riding considerations associated with the statutory responsibilities of the Head of Paid Service / Chief Financial Officer / Monitoring Officer which would warrant the advice being shared with all Members;
 - c. Group Leaders and Members who received such advice will treat such advice as strictly confidential to the Council and will ensure that, if such advice is further shared or disseminated within their groups, their groups understand that the advice is confidential to the Council and not to be disclosed further under any circumstances.
 - d. Officers will also provide, as appropriate, briefings for either Group Leaders and/or all Members as requested by the Group Leaders and/or determined by the Chief Executive, Chief Financial Officer and/or Monitoring Officer prior to the Budget on any particular issues or matters which those Officers, as a matter of professional judgement, consider should properly be drawn to Members' attention.

The over-riding obligation will be to ensure that the integrity of the administration of public affairs is maintained. The prime responsibility of Officers in the matter of any challengeable decision arises in advising Members of the Council before decisions are reached. It is incumbent, in these circumstances, for Councillors to be fully advised on the legal and financial consequences of any proposed course of action.

- 5.14 It must not be assumed by any party group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of that policy or strategy.
- 5.15 Any particular cases of difficulty or uncertainty in this area of Officer advice to party groups should be raised with the Chief Executive who will discuss them with the relevant group leader(s).

The Relationship: Officer Support: The Executive

- 6.1 It is clearly important that there should be a close working relationship between Executive Members and the Officers who support and/or interact with them. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with other Members and other party groups.
- 6.2 Whilst Executive Members will routinely be consulted as part of the process of drawing up proposals for consideration or the agenda for a forthcoming meeting, it must be recognised that in some situations an Officer will be under a professional duty to submit a report. Similarly, a Service Director or other senior Officer will always be fully responsible for the contents of any report submitted in his/her name.

This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. This is to be distinguished from a situation where there is a value judgement to be made. Any issues arising between an Executive Member and a Service Director in this area should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

- 6.3 The Executive and its members have wide ranging leadership roles. They will:
- lead the community planning process and the search for Best Value, with input and advice from Overview and Scrutiny Committees, area committees and any other persons as appropriate;
 - lead the preparation of the local authority's policies and budget;
 - take in-year decisions on resources and priorities, together with other stakeholders and partners in the local community, to deliver and implement the budget and policies decided by the Full Council; and
 - be the focus for forming partnerships with other local public, private, voluntary and community sector organisations to address local needs.
- 6.4 Where functions which are the responsibility of the Executive are delegated to Officers or other structures outside the Executive, the Executive will nevertheless remain accountable to the Council, through Overview and Scrutiny Committees, for the discharge of those functions. That is to say, the Executive will be held to account for both its decision to delegate a function and the way that the function is being carried out.
- 6.5 Under Executive Arrangements, individual Members of the Executive will, for the first time, be allowed to formally take decisions. The Executive and Cabinet members must satisfy themselves that they are clear what exactly they can and cannot do.
- 6.6 The Council has put in place mechanisms / protocols which ensure that (as with the Council, its Committees and Sub-Committees, and the Executive and its Committees) an individual Executive Member seeks advice from relevant Officers before taking a decision within her or his delegated authority. This includes taking legal advice, financial advice and professional officer advice (particularly about contractual matters) as well as consulting the Monitoring Officer where there is doubt about vires.
- 6.7 As a result of the particular issues arising during contractual discussions, particular guidance has been provided for all Members at Appendix D to this Officer / Member Protocol. Whilst this guidance is predominantly aimed at Executive Members, who will largely be the Members directly involved in discussions with potential tenderers / contractors / sub-contractors during the course of a procurement exercise, it is not exclusively aimed at Executive Members – it is specifically aimed at all Members, and for that reason, all Members should be aware that their conduct during a procurement exercise should follow the guidance in Appendix D.
- 6.8 Decisions taking by individual Members of the Executive give rise to legal and financial obligations in the same way as decisions taken collectively. Therefore, Members of the Executive should always be aware of legal and financial liabilities (consulting the Monitoring Officer and Chief Financial Officer as appropriate) which will arise from their decisions. To ensure effective leadership for the local authority and the communities it serves, there are arrangements to ensure co-ordination of and sharing responsibility for Executive decisions including those made by individuals.

- 6.9 Officers will continue to work for and serve the local authority as a whole. Nevertheless, as the majority of functions will be the responsibility of the Executive, it is likely that in practice many Officers will be working to the Executive for most of their time. The Executive must respect the political neutrality of the Officers. Officers must ensure that, even when they are predominantly supporting the Executive, that their political neutrality is not compromised.
- 6.10 In organising support for the Executive, there is a potential for tension between Chief Officers and Cabinet Members with portfolios. All Members and Officers need to be constantly aware of the possibility of such tensions arising and both Officers and Members need to work together to avoid such tensions and conflicts existing or being perceived.

The Relationship: Officer Support: Overview and Scrutiny

- 7.1 Overview and Scrutiny is an important constituent part of effective democracy and the Council's constitutional arrangements. Officers have lead and significant role in making it effective. However, it is not Overview and Scrutiny's role to act as a Disciplinary tribunal in relation to the actions of Members or Officers. Neither is it the role of Officers to become involved in what would amount to disciplinary investigations on a Panel's behalf. This is the Chief Executive's function alone in relation to staff, the Monitoring Officer's and the Governance Committee as regards the conduct of Members. This means:
- Overview and Scrutiny's questioning should not be directed to the conduct of individuals, not in the sense of establishing the facts about what occurred in the making of decisions or implementing of Council policies, but with the implication of allocating criticism or blame;
 - in these circumstances, it is for the Chief Executive to institute a formal enquiry, and Overview and Scrutiny may ask (but not require) him to do so.
- 7.2 Overview and Scrutiny should not act as a "court of appeal" against decisions or to pursue complaints by individuals (Councillors, Officers or members of the public) as other procedures exist for this. These are internal, eg the Corporate Complaints Procedure, and external / statutory, eg Local Government Ombudsman or appeal to the Courts. That said,
- Overview and Scrutiny may investigate the manner in which decisions are made but should not pass judgements on the merits of a decision in individual cases;
 - they can comment, however, on the merits of a particular policy affecting individuals.
- 7.3 It would be unfair to invite someone to appear before a Panel without telling them in general terms what they will be asked, or not giving them adequate time to prepare. Overview and Scrutiny ought to provide written questions ("Indicative Topics") beforehand, so that the answers can form the basis of the questioning and discussion. In addition, speakers ought to be told the general line that further questioning is likely to take. Questioning should not stray outside the subject area that the Panel had previously indicated.
- 7.4 The Overview and Scrutiny Handbook contains guidelines as to the procedure at Evidence Meetings, and guidance for Members and Officers.
- 7.5 Overview and Scrutiny are, however, entitled to the following:

- a. the level and extent of questioning, and the depth to which Overview and Scrutiny Members may probe Officers is dependent upon the seniority of the Officers present – accordingly when calling Officers to give evidence, Members may wish to consider the level and nature of the Officer they wish to have before them in the light of the line of questioning they wish to follow;
- b. Officers may be asked to give a professional opinion, and Officers may be asked to give alternative options. Officers may not confine themselves solely to justifying either the position of or the advice that they gave to the Executive, although in giving options, it is to be expected that they will explain the rationale for the advice that they gave and if the advice given to the Executive reflects, in their professional opinion, the best option, to justify that;
- c. it is appropriate for Members of Overview and Scrutiny to ask Officers to explain and justify advice given to Members, whether on the Executive or otherwise, prior to decisions being taken, and to justify decisions Officers have taken under delegated powers.

7.6 Officers are expected:

- a. to maintain political impartiality at all times when commenting on the Cabinet's / Council's policies and actions;
- b. to be prepared to explain and justify advice given to Members, including members of the Executive and the Council prior to decisions being taken and to justify decisions they themselves have taken under the Scheme of Delegation;
- c. to ensure that an Officer of sufficient seniority appears before the relevant meeting in the light of the indicative topics supplied by Overview and Scrutiny in advance;
- d. where requested to provide information to Scrutiny, eg on alternative options, to provide that information in as a comprehensive and timely fashion as if the request had come from the Executive.
- e. to respond to questions from Members in an open, constructive and helpful manner;
- f. not to mislead or be economical with the truth.

Support services to Members and Party Groups

- 8.1 The only basis on which the Council can lawfully provide support services (eg, stationery, typing, printing, photo-copying, transport etc) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

Members' Access to Information and to Council Documents

- 9.1 Members have the ability to ask for information pursuant to their legal rights to information. This right extends to such information, explanation and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent. Such approaches should normally be directed to the Service Director or another senior Officer of the Division concerned. Requests for employee related information (whether group of employees or individual employees) must be treated in accordance with paragraphs 5.8 – 5.10 above. In cases of doubt, Members should approach the Service Director: Legal & Governance for assistance.

- 9.2 As regards the legal rights of Members to inspect Council documents, these are covered partly by statute and partly by the common law.
- 9.3 Members will find set out in Appendix C guidance on their rights to obtain information. The law in this area is complex, legislation including the Access to Information provisions of the Local Government Act 1972, the Data Protection Act 1998 as well as the Local Government Act 2000 have all had an impact. However, the Freedom of Information Act 2000 will have an even greater impact, and could potentially provide Members with a single route through which to obtain information in support of their work, whatever their role within the authority. The guidance note set out in Appendix C maps the hierarchy of rights of Members to information, but should be read in combination with the contents of the Constitution, most particularly the Access to Information Procedure Rules which cover the statutory obligations of the authority in terms of information and its relationship with the decision-making process.
- 9.4 In relation to business of the Executive, by virtue of Regulation 16 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012:
- i. where there is a meeting (eg Cabinet) and there is a document which is in the possession / under the control of the Executive relating to the business to be conducted at that meeting, that document shall be available for inspection at least five clear days before that meeting;
 - ii. where the decision is made at a private meeting by a Cabinet Member or is a Key Decision delegated to an Officer, the document shall be available either after the meeting closes or when the decision is made;
 - iii. there are savings for exempt and confidential material and any document that contains advice provided by a political advisor or assistant.
- 9.5 Finally, any Council information provided to a Member is deemed to be information provided in confidence, is subject to the protections afforded by the Data Protection Act 1998 and must only be used by the Member for the purpose for which it was provided, ie in connection with the proper performance of the Member's duties as a Member of the Council. Therefore, for example, early drafts of Committee reports / briefing papers are not suitable for public disclosure and should not be used other than for the purpose for which they were supplied. This point is emphasised in paragraph 2(1)(d) of the Members' Code of Conduct:

“2. General Obligations

- (1) When acting in your role as a member of the authority –
- a. ...;
 - b. ...
 - c. ...;
 - d. do not disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where—
 - i. you have the consent of a person authorised to give it;
 - ii. you are required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is-
 - (aa) reasonable and in the public interest; and

- (bb) made in good faith and in compliance with the reasonable requirements of the authority; and
- (cc) you have consulted the Monitoring Officer prior to its release.

e. ...”

Failure to observe this obligation or disclosure of confidential information may amount to a breach of the Code of Conduct. Failure to safeguard and protect the confidentiality of personal information within the meaning of the Data Protection Act 1998 may result in prosecution of the Authority and / or any individual Officer or Member by the Information Commissioner and the imposition of significant monetary penalties.

- 9.6 Any Member request for personal information or personal data about an individual employee (rather than a general group of employees as a whole) should only be supplied where there is a demonstrable need for that Member to have the information at that level of detail in order to carry out their duties as a Member of the Council. Any such requests should be referred to and considered by the Head of Strategic HR who may, if necessary, refer the request to the Monitoring Officer.
- 9.7 In cases where such information is to be released, the Head of Strategic HR will specifically remind the Member that the information is confidential, subject to the protection of the Data Protection Act 1998 and confirm the necessary measures for handling that data in order to keep it confidential and ensure that it is not further disclosed to any other person or body either within or external to the Council.

Correspondence and Advice

- 10.1 Members seeking advice from officers shall be entitled to assume that such advice is given under “Chatham House rules” in terms of disclosure to other Members, unless otherwise agreed with the officer(s) concerned.
- 10.2 Correspondence between an individual Member and an Officer should not normally be copied (by the Officer) to any other Member. In other words, a system of “silent copies” should not be employed.
- 10.3 Official letters on behalf of the Council should normally be sent in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain limited circumstances (eg, representations to a Government Minister) for a letter to appear in the name of a Cabinet Member or the Leader or the Leaders of all political groups represented on the Council by agreement, but this should be the exception rather than the norm. Letters which, for example, create legal obligations or give instructions on behalf of the Council should never be sent out in the name of a Member, Executive or otherwise.
- 10.4 Correspondence received by Democratic Services from the public with a request that it is either copied to Members and/or forwarded to Members will, subject to any overriding legal considerations, be forwarded / copied.
- 10.5 Officers responding to members queries should do so in a timely manner, and in accordance with the agreed standards for replying to letters and emails from Members. Namely:
 - a. Members will receive an acknowledgement within two working days of the date of the enquiry, to include the name and contact details of the officer dealing with the enquiry (subject to leave, etc);

- b. a response will be given as soon as possible but not later than 10 working days of the date of the enquiry. If it is not possible to give a detailed response within 10 working days, the councillor should be informed within that period of the date by which they can expect to receive the information requested and be given a reason for the delay.

Democratic Services, provides an alternative route whereby Members may make enquiries or request information from officers within the authority. Any Member may pass an enquiry to Democratic Services who will then refer it to the appropriate officer and follow it up as necessary. Members can expect to be updated as to progress by the officer responsible for replying to the request.

Publicity and Press Releases

- 11.1 Local authorities are accountable to their electorate. Accountability requires local understanding. This will be promoted by the Authority, explaining its objectives and policies to the electors and rate-payers. In recent years, all local authorities have increasingly used publicity to keep the public informed and to encourage public participation. Every Council needs to tell the public about the services it provides. Increasingly, local authorities see this task as an essential part of providing services. Good, effective publicity aimed to improve public awareness of a Council's activities is, in the words of the Government, to be welcomed.
- 11.2 Publicity is, however, a sensitive matter in any political environment because of the impact it can have. Expenditure on publicity can be significant. It is essential, therefore, to ensure that local authority decisions on publicity are properly made in accordance with clear principles of good practice. The Government has issued a Code of Recommended Practice on Local Authority Publicity. It is appended to this Officer / Member Protocol (Appendix A). The purpose of the Code is to set out such principles. The Code affects the conventions that should apply to all publicity at public expense and which traditionally have applied in both central and local government. The Code is issued under the provisions of the Local Government Act 1986 as amended by the Local Government Act 1988 which provides for the Secretary of State to issue Codes of Recommended Practice as regards the content, style, distribution and cost of local authority publicity, and such other matters as s/he thinks appropriate. That section requires that all local authorities shall have regard to the provisions of any such Code in coming to any decision on publicity.
- 11.3 Officers and Members of the Council will, therefore, in making decisions on publicity, take account of the provisions of this Code. If in doubt, Officers and/or Members should initially seek advice from the Communications Manager who will refer the matter to the Monitoring Officer, if necessary / appropriate. Particular care should be paid to any publicity used by the Council around the time of an election. Particular advice will be given on this by the Service Director: Legal & Governance as appropriate.

Involvement of Ward Councillors

- 12.1 Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the Ward or Wards affected should as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members should be notified at the outset of the exercise. More generally, Officers should consider whether other policy or briefing papers, or other topics being discussed with an Executive Member, should be discussed with relevant Ward Members. Officers should seek the views of the appropriate Executive Member(s) as to with whom and when this might be done.

Conclusion

- 13.1 Mutual understanding, openness on these sorts of sensitive issues and basic respect are the greatest safeguard of the integrity of the Council, its Members and Officers.

Officer / Member Protocol

- 14.1 This version was approved by the Council as part of the Constitution in May 2015.
- 14.2 Copies of the Protocol will be issued to all Members as part of the Constitution upon election.
- 14.3 Questions of interpretation of this Protocol will be determined by the Service Director: Legal & Governance.

Appendix A

THE CODE OF RECOMMENDED PRACTICE ON LOCAL AUTHORITY PUBLICITY

Introduction

1. This code applies to all local authorities in England specified in section 6 of the Local Government Act 1986 and to other authorities in England which have that provision applied to them by other legislation. Where the term “local authorities” is used in this code it should be taken as referring to both those categories of authority. References to “the Act” are to the Local Government Act 1986.
2. Local authorities are required by section 4(1) of the Act to have regard to the contents of this code in coming to any decision on publicity. Section 6 of the Act defines publicity as “any communication in whatever form, addressed to the public at large or a section of the public”. The code therefore applies in relation to all decisions by local authorities relating to paid advertising and leaflet campaigns, publication of free newspapers and newsheets and maintenance of websites – including the hosting of material which is created by third parties.
3. Nothing in this code overrides the prohibition by section 2 of the Act on the publication by local authorities of material which in whole or in part appears to be designed to affect public support for a political party. Paragraphs 21 to 24 offer some guidance for local authorities on the management of publicity which may contain or have links to party political material.

Principles

4. Publicity by local authorities should:-
 - be lawful
 - be cost-effective
 - be objective
 - be even-handed
 - be appropriate
 - have regard to equality and diversity
 - be issued with care during periods of heightened sensitivity

Lawfulness

5. Local authorities should ensure that publicity complies with all applicable statutory provisions. Paid-for advertising must comply with the Advertising Standards Authority’s Advertising Codes.
6. Part 3 of the Communications Act 2003 prohibits political advertising on television or radio. Local authorities must ensure that their publicity does not breach these restrictions.
7. Section 125 of the Political Parties, Elections and Referendums Act 2000 places a specific restriction on the publication by a local authority of material relating to a referendum under Part 7 of that Act, during the period of 28 days immediately before the referendum is held.
8. Regulation 5 of the Local Authorities (Conduct of Referendums) (England) Regulations 2007 (S.I. 2007/2089) prohibits local authorities from publishing material

in the 28 days immediately before a referendum which expresses support for, or opposition to a particular answer to a referendum question relating to the constitutional arrangements of the authority.

9. Regulation 15 of the Local Authorities (Referendums, Petitions and Directions) (England) Regulations 2000 (S.I. 2000/2852) prohibits local authorities from incurring expenditure to publish material which appears designed to influence people in deciding whether or not to sign a petition relating to the constitutional arrangements of the authority, or to assist others to publish such material.

Cost-effectiveness

10. In relation to all publicity, local authorities should be able to confirm that consideration has been given to the value for money that is being achieved, including taking into account any loss of potential revenue arising from the use of local authority-owned facilities to host authority publicity.
11. In some circumstances it will be difficult to quantify value for money, for example where the publicity promotes a local amenity which is free to use. In such a case authorities should be able to show that they have given thought to alternative means of promoting the amenity and satisfied themselves that the means of publicity chosen is the most appropriate.
12. If another public authority, such as central government, has issued publicity on a particular topic, local authorities should incur expenditure on issuing publicity on the same matter only if they consider that additional value is achieved by the duplication of that publicity. Additional value might be achieved if locally produced publicity gives a local context to national issues.
13. The purchase of advertising space should not be used as a method of subsidising voluntary, public or commercial organisations.
14. Local authorities should consider whether it is appropriate to seek advice from economic analysts, public relations experts or other sources of expert advice before embarking on a publicity campaign involving very large expenditure.

Objectivity

15. Local authorities should ensure that publicity relating to policies and proposals from central government is balanced and factually accurate. Such publicity may set out the local authority's views and reasons for holding those views, but should avoid anything likely to be perceived by readers as constituting a political statement, or being a commentary on contentious areas of public policy.
16. Any publicity describing the council's policies and aims should be as objective as possible, concentrating on the facts or explanation or both. Local authorities should not use public funds to mount publicity campaigns whose primary purpose is to persuade the public to hold a particular view on a question of policy. It is acceptable for local authority publicity to correct erroneous material which has been published by other parties, despite the fact that the material being corrected may have been published with the intention of influencing the public's opinions about the policies of the authority. Such publicity should seek to explain the facts in an objective manner.
17. Where paid-for advertising is used by local authorities, it should be clearly identified as being advertising. Paid-for advertising, including advertisements for the

recruitment of staff, should not be used in any publication owned or controlled by a political party.

18. Advertisements for the recruitment of staff should reflect the tradition of political impartiality of local authority employees and should not (except in the case of advertisements relating to the appointment of staff pursuant to section 9 of the Local Government and Housing Act 1989 (assistants for political groups)) refer to any political activities or affiliations of candidates.

Even-handedness

19. Where local authority publicity addresses matters of political controversy it should seek to present the different positions in relation to the issue in question in a fair manner.
20. Other than in the circumstances described in paragraph 34 of this code, it is acceptable for local authorities to publicise the work done by individual members of the authority, and to present the views of those individuals on local issues. This might be appropriate, for example, when one councillor has been the “face” of a particular campaign. If views expressed by or attributed to individual councillors do not reflect the views of the local authority itself, such publicity should make this fact clear.
21. It is acceptable for local authorities to host publicity prepared by third parties – for example an authority may host a blog authored by members of the authority or a public forum on which members of the public may leave comments. Maintenance by a local authority of a website permitting the posting of material by third parties constitutes a continuing act of publication by that local authority which must accordingly have a system for moderating and removing any unacceptable material.
22. It is generally acceptable for local authorities to host publicity, such as a blog, which itself contains links to external sites over which the local authority has no control where the content of those sites would not itself comply with this code. This does not amount to giving assistance to any person for the publication of material which local authorities are not permitted to publish. However, particular care must be taken by local authorities during the period before elections and referendums to ensure that no breach of any legal restriction takes place. It may be necessary to suspend the hosting of material produced by third parties or public forums which contain links to impermissible material during such periods.
23. It is acceptable for publicity containing material prepared by third parties and hosted by local authorities to include logos of political parties or other organisations with which the third parties are associated.
24. It is acceptable for publicity produced or hosted by local authorities to include a logo associated with a particular member of the authority, such as a directly elected mayor, or leader of the authority. Publicity material produced by local authorities relating to a particular member must not seek to affect public support for that individual.
25. Where local authorities provide assistance to third parties to issue publicity they should ensure that the principles in this code are adhered to by the recipients of that assistance.

Appropriate use of publicity

26. Local authorities should not incur any expenditure in retaining the services of lobbyists for the purpose of the publication of any material designed to influence public officials, Members of Parliament, political parties or the Government to take a particular view on any issue.
27. Local authorities should not incur expenditure on providing stands or displays at conferences of political parties for the purpose of publicity designed to influence members of political parties to take a particular view on any issue.
28. Local authorities should not publish or incur expenditure in commissioning in hard copy or on any website, newsletters, newsheets or similar communications which seek to emulate commercial newspapers in style or content. Where local authorities do commission or publish newsletters, newsheets or similar communications, they should not issue them more frequently than quarterly, apart from parish councils which should not issue them more frequently than monthly. Such communications should not include material other than information for the public about the business, services and amenities of the council or other local service providers.
29. Publicity about local authorities and the services they provide should be freely available to anyone who wishes to receive such information in a format readily accessible and understandable by the person making the request or by any particular group for which services are provided.
30. All local authority publicity should clearly and unambiguously identify itself as a product of the local authority. Printed material, including any newsletters, newsheets or similar publications published by the local authority, should do this on the front page of the publication.

Equality and diversity etc

31. Publicity by local authorities may seek to influence (in accordance with the relevant law and in a way which they consider positive) the attitudes of local people or public behaviour in relation to matters of health, safety, crime prevention, race relations, equality, diversity and community issues.
32. Local authorities should consider how any publicity they issue can contribute to the promotion of any duties applicable to them in relation to the elimination of discrimination, the advancement of equality and the fostering of good relations. Care during periods of heightened sensitivity
33. Local authorities should pay particular regard to the legislation governing publicity during the period of heightened sensitivity before elections and referendums – see paragraphs 7 to 9 of this code. It may be necessary to suspend the hosting of material produced by third parties, or to close public forums during this period to avoid breaching any legal restrictions.
34. During the period between the notice of an election and the election itself, local authorities should not publish any publicity on controversial issues or report views or proposals in such a way that identifies them with any individual members or groups of members. Publicity relating to individuals involved directly in the election should not be published by local authorities during this period unless expressly authorised by or under statute. It is permissible for local authorities to publish factual information which identifies the names, wards and parties of candidates at elections.

35. In general, local authorities should not issue any publicity which seeks to influence voters. However this general principle is subject to any statutory provision which authorises expenditure being incurred on the publication of material designed to influence the public as to whether to support or oppose a question put at a referendum. It is acceptable to publish material relating to the subject matter of a referendum, for example to correct any factual inaccuracies which have appeared in publicity produced by third parties, so long as this is even-handed and objective and does not support or oppose any of the options which are the subject of the vote.

Appendix B
Guidelines for Council-wide Briefing Notes

4. The content of any briefing notes issued on a Council-wide basis associated with / during the Budget process, should follow this guidance as to its contents:
 - a. Topic;
 - b. Provenance - who requested the note be produce (advice may be reactive or pro-active – so it may be an Officer decision that this advice was needed to be placed before Members – in which case state who made that decision;
 - c. What is the current Council policy?
 - d. What is professional officer advice – including what are the ramifications of the current Council policy and any possible / proposed changes to that?
 - e. Who is the author of the briefing note?
 - f. The note should be dated.
5. Any such Council-wide briefing notes associated with the Budget process should, if not written by the relevant Directors, be cleared with them as well as the Chief Financial Officer.
6. Before being issued, any Council-wide briefing notes associated with the Budget process should be cleared with the Chief Executive.

Members should be left in no doubt as the provenance of any Council-wide briefing notes associated with / issued during the Budget process, and should be clear what is Officer professional advice regarding the ramifications of policy options / decisions.

Appendix C
COUNCILLORS' ACCESS TO INFORMATION
– A HIERARCHY OF RIGHTS

Introduction

1. The rights of access to information by Councillors is a complex mix of legislation available to Councillors and the public alike, legislation specific to local government and “common law rights” given to Councillors by the Courts. This Guidance endeavours to provide some guidelines for Members through this “maze”. Members may also seek advice “in confidence” from the Service Director: Legal & Governance.
2. For general rights of access available to the public, please see the Access to Information Procedure Rules as set out in the Council’s Constitution.

What is the Hierarchy of Rights?

3. The law relevant to access to information by Councillors includes the following:
 - (1) **The Freedom of Information Act 2000.** This makes non-personal information freely available to all, with only limited exceptions.
 - (2) **The Data Protection Act 1998.** This relates to personal information, and generally makes this non-disclosable except in certain circumstances.
 - (3) Local Government Legislation
 - (a) **Access to Information provisions of the Local Govt Act 1972.** This gives the public access to Committee Minutes and Agenda, and to background material relevant to those documents.
 - (b)
 - (i) Other legislation (Local Government (Executive Arrangements) (Meetings and Access to Information) Regulations 2012)) ensures that Members are entitled to material relevant to public / private meetings of the Leader and Cabinet (and decision making by individual portfolio holders).
 - (ii) However, these rights do not apply to draft documents, to the advice of a political advisor or to most exempt / confidential information (unless such information is needed for the work of the Scrutiny Committee).
 - (4)
 - (c) “Common Law Rights” (derived from Court judgements) give Members the right to inspect Council documents insofar as this is reasonably necessary to enable a Member to perform his/her duties as a Councillor – this is known as the “need to know” basis.
 - (d) However, Members do not have any right to “a roving commission” through Council documents – mere curiosity is not sufficient.

Navigating the Hierarchy of Rights

Freedom of Information Act 2000

4.
 - (1)
 - (a) In broad terms, if the information being sought by a Member is non-personal, then the Freedom of Information Act 2000 allows access to most Council documentation¹

¹ Strictly speaking, if there are rights of access to information under other legislation, then the Freedom of Information Act 2000 does not apply. However, for the purposes of simplicity and to develop common access to information procedures for both Councillors and the public alike, this note assumes that Freedom of Information Act-like principles apply to Councillors as well as to members of the public. In this way, we can start with wide, general powers of access only narrow down into more specific powers when strictly necessary.

- (b) The first port of call for information under the Freedom of Information Act is the Council's Publication Scheme. This is located most conveniently on the Council's website <http://www.southampton.gov.uk/councilpartners/accesstoinfo/foi/publicationscheme/> and sets out most of the Council's published material. This information can be accessed and used without any further reference to the Council. The remainder of this note assumes that the information being sought by a Councillor is not available under the Publication Scheme.
- (2) The Freedom of Information Act would allow access to information about the construction of a new leisure facility (which is likely to be non-personal information) - but note the possible "block" to obtaining this information (see paragraphs 4(3) and (4) below) but could not be used to gain access to information about a named individual's record of housing waiting list applications – this latter is covered by the Data Protection Act 1998 (see Section 6 below).
- (3) In certain circumstances, access to documentation via the Freedom of Information Act can be "blocked", although most of the "blocks" are subject to a "public interest test". So, for example:-
 - (a) Releasing commercially sensitive information to a member of the public is not likely to be in the public interest.
 - (b) Whereas (subject to the usual rules of confidentiality), it is likely to be in the public interest to release such information to a Councillor.
- (4) Examples of blocks ("exemptions") under the Freedom of Information Act are:
 - (a) Work in progress (draft reports, for example) need not be disclosed.
 - (b) Information subject to a data-sharing protocol (eg. between all member organisations of the Crime and Disorder Partnership) should not be released until all organisations have each agreed to disclosure. This is to ensure that crime & disorder and fraud investigations are not prejudiced.
 - (c) Commercially sensitive information.
 - (d) Where, in the opinion of a designated officer (who is to be the Monitoring Officer) disclosure of information would or would likely to inhibit the free and frank provision of advice, the free and frank exchange of views for the purposes of deliberation, or would otherwise prejudice or would be likely otherwise to prejudice the effective conduct of public affairs. This exemption is also subject to the public interest test.
- (5) If the rights outlined above are not sufficient to provide a Councillor with the information he needs, then it is necessary to navigate further down this hierarchy.

Data Protection Act 1998

- 5. (1) If the information sought by a Councillor relates to an identified living individual, then the Data Protection Act applies.
- (2) There are 2 classes of Data Protection – "normal" personal information and "sensitive personal information". Sensitive personal information includes:-
 - (a) Racial or Ethnic Origin
 - (b) Religious beliefs
 - (c) Trade Union membership
 - (d) Physical or Mental health
 - (e) Actual or alleged criminal offences and criminal records

- (f) Sexual life
- (g) Political opinions.
- (3) (a) Where “normal” personal information is involved, unless additional consent has been granted by the individual concerned, information about an individual can only be used for the purposes for which that information was obtained.
- (b) Councillors have the same rights as Council employees to access personal information.²
- (c) Putting the above together, a Councillor who needs to have information about a named individual’s housing waiting list application may do so. However (unless the individual concerned has given a specific or general consent) the same information could not be used for purposes concerned with (say) Council Tax or Housing Benefits.
- (4) (a) The Council has a duty to ensure that personal information disclosed to Members using the above procedures is used strictly for the purposes for which it is disclosed and that Members will keep the information secure and confidential (and then disposed of in a similarly careful manner).
- (b) Councillors must observe the Code of Conduct and all the provisions of the Constitution. Officers will automatically assume that Councillors will treat personal information in accordance with the previous paragraph.
- (5) (a) Where “sensitive” personal information is involved (see paragraph 5(2) above) then more rigorous procedures are necessary:-
 - (i) Either explicit consent of the person concerned must be obtained; or
 - (ii) If this is not practicable, Members must complete a form under the Data Protection (Processing of Sensitive Personal Data) (Elected Representatives) Order 2002.
- (b) Paragraphs 4(4), 5(3) and (4) above, of course, apply to “sensitive” personal information as they do to “normal” personal information.
- (6) If the rights outlined above are not sufficient to provide a Councillor with the information he needs, then it is necessary to navigate further down this hierarchy.

Access to Information Provisions of the Local Government Act 1972 / Local Authorities (Executive Arrangements) (Meetings and Access to Information) Regulations 2012

- 7. (1) In effect, the rights available to Councillors through the Freedom of Information Act and the Data Protection Act will begin to override both older legislation such as the Local Government Act 1972 and also older common law rights.³
- (2) (a) Where a Councillor cannot obtain the disclosure of information under the Freedom of Information Act (because, say, commercial confidentiality is too sensitive to permit it, or because of implications for fraud investigations) or the Data Protection Act (because a Councillor cannot establish a need to know the information, or because a Councillor wants to use the information in a context different to that for which the information was gathered) then the

² and the Councillor concerned must have a “need to know”, and not just be “curious” – see paragraph 4(4) above.

³ But see Footnote 1

information may still become available to Members at a later date via Committee agenda, and the right to see background material associated with such an agenda.

- (b) Once a matter has reached the stage where it is before a Committee / Cabinet, then members of that Committee / Cabinet would have a “need to know” all relevant information; and other Councillors would be able to use the usual Access to Information provisions.
- (3) (a) Councillors also have additional rights of access to material in the possession/control of the Leader and Cabinet (rather than Council officers) relating to public/private meetings of the Cabinet or to any decision taken by an individual portfolio holder.
- (b) However, the above rights do not apply to draft documents, to the advice of a political advisor or to most categories exempt/confidential information (unless the Scrutiny Committee require such exempt / confidential information as part of actions / decisions it is scrutinising).

General

- 8. (1) Material from Legal Services (where Legal Services is providing legal advice to one of its in-house clients at the Council) may be non-disclosable due to legal professional privilege.
- (2) Information supplied under the Data Protection Act 1998 must not be used or disclosed for political purposes.
- (3) (a) Requests for Information under the control of Officers should normally be made to the relevant Service Director.
- (b) Requests for information under the control of the Leader and Cabinet should normally be made to the Leader and/or the relevant Portfolio Holder.
- (4) (a) Councillors must not put undue pressure on Officers to release information to which the Councillor is not entitled to have access.
- (b) Should a Service Director need advice as to whether information can be released to a Councillor s/he should contact the Service Director: Legal & Governance.
- (c) The additional access to information rights given to Councillors are to allow them to do their jobs as Councillors. Confidential or exempt information should only be used in appropriate circumstances, in accordance with the proper performance of their duties as Councillors. Information should only be passed between Councillors if both Councillors can demonstrate a “need to know”.
- (5) (a) Any complaints by a Councillor about the non-disclosure of information should be made in writing to the Service Director: Legal & Governance, whose decision shall be final as far as the Council is concerned.
- (b) However, if the Councillor remains dissatisfied, the Councillor may be able (under FOI) to refer the matter to the Information Commissioner.

Appendix D
BEST PRACTICE GUIDANCE ON CONDUCT FOR MEMBERS DURING A
PROCUREMENT EXERCISE

A. BACKGROUND

1. Under the City Council's Code of Conduct for Members, a Member must not, amongst other things, in his/her official capacity or any other circumstance, conduct him or herself in a manner which could reasonably be regarded as bringing his/her office or the authority into disrepute, nor do anything which compromises or which is likely to compromise the impartiality of those who work for, or on behalf of, the Council.
2. In the context of a procurement exercise, this would include taking any action which could, in the opinion of the Monitoring Officer or Chief Financial Officer, compromise the objective handling of the tendering processes and lead to (or likely to expose the Council to) a successful legal challenge.
3. Tendering procedures are highly complex and there are risks involved in the failure to comply with the UK and European legislation. This guidance is intended to assist in raising awareness of the risks and to ensure that proper procedures are in place to minimise such risks.

B. LEGAL CONTEXT

4. When awarding contracts, the City Council is subject to the requirements of administrative law, contractual law, EU requirements on non-discrimination and free movement of goods and services, general common law principles and the specific rules on public procurement discussed below.
5. The public procurement remedies procedures are based upon the provisions of the 'Remedies Directive' (Directive (EEC) 665/89), the provisions of which were implemented into UK law in the Works, Supplies and Services Regulations (the Regulations'). There is a general statutory obligation under the regulations for contracting authorities to comply with the public procurement rules. There are also specific provisions which establish the procedures for remedy where an aggrieved contractor, supplier or service provider suffers, or is at risk of suffering, some form of loss due to non-compliance by the contracting authority with the procurement rules.
6. Enforcement of the procurement rules operate both at the EU and at the national level. The national courts or tribunals in each member state are empowered to take measures to remedy any violation of the law and to compensate for loss. At the EU level, the Commission can commence proceedings against the national government concerned under the EC Treaty if any contracting authority breaches the rules. In the UK, the obligation to comply with the provisions of the Regulations in relation to contracts that fall within the ambit of those regulations is considered in law to be a 'duty' owed to providers.
7. Non-compliance with EU law is not a criminal offence, but it can give rise to a breach of statutory duty and will open the Council to a legal challenge by way of Judicial Review and/or claim for damages. If a Member's action(s) or inaction(s) have caused the same, the member may have acted beyond his/her powers and/or be in breach of the Code of Conduct for Members. In such event, the Monitoring Officer will refer the matter to the Governance Committee for determination by way of a written complaint against the relevant Member(s). Ultimate sanction is disqualification from office and/or civil action in damages.

8. If a corrupt practice or other criminal activity is alleged or discovered under the Prevention of Corruption Acts or Bribery Act 2010 against a Member or Officer, the Monitoring Officer will consider how the Police may be used to help safeguard and protect the interests of the Council.

C. BEST PRACTICE GUIDANCE

9. In light of the inherent risks involved in a failure to comply with legal requirements affecting tendering procedures, Members / Officers should have regard to the following:
 - 9.1 Communication (including any information, instruction, or response) from and to the City Council and Tenderers (or potential Tenderers or potential subcontractors to Tenderers) involved in a procurement process must be clear, duly recorded, appropriate and understood by the parties;
 - 9.2 Tenderers / sub-contractors are always advised not to arrange or participate in any meeting(s) or other form of communication with any Member(s) or Officer(s) of the City Council that has not been arranged under and in accordance with any specific guidance/protocol issued in relation to the procurement process in question. As a general rule, where no such specific guidance/protocol has been issued, such meetings or other form of communication should not take place without the written consent of the Monitoring Officer and the Chief Financial Officer;
 - 9.3 Where an existing supplier / sub-contractor to the City Council seeks a meeting or other form of communication with a Member - ostensibly about matters related only to the existing supply - and that existing supplier / subcontractor may potentially be or is, at that time, also a Tenderer / subcontractor in relation to either a planned / foreseen procurement process or an ongoing procurement process of which the Member ought reasonably to be aware of, the Member should decline to meet or otherwise ensure that a sufficiently senior officer is present at such meeting to safeguard the probity and propriety of the Council's actions or inactions;
 - 9.4 Any meeting between any Tenderer / sub-contractors and a Member or Officer of the City Council, should be kept to an absolute minimum, as the risk of allegation(s) of fraud and/or corrupt practices is a high possibility and one to be avoided. Any meetings that do take place with Tenderers / subcontractors must be contemporaneously minuted / noted and, in the exceptional event that a one-to-one meeting does take place, the contemporaneous minutes / notes of the meeting must be provided to the Chief Financial Officer within three days of the meeting, for the file, so as to protect and safeguard the relevant Member / Officer from any unwarranted accusations; and
 - 9.5 Confidential information relating to any Tenderer / sub-contractor (or prospective Tenderer or sub-contractor) must remain confidential, unless the Courts or the law orders otherwise. Where any Member or Officer is in any doubt about whether a meeting or other form of communication with a Tenderer / sub-contractor is appropriate or permitted, s/he should seek guidance from the Monitoring Officer and Chief Financial Officer.

CIVIC PROTOCOLS

Definitions

In these protocols:

- 'The Mayor's Office' is the office and staff designated by the Service Director: Legal & Governance as supporting the Mayor and Sheriff.

1. INTRODUCTION

- 1.1 The Mayor, Sheriff and their escorts / consorts, when undertaking their civic and ceremonial roles, shall:
 - 1.1.1 not bring the Council into disrepute through abuse of office;
 - 1.1.2 follow any instructions issued by the Mayor's Office;
 - 1.1.3 not attend any function or otherwise give support to any organisation or person, whose objectives are contrary to law and/or Council policy,
 - 1.1.4 not solicit engagements or visits at home or abroad or otherwise procure favours by virtue of office; and
 - 1.1.5 not overspend the budget / allowance allocated by the Council to the Mayor.
 - 1.1.6 it will be the Mayor and/or Sheriff's responsibility to ensure that, in attending any event or initiative on behalf of the Council when undertaking their civic and/or ceremonial roles, that the Mayor and/or Sheriff and their escorts / consorts, shall behave in a manner appropriate and fitting to their position as First and Second Citizens of the City, and any breach of this protocol may constitute a breach of the Code of Conduct for Members.

2. ANNUAL MEETING OF THE COUNCIL / COUNCIL MEETINGS

- 2.1 The Annual Meeting includes the Mayor Making ceremony. The Mayor's Office will prepare the Council's guest list in liaison with the Service Director: Legal & Governance. Traditionally the incoming Mayor and Sheriff are allowed a personal guest list of approximately 10. These are usually family, friends and work colleagues whom the Mayor invites to the Mayor Making Ceremony and the parlour for refreshments after the meeting.
- 2.2 The Mayor will be guided and supported in chairing Full Council meetings by the Service Director: Legal & Governance, who will provide the Mayor with appropriate support, guidance and assistance including (but not limited to) briefing the Mayor prior to the Council meeting on procedural and other relevant issues.

3. THE ELECTION OF THE MAYOR

- 3.1 The election of a Chairman of the Council (Mayor) shall be the first item of business conducted by the Council in accordance with Local Government Act 1972 and the Constitution. The process shall be that required by law and the Constitution. If making nominations and undertaking this process, members shall take account in nominating any prospective candidate of the responsibilities of the job as set out in this Protocol, and Members shall, subject to the inherent discretion of the Council to elect whomsoever they deem fit as Chairman / Mayor within the law and the Council's Constitution use their best endeavours to avoid a contest at the Annual General Meeting.

4. SUPPORT TO CHARITIES

- 4.1 The Mayor must abide by any guidance issued from time to time by the Service Director: Legal & Governance and/or the Chief Financial Officer in respect of the Mayor's charities and/or the budget allocated to the Mayor by the Council.
- 4.2 The Mayor may select one or more charities that s/he shall announce at the Annual General Meeting, which s/he shall support. These charities will already be established and registered with the Charity Commission. If, in the opinion of the Chief Financial Officer, any charity is unacceptable for legal or financial reasons, the Mayor shall select an alternative.
- 4.3 All administrative functions related to the Mayor's charities must be undertaken by the appropriate officers of the charity in question and not by the Mayor or the Council, or by officers.

The Mayor's Charity

- 4.4 It is expected that the charity will undertake all fund raising and its administration, as the Council does not have the staffing resources to support this type of activity. However, officers are happy to advise the charity as to the suitability of events, appropriate procedures and matters of protocol if required. .
- 4.5 The Mayor's Charity has been registered with the Charity Commission. All monies raised during the mayor's year of office will be distributed to the chosen charities as soon as possible after the end of the mayor's term of office.

5. APPOINTMENT OF CHAPLAIN

- 5.1 The Mayor may appoint a Chaplain, and in accordance with the Council's values and visions maintain the establishment of the panel of religious advisers established since 2003. The Mayor's Office shall advise any incoming Mayor on these issues and options.
- 5.2 To encourage a deeper and broader relationship between the Council and faith communities, the religious advisers will act as a 'sounding board' to advise on effective engagement with faith communities, and the impact of Communities and Local Government policy on faith communities.

6. ANNUAL CIVIC SERVICE

- 6.1 The Mayor may hold an Annual Civic Service in June at the place of worship determined by the Team Rector of the City Centre Parish. Alternatively, the Mayor may hold an alternative event which will enhance the Council's understanding of, and engagement, with faith communities in the City. Such events must be inclusive of all sections of the community and open to all faiths. .

7. EVENTS

- 7.1 The Mayor should work with officers to produce a proactive programme, which meets the Civic and Ceremonial Portfolio objectives. The Mayor will take account of the Executive's requirements and priorities in determining the programme. All invitations to civic / ceremonial events to be undertaken by the Mayor and/or Sheriff or any proposal for a civic event or engagement, however arising, will be processed through officers who will liaise closely with the Mayor, conduct any necessary research and advise the Mayor and/or Sheriff on their suitability. Attendance at all engagements will be co-ordinated by officers. Events attended by the Mayor should be of a non-political nature. The advice of the Leader and/or Service Director: Legal & Governance should be sought if necessary. Delegations or visits led by the Mayor to places outside Southampton should be subject to appropriate planning, budget and reporting, and must be organised by officers.
- 7.2 The Sheriff should cover events / engagements that the Mayor is unable to undertake. Where the Sheriff is not available, the Council's representative should be a Councillor (with priority for former Mayors). Invitations should only go beyond Sheriff when it is considered that the lack of civic presence would be seen as detrimental to the Council. Officers should decide this in consultation with the Service Director: Legal & Governance when necessary. As the consorts / escorts of both the Mayor and Sheriff have no legal status, they should rarely attend functions independently of the Mayor or Sheriff. Consorts / escorts must never attend an event / engagement as a representative of the Council.
- 7.3 At events hosted by the Council, such as conferences and seminars, the Mayor will normally give a welcome to delegates. At events promoting Council achievements (eg opening new facilities) the Mayor will normally undertake ceremonial duties such as cutting of a ribbon, and the Leader or appropriate Cabinet Member will normally make the official speech.

8. VISITS ABROAD

- 8.1 Any planned visits abroad should be discussed with officers who will refer the issue to the Service Director: Legal & Governance if necessary. Visits should be for official purposes and not of a personal or political nature.
- 8.2 If the Mayor proposes such a visit, as a guide it will be necessary to consider the following:
- 8.2.1 the purpose of the visit, the benefits to Southampton and its residents and how it will contribute to the city and/or detailed itinerary;
 - 8.2.2 the names of others who will be accompanying the Mayor, details of the costs and any hospitality that will be received and from whom;

- 8.3 Invitations abroad should be arranged through officers. The Service Director: Legal & Governance will decide on any logistical or other arrangements necessary or appropriate or ancillary to any visit abroad, eg whether or not officers of the Council should accompany the Mayor.

9. ADMIRAL OF THE PORT

- 9.1 As Admiral of the Port, the Mayor has no formal powers as such associated with this particular office. However, in view of the historic relationship between the City Council and particularly the Mayor as Admiral of the Port and port-related activities and because of the significance of the port to Southampton's life, the Mayor shall maintain, promote, enhance and support those links, whether in the business, leisure, tourism or other aspect of the City's life.

10. ALLOWANCE

- 10.1 Both the Mayor and Sheriff are paid an allowance during their term of office to reflect expenses incurred. This is to cover general expenses and receptions they wish to host. The Mayor and officers should ensure that overall spend on the civic purse, civic hospitality and civic functions is within budget. The Mayor should abide by any rules of guidance issued from time to time by the Service Director: Legal & Governance and/or the Chief Finance Officer in respect of the budget allocated to the Mayor by the Council.

11. USE OF THE OFFICIAL CAR

- 11.1 The Mayor and Sheriff are provided with transport for official functions via an external service where it is deemed difficult or unsuitable for them to drive themselves. The transport should not be used by the Mayor and Sheriff other than in the civic and ceremonial capacity of these offices. Instructions to the chauffeuring service are given by officers. It is normal for the Mayor or their escort to be collected from the Mayor's residence; where this is not practical, arrangements shall be agreed in advance with officers.

12. USE OF MAYOR'S OFFICE AND PARLOUR

- 12.1 The Mayor and Sheriff may use accommodation (the Mayor's office and parlour) provided by the Council to undertake their duties. Use of this accommodation is managed through officers. The Mayor and/or Sheriff shall not use this accommodation other than for civic and/or ceremonial purposes without the prior consent of officers. The accommodation is the asset of the Council under the control of officers.

13. ACCEPTANCE OF GIFTS

- 13.1 Personal gifts received by the Mayor and Sheriff must be declared in the normal way. Gifts presented to the Mayor and /or Sheriff (in his/her ceremonial capacities as first or second citizen for the City) shall be accepted by the Mayor or Sheriff for the city / Council, may not be retained by the Mayor or Sheriff either during their municipal year or after and shall be passed to officers who shall manage such gifts on behalf of the Council. Gifts received during the year shall be displayed in the Mayor's Parlour. In exceptional circumstances, the Service Director: Legal & Governance may decide that it is appropriate for them to retain a gift (for example, when the gift is of nominal value and/or similar gifts are presented to and retained by other Members and/or officers).

14. USE OF IMAGES OF THE MAYOR AND/OR SHERIFF IN ELECTORAL MATERIAL

- 14.1 It is considered inappropriate for the Mayor and/or Sheriff to appear in any electoral material, whether associated with their election, or another candidate's election, in any official regalia or robes. The Mayor and Sheriff should use all reasonable endeavours to avoid this from occurring. Any such occurrence may well be reported to the Governance Committee depending upon the circumstances.

15. MEDIA

- 15.1 Given the status of the Mayor and Sheriff as First and Second Citizens of the City, any dealings with the media should be conducted via Public Relations and officers should be advised. The Communications team is responsible for dealing with the press and media on behalf of the Council. Therefore, all official communication relating to the Council (but not party political or private matters) should be dealt with by the team. The Mayor and Sheriff should be aware that any private / party political communications they issue may bring their office into disrepute and should always, therefore, seek advice before doing so.

16. SUPPORT FROM OFFICERS

- 16.1 Officers will provide to the Mayor and Sheriff upon their appointment to office information on:

16.1.1 The different allowances and how they may be used;

16.1.2 Awareness of tax liabilities of allowance

16.1.3 Local charities and regular yearly events and functions;

- 16.2 During the Civic year, officers will:

16.2.1 manage the civic diary and ensure arrangements for chauffeur are in place;

16.2.2 receive and follow up invitations;

16.2.3 arrange occasional events;

16.2.4 give proper briefings and advice as necessary;

16.2.5 manage the budget, in consultation with the Service Lead: Elections & Democratic Services;

16.2.6 prepare necessary reports for the Council / Committee etc;

16.2.7 provide such other support as is necessary and appropriate.

- 16.3 Officers are under the managerial control of the Service Lead: Elections & Democratic Services and ultimately the Service Director: Legal & Governance.

17. SUPPORT FROM THE REST OF THE COUNCIL

- 17.1 During the course of the Mayoral year, the Mayor and the Service Director: Legal and Governance will liaise regularly. Officers will take steps in order to enable regular briefings to take place, and will liaise with the Service Director: Legal & Governance to ensure this happens.

- 17.2 At the commencement of the Mayoral year, the Mayor will have meetings with the Chief Financial Officer and Service Director: Legal & Governance, so the Mayor may be briefed and aware of issues of interest. The Mayor's role will include supporting the council's corporate priorities and the key themes that the Mayor wishes to adopt should be explored to ensure they match the council's corporate plan. In this way, all of the engagements and initiatives that the Mayor undertakes will be supportive of the work of the council.
- 17.3 During the Mayoral year the Mayor may wish to be briefed by officers on other issues of interest to the Mayor or on issues that arise relevant to the Mayoral duties. Meetings may also be arranged on behalf of the Sheriff.

18. END OF YEAR REPORT

- 18.1 At the end of the Mayor's municipal year, the Mayor will have the opportunity to review the year with the Service Director: Legal & Governance and the Service Lead: Elections & Democratic Services. The views of the Mayor will be taken into account in making changes to this protocol, the work of officers and in the planning of future initiatives. A report on the work of the Mayor will be included on the Mayor's web page.

19. CIVIC EVENTS CO-ORDINATION

- 19.1 Following identification of the key themes that the Mayor wishes to adopt, a meeting will be held with the Leader of the Council to set a programme for the co-ordination of events. The meeting will ensure that appropriate Members and Officers represent the Council according to the type of function and will advise external organisations to whom representative invitations should be addressed. The programme of events will be reviewed by the Service Director: Legal and Governance as appropriate to ensure that the programme continues to match the council's corporate objectives.

Code for Dealing with Joint Arrangements with Third Parties

1. INTRODUCTION

This Code provides guidance and recommended procedures to avoid conflicts of interest for the Council, its employees and consultants engaged in any joint or proposed joint arrangements with outside bodies on which Members and/or employees will be representatives whether or not assets and/or staff transfer, permanently, temporarily or by secondment. In this Code, “Joint Arrangements” includes proposed, evolving or developing joint arrangements including (but not limited to) the situation before any legal entity or Special Purpose Vehicle (SPV) has been created.

This guidance must be read in conjunction with all other appropriate legislation, guidance, codes and the like. This includes, but is not limited to:

- Localism Act 2011
- Section 117 of the Local Government Act 1972
- The Council’s Constitution, including (but not limited to)
 - Members’ Code of Conduct
 - Employees’ Code of Conduct (when issued)
 - Protocol for Officer / Member relationships
 - Chief Officer Employment Procedure Rules
 - Financial Procedure Rules
 - Contract Procedure Rules
- Disciplinary rules and procedures
- National and local conditions of service
- Internal and external legal advice regarding the conduct of Members and employees in joint working arrangements
- Posts which are “politically restricted” by virtue of the provisions of the Local Government and Housing Act 1989 (as amended)

2. PURPOSE

The purpose of this Code is to ensure probity and confidence in the Council’s dealings with outside bodies. This includes taking steps to avoid conflicts of interest and bias, to maintain commercial confidentiality while safeguarding the use of public money and to limit the financial exposure of the Council, its Members and Officers.

3. IDENTIFYING AND DEALING WITH THE POTENTIAL FOR CONFLICT

In any proposal where Members or employees may have joint interest, or where there are joint working arrangements involving public funds, or transfer of public assets and the like, the following must be established:-

(a) Is there a conflict?

It is impossible to list all areas of a potential conflict and employees and Members are personally responsible for asking themselves whether there is or is likely to be a conflict of interest. The interest need not be pecuniary and will arise wherever there is a possibility of bias, which may influence the decision. There is a danger of bias where an interest affects an individual or a member of their household more than the generality of others who may be affected by a decision.

The type of decisions being made will include:

- transfer of assets from the Council to another person/party with whom they have an interest
- granting of public funds by the Council to another person/party with whom they have an interest
- a decision to enter into a scheme with another person/party with whom they have an interest with an immediate or potential financial impact on the Council
- contractual arrangements between the Council and another party/parties with whom they have an interest and negotiations on such arrangements

Those with a position of potential influence will be:

- members of the Executive / other Members who are advisors (regardless of political party)
- directors on a board or shadow board and subscriber representatives on companies
- trustees
- employees with delegated decision making positions or a policy formulation role
- secondees from the Council to another party with delegated decision making ability or policy formulation posts

(b) Employees

Employees must be clear from whom they take instructions at all times. If an employee's job within the Council would involve them making proposals, drafting policy or influencing any decision or action which will benefit a person or body with whom they have either a direct or potential interest and with whom the Council has or intends to enter into joint arrangements, they must:

- (i) Prepare a report for their line manager, Director or Chief Executive, clearly setting out:
 - the basis of their direct or potential interest
 - any adverse or potentially adverse consequences for the authority and/or benefits to the third party
 - Set out their current or potential areas of influence within the third party.
- (ii) Employees who have prepared a report in accordance with paragraph (b)(i) above shall not be permitted to prepare reports for Members, make any delegated decision, commit expenditure, or give instructions

to other employees to do so on any matter where they have identified such an interest or potential interest.

- (iii) Employees who have applied for, or intend to apply for or have been appointed to a position with a body outside the Authority with whom the Council has or intends to enter into joint arrangements shall not be permitted to instruct other employees, make proposals or delegated decisions or prepare reports on any matters that are directly applicable to any proposed contractual relationship between the Council and their new or potential employer.
- (iv) Secondments to a joint partner or any shadow arrangement set up by the Council to facilitate the negotiations shall be by way of letter clearly setting out the terms of the secondment, use of information, reporting lines, restrictions on activities and the like. Anyone appointed to such an arrangement shall not brief Members or otherwise do anything which may be seen to influence those making decisions on behalf of the Council unless invited to do so by the relevant Director or Chief Executive and shall only then do so in the company of another Council officer.
- (v) In any report prepared for consideration by Members involving arrangements between the Council and a third party with whom the Council has an interest the report shall indicate:
 - the nature of the joint interest/influence
 - any proposed transfer of assets included in the proposal together with details of valuations of the assets and full financial appraisal. Such a report must contain the comments of the Council's Chief Financial Officer.
 - Where a report is lengthy (for example in bidding documents / government submissions etc) the report must clearly state, in the recommendations, each aspect of the bid and seek approval. It is not sufficient merely to seek endorsement of the bid/submission.
 - Where the proposal affects employees this must be clearly stated in the report.
- (vi) At the outset of any such joint arrangements the relevant Director or Chief Executive shall ensure that a clear structure of accountability, line management and reporting lines. This will require review on a regular basis. It must deal with any proposals for secondments. All secondments (whether to posts in the Council or to an outside body) must be made by letter to the employee concerned setting out the structure applicable. All employees working on the proposal must receive written details (whether by way of letter or copy of structure chart) making it clear to them who their line manager is and from whom they may take instructions and to whom they may divulge information (be it their line manager, another employee or committee).

Employees may apply for an employed position with a joint partner of the Authority provided they shall not be employed by the Council and the joint partner at the same time. The employee may use their skills, knowledge and expertise acquired whilst in the employ of the Council but shall not use any

information they have obtained whilst in the Council's employ. Such information shall remain confidential to the Council and not be used for the benefit of the joint partner.

(c) Members

Where Members are likely to be in the position of having a joint influence through being a subscriber, director or other member of a company or third party with which the Council is entering into a joint arrangement adherence must be had to the Members' Code of Conduct. If the Member's position is such that they could be involved in the decision making process on both sides, the relevant Members should consider whether they need to declare a prejudicial interest and not take part in any discussion or vote on the matter. Nor must they be in any position where they may be perceived as influencing the matter within the Authority.

Members shall be informed of any arrangements made under paragraphs (b)(iv) or (b)(vi) above in connection with restrictions on access to Members by those staff seconded to any shadow arrangements.

4. SEPARATION OF FUNCTIONS

In any situation where joint arrangements are such that Council officers are advising the Authority and the proposed new provider or special purpose vehicle appropriate arrangements shall be considered by the relevant Director or Chief Executive. Where it is necessary for such advice to continue from within the Council pending the new provider being formally established with their own ability to operate financially and contractually the relevant Director or Chief Executive shall ensure robust and sound arrangements are in place to ensure that confidentiality is maintained, advice is provided separately to the Council from the SPV and such other arrangements and/or requirements as may be advised by the Monitoring Officer / Service Director: Legal & Governance and/or Chief Financial Officer from time to time. This shall include (but not exclusively) arrangements for:

- Physical separation of staff
- Confidentiality of paper and electronic information in respect of the project
- Separation of support services such as post handling and typing
- Guidance to staff on arrangements for the contact between them

The relevant Director or Chief Executive shall ensure that all appropriate Members, the Monitoring Officer and the Chief Financial Officer are informed when and what the arrangements are made.

The Chief Financial Officer shall take steps to ensure that arrangements are put in place, and that they are maintained.

5. CONSULTANTS

In preparing any consultants' briefs drafting contracting terms or otherwise employing consultants, employees must have regard to whether there may be a conflict or potential conflict of interest or whether confidential information may be disclosed which could benefit another party for whom the consultant also acts, even if that other party is a body partly or solely set up by the Council.

In any brief to consultants where they may be required to give advice to the Council and to a third party with whom the Council is or will enter into an agreement, the consultants shall from the point where a potential conflict of interest may arise only act for one party and not both. All Consultancy contracts and/or letters of appointment will contain an appropriate clause, concerning conflicts of interest and consultants shall be under a duty to immediately notify the Council of any potential conflict. Where a contract has to be terminated or be amended due to a conflict of interest this should be at no cost to the Council. Employees must avoid preparing any brief which may give rise to a consultant acting for both the Authority and a third party where there is a potential for conflict.

6. MEANING OF CONFLICT OF INTEREST

Any interest in a matter, which creates a danger of bias. This shall arise where the interest affects the individual concerned or an organisation, which they influence more than the generality of those affected by the decision.

7. SANCTIONS

In the event of any alleged breach of this Code, if the alleged breach is also an alleged breach of the Members Code of Conduct, it will be dealt with in accordance with the procedures set out by the Localism Act 2011.

In the event of an alleged breach by an officer, the matter will be considered by the Chief Executive, as Head of Paid Service, following consultation with the Service Director: Legal & Governance, in accordance with the Council's disciplinary rules and procedures.

8. FURTHER GUIDANCE

Further and additional guidance may be issued on a case-by-case basis or as needed by the Monitoring Officer / Service Director: Legal & Governance and/or the Chief Financial Officer.

PROTOCOL FOR THE MONITORING OFFICER

A General introduction to statutory responsibilities

1. The Monitoring Officer is a statutory appointment pursuant to section 5 of the Local Government and Housing Act 1989. This Protocol provides some general information on how those statutory requirements will be discharged in Southampton City Council.
2. The current responsibilities of the Monitoring Officer role rest with the Service Director: Legal & Governance, who undertakes to discharge his statutory responsibilities with a positive determination and in a manner that enhances the overall reputation of the Council. The Monitoring Officer will appoint a Deputy Monitoring Officer as appropriately needed. In doing so, he will also safeguard, so far as is possible, Members and Officers, whilst acting in their official capacities, from legal difficulties and/or criminal sanctions.
3. A summary list of the statutory responsibilities appears in the table annexed to this document. In general terms, the Monitoring Officer's ability to discharge these duties and responsibilities will depend, to a large extent, on Members and Officers:
 - a. complying with the law of the land (including any relevant Codes of Conduct);
 - b. complying with any General Guidance issued, from time to time, by the Governance Committee and the Monitoring Officer;
 - c. making lawful and proportionate decisions; and
 - d. generally, not taking action that would bring the Council, their offices or professions into disrepute.

B Working Arrangements

4. Having excellent working relations with Members and Officers will assist in the discharge of the statutory responsibilities of the Monitoring Officer and keep the Council out of trouble. Equally, a speedy flow of relevant information and access to debate (particularly at the early stages of any decision-making by the Council) will assist in fulfilling those responsibilities. Members and Officers must, therefore, work with the Monitoring Officer (and his staff) in discharging these responsibilities.
5. The Monitoring Officer issues guidance to officers to assist them in understanding the nature, breadth and requirements that the Monitoring Officer puts upon all officers. The guidance also explains how the Monitoring Officer will approach the role. The Monitoring Officer considers that the role is a positive and preventative one, related to legality, avoidance of maladministration and observance of codes of conduct / practice where there is actual / potential transgression by the Council. The Monitoring Officer gives authoritative advice and guidance on these issues which will be conducive to a culture of propriety and integrity. This will provide comfort for officers and Members alike. However, although the Monitoring Officer will seek to be positive about the role, it must be recognised that the role imposes a personal duty to make a public, statutory report where it appears to be necessary. This might ultimately force the authority to consider issues it might not wish to.

The Monitoring Officer and the authority should co-operate in everyway possible so as to reduce the chance of the need for the Monitoring Officer to issue a formal report. In support of this, the Monitoring Officer places significant reliance upon the

advice and support given by colleagues in Legal and Governance, but particularly those in the Corporate Legal Team who will, in providing corporate legal advice do so in an enabling manner, but also identify areas of particular risk and concern, assisting officers / Members to achieve their objectives, but ultimately in a lawful and proper manner.

PARTNERSHIP CODE

INTRODUCTION

1. Partnership working can bring significant benefits, including improved outcomes and more efficient and integrated services for people who live, work and visit the city. However, partnerships need to be properly established and well managed if they are to deliver benefits and value for money.
2. This Partnership Working Code outlines the minimum requirements for establishing, managing and reviewing partnerships, as well as expected conduct of Council officers and Councillors who are a member of a partnership. The Code should be read in conjunction with other Council documents including the Council's Constitution [Code of Conduct for Members](#), [Officer Code of Conduct](#) and [Code for dealing with Joint Arrangements with Third Parties](#).

PURPOSE

3. The purpose of this Code is to ensure that Councillors and Council officers involved in establishing, managing or contributing to a partnership are able to:
 - Demonstrate a clear rationale for the partnership and the Council's involvement
 - Obtain appropriate approval for setting up or being involved in a new partnership
 - Understand the Council's role, and their role, in a partnership
 - Apply clear standards for partnership working
 - Ensure time and resources invested in the partnership contributes to the Council's priority outcomes and is (and will continue to be) worthwhile in terms of adding value.

WHAT IS A PARTNERSHIP?

4. In its broadest sense, a partnership can be defined as: *'an agreement between two or more independent bodies to work collaboratively to achieve an objective'*. The key characteristic is that the partners aim to achieve something they could not do alone, by pooling skills and other resources. For the purpose of this Code, these are two main types of partnerships. They are:

Formal or strategic partnerships	Informal or non-strategic partnerships
The partnership meets one or more of the following: <ul style="list-style-type: none"> • It is critical to the delivery of key Council objectives or level 1 strategies • It meets or delivers one of the Council's statutory obligations e.g. Crime and Disorder Act 1998 • The Council's reputation could be damaged if the partnership fails to deliver 	The partnership meets one or more of the following: <ul style="list-style-type: none"> • It supports the delivery of an operational strategy or objective • It is established around a specific issue which will benefit from a range of partners being involved

IF THE COUNCIL IS ESTABLISHING OR LEADING A PARTNERSHIP

5. If you are establishing or leading a partnership on behalf of the Council you will need to give consideration and resources to its development, delivery and review and follow the **Partnership Cycle** obtaining appropriate approvals at each stage. The below sections provide detail as to the actions you will need to take.

STEP 1: Identify potential benefits and justify the partnership

6. You should contact the Intelligence, Insight and Communications team as early as possible for an initial discussion about the proposals to establish a partnership. This will focus on identifying the need for the partnership, and the resources, timeline and approval route to establish and continue a partnership that is effective and value for money.
7. It is critical that partnership, whether formal or informal, provides value for money, and has clear outcomes that meet the strategic aims of the Council, as outlined in the priorities and outcomes in the [Southampton City Council Strategy 2016-2020](#). A formal or significant partnership should only be established if it is critical to the delivery of a key Council outcome or statutory obligation.
8. The Intelligence, Insight and Communications team will support you to:
- Review the requirement for a new partnership
 - Identify whether the partnership is formal/strategic or informal/non-strategic
 - Agree appropriate governance routes to obtain approval to proceed with establishing the partnership
9. The proposal to develop a new partnership must be agreed with the Intelligence Insight and Communications team, and approved by the CMT sponsor and lead Councillor before you can proceed with establishing the partnership and developing the terms of reference for both formal and informal partnerships.

STEP 2: Develop the partnership framework and Terms of Reference

10. Partnership arrangements can be complicated and could become overly bureaucratic. It is important to achieve a balance between having sufficient clarity about the purpose, benefits and role of the partnership, and ensuring any resources input into its development and monitoring are appropriate.
11. You will need to consider and document the following issues in the partnership's 'terms of reference':
 - Aims and objectives
 - Membership
 - Proportionate and effective governance arrangements
 - Protocol for dealing with conflicts.
12. You should refer to the Council's constitution for the [Code for Dealing with Joint Arrangements with Third Parties](#). This provides recommended procedures to avoid conflicts of interest for the Council, its employees and consultants engaged in any joint arrangements involving public funds, or transfer of public assets.
13. You should undertake a risk assessment for the partnership, and establish appropriate processes and procedures to ensure that:
 - All partners are aware of and understand the nature and extent of the key risks that they face both individually and as part of the partnership.
 - There is a shared commitment to effectively manage the key risks to ensure the partnership's objectives are achieved.

Further information on managing partnership risks is available to Southampton City Council Members and employees via the Council's intranet.
14. You must consider if establishing the partnership has any equality implications against the Equalities Act 2010 and ensure that the partnership considers and promotes its statutory Equality Duty. [The Equalities guidance and Equality and Safety Impact Assessments](#) provide a framework to ensure the decisions, strategies and policies of the partnership comply with their duties and ensure any potential negative impacts are mitigated and followed up as appropriate.
15. You should also consider whether the lifetime of the partnership is expected to be long-term or temporary. Some informal/non-strategic partnerships established to support a particular project or in response to a particular issue may only be required for a fixed period of time.
16. Arrangements for the partnership should then be documented in a formal written agreement or Terms of Reference, and this should be published on the Council's website. The Intelligence, Insight and Communications team can provide example Terms of Reference.
17. The draft Terms of Reference must be submitted to the Intelligence, Insight and Communications team and distributed to key stakeholders for review. As a minimum, this should include the partnership's CMT sponsor, Cabinet portfolio holder or lead Councillor for an informal partnership. Once a final draft is agreed, approval of the Terms of Reference should be sought from CMT and Cabinet for a formal / strategic partnership.

STEP 3: Develop the Partnership Work Programme

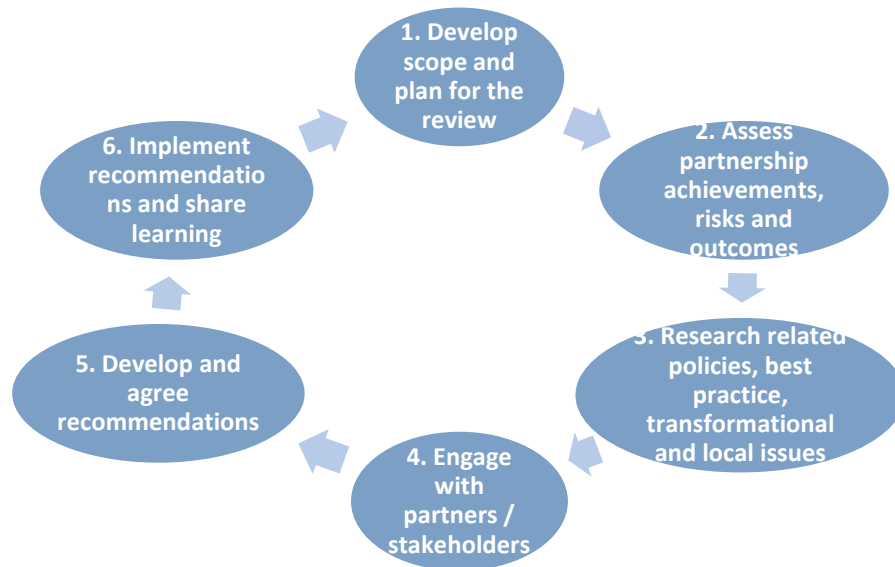

18. Once the partnership's Terms of Reference are approved, the objectives and aims of the partnership will need to be translated into an agreed work programme. This will outline how the partnership will achieve its objectives and set out the actions and outcomes that the partnership's success will be measured against.
19. Southampton City Council has an agreed Strategy and Policy Framework, which forms a key part of our 'one council' approach to strategy and policy development. If a new strategy requirement is identified as part of the development of the partnership work programme, you must contact the Intelligence, Insight and Communications team and follow the agreed strategy development process.

STEP 4: Implement and monitor the partnership

20. The owner of the partnership will oversee and be responsible for implementing and monitoring the success, risks and outcomes of the partnership, and will need to ensure that the following issues are agreed and addressed on an ongoing basis:
 - Agree resources to deliver objectives
 - Agree clear accountability, monitoring and reporting processes
 - Establish communication mechanisms
 - Undertake risk assessments
 - Reporting outcomes and performance – reports should be shared and discussed regularly with the CMT sponsor and lead Member
 - Establish ongoing governance arrangements, including any sub groups.

STEP 5: Review and update the partnership

21. During their lifetime, partnerships need to adapt to changing circumstances. As a minimum, an annual review should be undertaken of the outcomes achieved, including targets, performance, risk management, financial controls, value of the partnership (in terms of the partnership's and Council's objectives) and whether it is still fit for purpose and providing value for money. The review should be sufficiently robust and challenging, whilst remaining proportionate and appropriate to the working arrangements of the partnership.
22. The review of the partnership may be led by the partnership, however, independent input should be sought through the involvement of the Intelligence, Insight and Communications team.
23. The following steps should form part of the review:

24. At the end of the review, a report must be produced including recommendations. This should be cleared by the Intelligence, Insight and Communications team to ensure there are no significant implications for other partnerships, and that best practice opportunities, gaps and duplications have been identified. It should also be cleared by the partnership chair, and must be approved by the CMT sponsor and lead Member, as well as the partnership itself.

DISSOLVING THE PARTNERSHIP

25. If you are considering dissolving the partnership, you should contact the Intelligence, Insight and Communications team as early as possible for advice on the process to follow.
26. You will need to prepare a briefing paper, with the Chair of the partnership, for approval by the CMT sponsor and lead Councillor for both formal/strategic and informal partnerships. This paper should clearly set out the following issues, in relation to dissolving the partnership:
- The rationale for dissolving the partnership
 - Implications for the Council's priorities or statutory duties
 - Any unmet need of the Council and partners
 - Continued risks to the Council if the partnership no longer exists
 - Costs or funding implications
 - Proposals for resolving any outstanding issues
 - Overall learning and outcomes of the partnership
 - Views of the partnership members
 - Timeline and process for dissolving the partnership.

COMMITTING RESOURCES TO A PARTNERSHIP WHERE THE COUNCIL IS NOT THE LEAD AUTHORITY

27. Where the Council is not leading a partnership, but there is a clear benefit in contributing or attending it, there will still be resource and reputational implications to be considered. It is important that the Council understands the potential benefit and

outcomes that the partnership can offer to support the Council's objectives and priorities.

28. If you are proposing to commit Council resources to a partnership, contact the Intelligence, Insight and Communications team to have an initial discussion about the partnership aims and objectives, to ensure the potential benefits of the partnership fit with the Council's priorities and strategies, and do not duplicate other partnerships.
29. The relevant CMT member and lead Councillor should be briefed on the aims and objectives of the partnership, the expected input and commitment from the Council and potential impact on the Council's priorities.

IF YOU ARE A MEMBER OF A PARTNERSHIP

30. It is important that members of a partnership understand their own role and responsibilities. When committing Council resources (including employee time and money) to a partnership, your first and foremost duty is to the Council. As a Councillor or Council officer, you must adhere to the [Code of Conduct for Members](#) and [Officer Code of Conduct](#) in the Council's Constitution.
31. As a member of a partnership, you should consider if the partnership is following good practice, that it is contributing to the Council's values and priority outcomes and that it adds value, by actively engaging in any review of the partnership and ensuring that all the appropriate frameworks are in place.
32. Individually, as a representative of the Council on a partnership you should:
 - Represent the Council's views within the partnership
 - Act as the key link back to the Council to promote success of the partnership and inform / engage others in the decisions and activity of the partnership through effective communication
 - Be an active participant in meetings, develop issues for consideration by the partnership and execute additional activity in relation to delivering the partnership's objectives
 - Provide professional advice and expertise as appropriate to the partnership
 - Behave with honesty and integrity at all times, act in good faith and not take advantage, misrepresent or conceal anything pertinent to the partnership
 - Avoid and work to resolve conflicts
 - Highlight any personal interests, if they arise.
33. If you are concerned about anything to do with the partnership activity, contact the Intelligence, Insight and Communications team in the first instance who will offer support and advice on the matter, including whether it is appropriate to escalate the concern to the partnership chair, CMT sponsor or lead Councillor.

EXPLANATORY NOTES

Payment of Allowances

The payment of allowances and related matters are handled within the Payroll Section. Enquires regarding the payment of your allowances should be made to the Payroll Manager.

The following points should assist you to understand how the allowances are paid and answer some of the general points that could arise from time to time:

- Records of Members allowances showing the amount and nature of the payment are open to inspection by Local Government electors resident in the area and are subject to both internal and external audit.
- Claim Forms need to be completed for dependant carers and travel and subsistence allowances, although it is NOT necessary to claim for the Basic Allowance, Special Responsibility Allowance or Co-optees Allowance. These allowances will be paid directly into your bank or building society account on the 23rd of each month.
- New members and retiring Members will be paid allowances pro rata to their period of office.

Social Security and Income Tax

Guidance notes have been produced by the Department for Communities and Local Government on the interaction of Members allowances with the tax and social security benefits system. The guidance covers such matters as the extent to which Members allowances are liable to tax, what expenses can be offset against tax and the circumstances and extent to which the receipt of allowances may affect entitlement to benefits.

Basically, Members allowances are treated as earnings and therefore deduction of tax and national insurance contributions are made as required unless payments fall below the lower earnings limits. Members can therefore be affected, both as contributors and beneficiaries of the Social Security Scheme. These contributions can give rise to pension entitlement and other Social Security Benefits. If a member has any doubts about how they are affected they should contact the local Social Security Office.

Members are entitled to claim Tax Allowances from the Inland Revenue for expenses wholly and necessarily incurred in connection with Ward Duties. Claim form P87 and advice is available from the Inspector of Taxes, District 1, 8 Ogle Road, Southampton (Tax Ref No. 718/S2066). With regard to the payment of allowances for Civic Dignitaries, the local Inspector has agreed that the allowance is no more than a reimbursement of expenses with the exception of the cost of clothing. Specific advice is available for the Mayor and Sheriff on the implications of returning such expenditure to the Inland Revenue.

Statutory Sick Pay

Members who are below the state pension age and pay National Insurance are entitled to claim Statutory Sick Pay for periods of sickness in excess of three days. To make a claim:

- Complete a self-certificate, which is available from doctors' surgeries, for the first seven (7) days of sickness and obtain a doctors' statement where the sickness period exceeds seven (7) days. Send these documents to the Payroll Manager.
- Periods of sickness should be clearly indicated on the Members "Application for Allowances" forms.

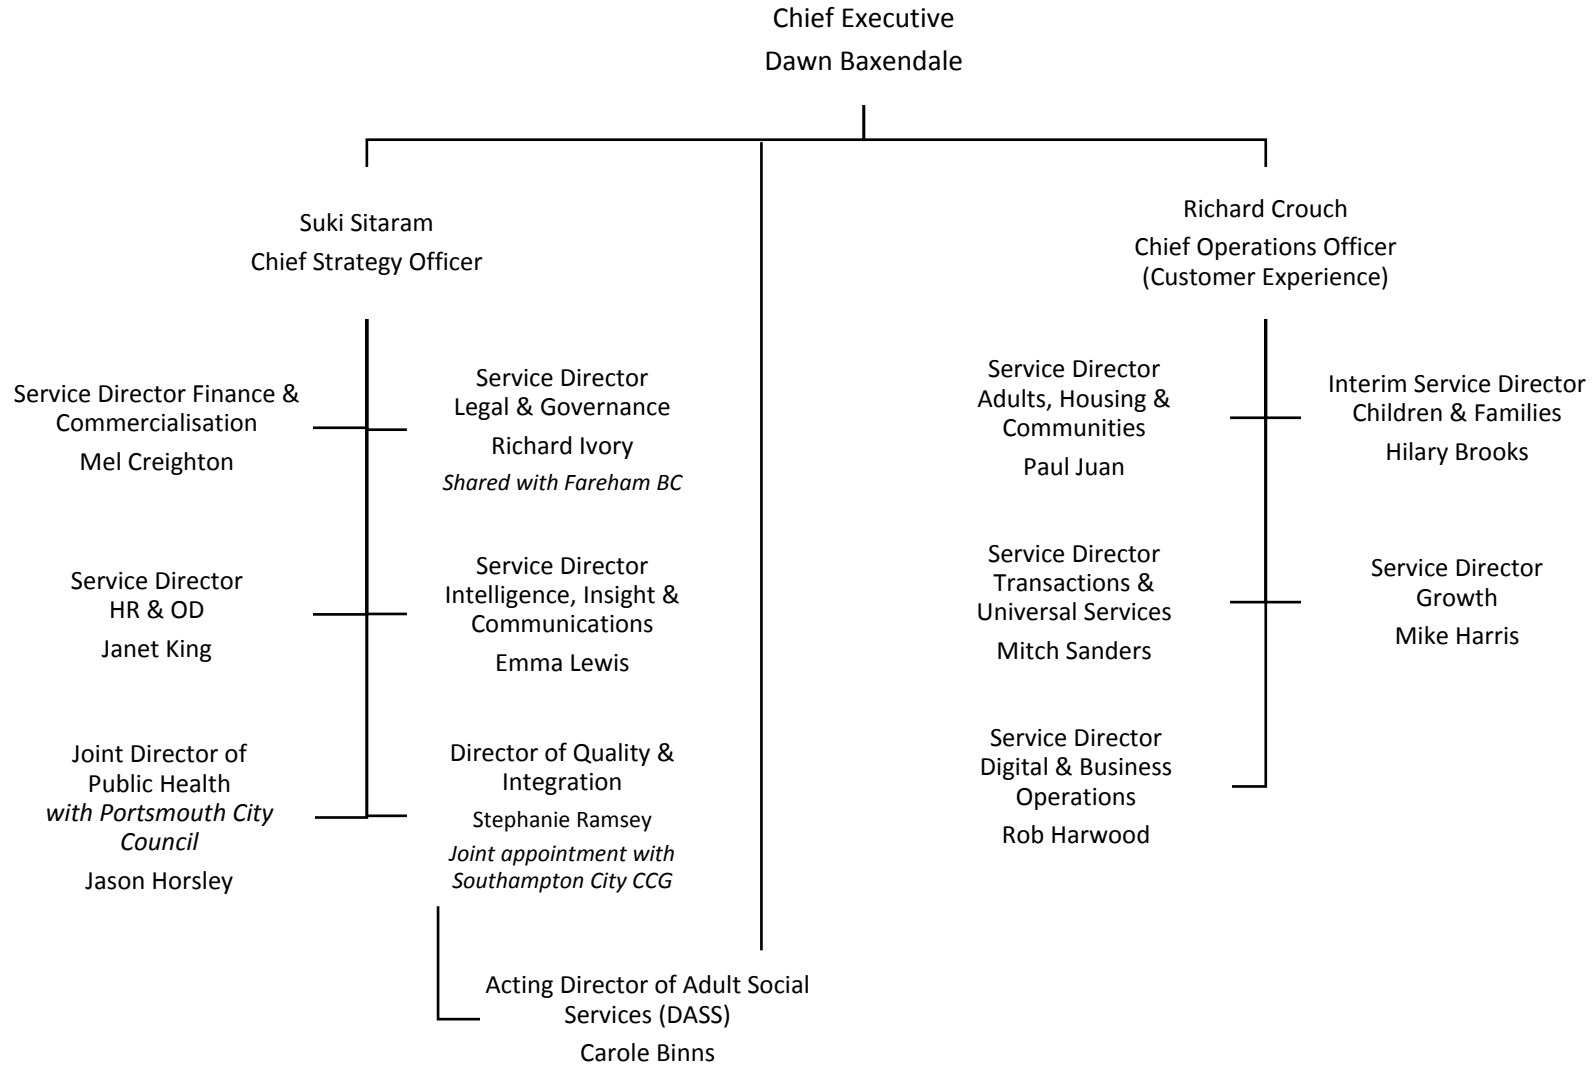

Contacts for further information.

The local tax and benefits offices will be able to deal with queries related to personal circumstances.

12. The compilation of a Register of Delegated Powers is a statutory requirement. The Register is maintained by the Service Director: Legal & Governance, and delegations are added to it as they are made by delegating bodies. Officers should take care to inform themselves of any subsequent changes to the Register before solely relying on this document.
13. The Service Director: Legal & Governance shall have the power to amend this Register to reflect re-organisations, changes in job titles and vacancies, where said changes result in re-distributing existing delegations and not the creation of new ones.
14. Any post specifically referred to below shall be deemed to include any successor post, or a post which includes within the job description, elements relevant to any particular delegation, which were also present in the earlier post and shall include anyone acting up or seconded. Any power contained within this Register in anticipation of any reorganisation may be exercised in accordance with the preceding Register to the date of that reorganisation.

17. All enquiries about this register should be made to the Service Director: Legal & Governance.
18. All matters of interpretation of this document will be determined by the Service Director: Legal & Governance.

Recording Officer Decisions

DECISION MAKING AND DELEGATION

1. Background

- 1.1 This document sets out the legal framework to decision making and establishes a system to document decisions taken under delegated authority.

2. Types of Decisions

- 2.1 The significance of decisions taken under delegated powers will vary, and officers authorised to make delegated decisions will need to exercise judgement in determining whether decisions are significant enough to require placing in the Forward Plan if they are Executive functions and/or formally recording. To assist in this process, decisions relating to Executive functions are defined as Key, Major or Administrative. All decisions other than Administrative need formally recording in accordance with paragraph 7. Administrative Decisions although not required to be formally reported to the Proper Officer, must be recorded so as to provide an audit trail as referred to in paragraph 7.
- 2.2 In relation to non-Executive functions, officers should adopt a similar approach to formal recording to ensure transparency of decision-making. Whilst Scrutiny Panels cannot consider decisions of Regulatory Panels, such officer decisions can be challenged externally through the courts. A delegated decision form to record Council functions is referred to in paragraph 5.2.
- 2.3 A Key Decision is as defined in Article 12.
- 2.4 *Major Decisions*: a Major Decision shall bear the same definition as a Key Decision in Article 12 of the Council's Constitution, save that the only criteria for a Major Decision is that the expenditure shall be between £200,000 - £500,000. The exceptions and exemptions from Key Decisions shall also apply to Major Decisions.

3. The Process

- 3.1 Before taking any decision, the authorised officer must take into account the principles of decision making set out in the Constitution
- 3.2 All proposed Key Decisions need to be in the Council's Forward Plan which sets out matters to be considered by the authority over the following four months and is updated on a monthly basis. Officers proposing to make a Key Decision and needing to place an item on the Council's Forward Plan should complete the Forward Plan template and supply this to the Democratic Services Officer. This is available on the Council's intranet site. Key decisions must be published on the Forward Plan at least 28 clear days before the proposed decision date.
- 3.3 If it is impracticable to include the matter in the Forward Plan, then the officer must comply with the legal requirements relating to exceptional and urgent Executive decisions. These are laid out in full in the Access to Information Procedure Rules, Part 4 of the Council's Constitution. Officers will find the explanation of the constitutional and legal position set out in the Corporate Standards on Decision-Making.

3.4 If an officer is unable to give five clear days notice of a Key Decision that was not in the Forward Plan, s/he can take the decision only if the chair of the relevant Scrutiny Panel agreed that the decision is urgent and cannot reasonably be deferred. The full procedure is again set out in the Access to Information Procedure Rules and again laid out in the Corporate Standards on Decision-Making.

4. Call-in

4.1 Relevant decisions made by officers are subject to call-in by the relevant Scrutiny Panel and cannot be implemented until either the call-in period has expired or the Scrutiny Panel has made a decision regarding the call-in. The call-in procedure is set out in the Overview and Scrutiny Procedure Rules within the Constitution.

5. Recording the Decision

5.1 Officer Key Decisions are recorded in the same manner as Cabinet / Cabinet Member Key Decisions. The nominated Democratic Services Officer will produce a Decision Record in the same format as those relating to Cabinet decisions following the officer decision taking as advertised on the Forward Plan.

5.2 Upon making a Major Decision in relation to an Executive function, the officer must provide the Democratic Services Officer with a completed Delegated Decision Form (available on the Council's intranet site) within two clear working days of the date of taking the decision. Any such forms must also be copied to the relevant Director and Directorate lead.

5.3 Upon making a Major Decision relating to the exercise of a non-Executive function, the officer must provide the Democratic Services Officer with a completed Delegated Decision Form within two clear working days of the date of taking the decision unless agreed with the Service Director: Legal & Governance that that decision (or class of decisions) does not require this. Any such forms must also be copied to the relevant Director.

5.4 The Democratic Services Officer will maintain a record of all decisions referred to in paragraphs 5.1 to 5.3, including any report upon which each decision was made and subject to any requirement for confidentiality, will ensure that this decision is recorded by the Council. S/he will also ensure that the record of decisions is available for public inspection during all normal office hours and that the public has the right to copy or to be provided with a copy of any part of that record upon payment of a reasonable copying and administrative charge.

5.5 It is essential that the contents of the Delegated Decision Form are clear in conveying the decision taken, i.e., it will not be sufficient to state that the recommendations in a report were agreed. The form and accompanying report must set out:

- a record of the decision (including the date it was made);
- the reasons for the decision;
- details of any alternative options considered and rejected;
- a record of any conflict of interest declared by any Executive Member consulted; and
- in relation to any such declaration, a note of any dispensation granted by the Governance Committee.

5.6 The Delegated Decision Form includes a section for the recording of interests by officers. It is important that where officers involved in making decisions have a registerable interest this is declared on the form to preserve the integrity of the process.

6. Authorisation of Officers to exercise Delegated Powers

6.1 The Officer Scheme of Delegation includes the power for officers to authorise other officers to exercise delegations that have been delegated to them under the Scheme. This must be to another officer or officers of suitable experience and seniority. Each Service **Director** will prepare a Departmental Scheme of Authorisations within 28 days of the Council's AGM when the Scheme of Delegation is approved, and revise it as appropriate during the year. It shall set out how decisions will be made in his/her area. This should establish which officers will be given authority to make decisions under the Chief Officer's delegated powers, and subject to which terms and conditions. The Scheme of Authorisation will be lodged with the Service Director: Legal & Governance.

6.2 Whilst Service **Directors** may authorise other officers to take delegated decisions, the decision is still their responsibility, who will be accountable for the decision to authorise and the exercise of that authorisation.

7. Referral

7.1 Whilst this Scheme is designed to encourage officers to take responsibility for decisions, an officer may decide that a particular issue is such that it should be referred to the body from whom authority was delegated. Such a referral must take place where the proposed decision relating to Executive function is in conflict with the Council's Budget and Policy Framework.

7.2 The Executive may also direct an officer's delegated authority should not be exercised and that the matter should be referred to the Executive.

7.3 In relation to the exercise of non-Executive functions, the officer may decide to refer a particular issue to the Committee or sub-committee from whom it was delegated, or if none, arrange for an appropriate recommendation to be made to Full Council.

8. Giving Reasons

8.1 A matter of increasing significance in local authority decision-making is when reasons have to be given. Generally, giving reasons is an accepted 'best practice' principle of good administration. Case law suggests that the practice may be important in ensuring that controversial decisions are rooted in relevant considerations and with proper regard to available legal powers.

9. Accountability

9.1 Officers are accountable to the Council for any decision they make, and with the exception of decisions relating to non-Executive functions, may be required to report to, and answer questions from a Scrutiny Panel in respect of any Decision. Scrutiny Panel may also call in Key and Major Decisions before they are implemented and may recommend a course of action when the matter is to be reconsidered by the officer.

10. Consultation with Members

10.1 General Provisions

- a. Decisions made by officers under delegated powers fall into two principal categories, namely:
 - decisions delegated to officers in or following consultation with Cabinet Member (which may or may not be Key Decisions); and
 - other decisions delegated to officer (which are not required to be taken in or following consultation with Cabinet Members) and which may or may not be Key Decisions.
- b. Officers to whom decisions have been delegated have a duty to ensure that effective consultation takes place in accordance with the Constitution / the terms of the delegation.
- c. Every effort will be made to ensure that Members have a realistic time scale to respond to consultation and, where appropriate and reasonably practicable, this time scale will be sufficient to enable Members to consult with their constituents. Members will be informed of any time restrictions which may apply relating to the process of consultation, particularly where urgent action is needed in the Council's and/or the public interest.

10.2 Decisions by Officers following consultation with Cabinet Members

Officers to whom decision-making powers have been delegated, subject to consultation with Cabinet Members, will ensure that such consultation takes place.

10.3 Other Decisions delegated to officers

- a. Officers acting within the remit of their delegated powers will ensure that they identify, at an early stage, issues upon which Members should be consulted; and
- b. Officers will ensure that appropriate consultation takes place.

10.4 Consultation with Cabinet Members

Officers will ensure that appropriate consultation is undertaken with Cabinet Members on issues relating to their Portfolios.

SCHEME FOR HANDLING PETITIONS

1. **Petitions**

The Council welcomes petitions and recognises that they are a way in which the people can let the Council know their concerns. All petitions must be submitted in accordance with this guidance and can be in electronic form created from the Council's website or on paper and sent to Democratic Services, Civic Centre, Civic Centre Road, Southampton SO14 7LY.

2. **Content**

2.1 Petitions submitted to the Council must:-

- include a clear and concise statement covering the subject of the petition stating what action the petitioners wish the Council to take;
- should be accompanied by the name, address, and contact details of the petition organiser; and
- contain a minimum of 50 signatures of persons who live, work or study in the City and who support the petition.

3. **Petition Organiser**

The Petition Organiser is the person the Council will contact to explain how it will respond to the petition. The contact details of the Petition Organiser will not be placed on the website. If the petition does not identify a Petition Organiser, the Council will contact signatories to the petition to agree who should act as the Petition Organiser.

4. **Restrictions**

4.1 A petition may be rejected should the Service Lead: Democratic & Electoral Services consider that the petition:-

- contains intemperate, inflammatory, abusive or provocative language;
- is defamatory, frivolous, vexatious, discriminatory or otherwise offensive, or contains false statements;
- is too similar to another petition submitted within the last six months;
- discloses confidential or exempt information, including information protected by a court order or government department;
- discloses material which is otherwise commercially sensitive;
- contains names of individual citizens as the target of the petition, or provides information where they may be easily identified, e.g. officers or public bodies;
- contains advertising statements;
- refers to an issue which is currently the subject of a formal Council complaint, Local Government Ombudsman complaint or any legal proceedings;
- relates to the Council's Planning or Licensing functions as there are separate statutory processes in place for dealing with these matters;
- does not relate to an issue upon which the Council has powers or duties or on which it has shared delivery responsibilities; or
- has already been the subject of debate by Full Council within the last six months.

4.2 During politically sensitive periods, such as prior to an election or referendum, politically controversial material may need to be restricted.

4.3 If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, the Council will write to you to explain the reasons.

5. **On Receipt of a Petition**

5.1 An acknowledgement will be sent to the Petition Organiser within three working days of receiving the petition. It will let them know what the Council plans to do with the petition and when they can expect to hear from the Council again. It will also be published on the website.

5.2 If the Council can do what your petition asks for, the acknowledgement may confirm that the Council has taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a Council debate (over 1,500 signatures), or 750 signatures requiring referral to Overview & Scrutiny Management Committee, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, the Council will tell you the steps it plans to take. If more than one petition is received on the same subject matter within a 7 day period, if appropriate, they will be amalgamated which may trigger a Council debate as above.

5.3 If the petition relates to action currently being progressed by the Council and the petition triggers with a debate at Full Council or Overview & Scrutiny Management Committee, then the action will be suspended pending the debate, save in relation to statutory, contractual or other legal situations, where suspension would prejudice the Council's position.

5.4 If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, such as Council Tax Banding and non-domestic rates, other procedures apply. These will take precedence.

5.5 The Council will not take action on any petition which it considers to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in its acknowledgement of the petition.

5.6 To ensure that people know what the Council is doing in response to the petitions received, the details of all the petitions submitted will be published on the website, except in cases where this would be inappropriate. Whenever possible the Council will also publish all correspondence relating to the petition (all personal details, except the name, will be removed).

6. **Council's Response to Petitions**

6.1 The Council's response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:-

- taking the action requested in the petition
- considering the petition at a Council meeting
- holding an inquiry into the matter
- undertaking research into the matter

- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by the Council's Overview and Scrutiny Committee*
- calling a referendum
- writing to the petition organiser setting out the Council's views about the request in the petition

*Overview and Scrutiny Committees are committees of Councillors who are responsible for scrutinising the work of the Council - in other words, the Overview and Scrutiny Committee has the power to hold the Council's decision makers to account.

6.2 If your petition is about something over which the Council has no direct control (for example the local railway or hospital) it will give consideration to what the best method is for responding to it is. The Council may make representations on behalf of the community to the relevant body. The Council works with a large number of local partners and where possible will work with these partners to respond to your petition. If the Council is not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then it will set out the reasons for this to you.

6.3 if your petition is about something that a different Council is responsible for, the Council will give consideration to what the best method is for responding to it. It might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event the Council will always notify you of the action it has taken.

7. **Full Council debates**

7.1 If a petition contains more than 1,500 signatures, where time permits it will be debated by the full Council unless it is a petition asking for a senior Council officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all Councillors can attend. The Petition Organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by Councillors in accordance with Council Procedure Rules as contained. Where time does not permit a debate at Full Council, the matter will be referred to the appropriate decision-maker or relevant committee. If the petition is a matter relating specifically to the February budget resolution and cannot be deferred, the Mayor will use their discretion as to how the matter will be handled.

7.2 The Council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. The Petition Organiser will receive written confirmation of this decision. This confirmation will also be published on the City Council's website.

8. **Non Qualifying Petitions (fewer than 1,500 signatures)**

8.1 Should the petition contain at least 750 signatures, the relevant Cabinet Member or Director will give evidence at a public meeting of the Council's Overview and Scrutiny Committee. The petition may ask for a senior Council officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, your petition may ask a senior Council officer to explain progress

on an issue, or to explain the advice given to Councillors to enable them to make a particular decision. A list of the senior staff that can be called to give evidence can be found [at http://www.southampton.gov.uk/council-partners/corporatemanagement/](http://www.southampton.gov.uk/council-partners/corporatemanagement/).

- 8.2 Petitioners should be aware that the Overview and Scrutiny Committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition - for instance if the named officer has changed jobs. Committee members will ask the questions at this meeting, but you will be able to suggest questions to the chair of the committee by contacting Democratic Services up to three working days before the meeting.
- 8.3 A petition with a minimum of 50 signatures will be treated as one to which a response in accordance with the Scheme is to be made. Petitions with fewer signatories may still be submitted, but the Council will have greater flexibility in responding to the issues these petitions raise.

9. **E-petitions**

- 9.1 The Council welcomes e-petitions which are created and submitted through the [website](#). E-petitions must follow the same guidelines as paper petitions. The Petition Organiser will need to provide the Council with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for three months, but you can choose a shorter or longer timeframe, up to a maximum of six months.
- 9.2 Individuals signing an e-petition will receive by email a link to that part of the City Councils' website where the response to the petition will be displayed. The Council regrets that it cannot respond by post or other means other than posting information on the website to all the signatories of paper petitions other than the promoters and organisers.
- 9.3 Should the Council feel that it cannot publish a petition for some reason the Petition Organiser will be contacted with an explanation and given the opportunity to amend and resubmit the petition. If the Petition Organiser does not resubmit within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.
