Role of the Council

The Council comprises all 48 Councillors. The Council normally meets six times a year including the annual meeting, at which the Mayor and the Council Leader are elected and committees and sub-committees are appointed, and the budget meeting, at which the Council Tax is set for the following year.

The Council approves the policy framework, which is a series of plans and strategies recommended by the Executive, which set out the key policies and programmes for the main services provided by the Council. It receives a summary report of decisions made by the Executive, and reports on specific issues raised by the Overview and Scrutiny Management Committee. The Council also considers questions and motions submitted by Council Members on matters for which the Council has a responsibility or which affect the City.
