PUBLIC INFORMATION

Role of the Council

The Council comprises all 48 Councillors. The Council normally meets six times a year including the annual meeting, at which the Mayor and the Council Leader are elected and committees and sub-committees are appointed, and the budget meeting, at which the Council Tax is set for the following year.

The Council approves the policy framework, which is a series of plans and strategies recommended by the Executive, which set out the key policies and programmes for the main services provided by the Council. It receives a summary report of decisions made by the Executive, and reports on specific issues raised by the Overview and Scrutiny Management Committee. The Council also considers questions and motions submitted by Council Members on matters for which the Council has a responsibility or which affect the City.

6 MOTIONS

(a) Councillor Furnell to move:

This Council notes with alarm the continuing increase in the rate of recorded crime across the country with a rise last year of 12.8%.

This Council is concerned that this disturbing pattern is mirrored in Southampton with the number of crimes recorded in the city last year totalling 31,859 - a 2.3% increase on the figure for 2016/17 (which represented a 9% increase on 2015/16) and representing 20% of all recorded crime across the Hampshire & Isle of Wight police force area.

Of particular concern are the sharp increases in the following categories:

- Serious Knife Crime (up by 28.9% on the previous year)
- Hate Crime (up by 24.7% on the previous year)

- Robbery (up by 23.9% on the previous year)
- Rape (up by 23.8% on the previous year)

This Council notes that between January 2010 and March 2018 the number of neighbourhood police serving the City declined by a third from 87 to 60 and presently the number stands at 47.

This Council, therefore, welcomes the commitment given by the Police & Crime Commissioner to increase the number of frontline police officers by 210 – as justification for an increase in the police precept element of the Council Tax – and fully expects Southampton to receive its fair share of this additional resource.

This Council calls upon the Police & Crime Commissioner to ensure deployment of a further 25 additional neighbourhood police officers over the coming year to boost the number in each of the City's eight neighbourhood teams and to create sufficient capacity to respond in a timely manner to local incidents without depleting existing local services.
