The Council approves the policy framework, which is a series of plans and strategies recommended by the Executive, which set out the key policies and programmes for the main services provided by the Council. It receives a summary report of decisions made by the Executive, and reports on specific issues raised by the Overview and Scrutiny Management Committee. The Council also considers questions and motions submitted by Council Members on matters for which the Council has a responsibility or which affect the City.

6 MOTIONS

(a) Moved by Cllr Noon

Over the last 10 years we have seen a loss of confidence by many communities in the Police. In the retail sector, data released by the Co-op (July 27th 2023) revealed the highest ever level of retail crime.

This Council notes that due to Conservative government austerity 20,000 experience police officers were made redundant.

Council further notes that after accepting that this austerity measure was a massive error the Conservative government has reversed this policy. However, this is yet to have any significant impact on the level of retail crime in Southampton.

Southampton city Council stands with Unions and employers in calling on Hampshire police and Crime commissioner Donna Jones to act on improving retail workers'

protection in Southampton, by prioritising the response to and investigate all retail crime. This Council request that the Cabinet Member writes to the Police and Crime Commissioner and invites her as a matter of urgency to meet local unions and business representatives to discuss a plan of action on retail crime.”

(b) Moved by Councillor Blackman

Council notes the implementation of 20mph zones in residential areas across the city and the widespread support for them. Furthermore, Council agrees that the implementation of the remaining areas where 20mph zones have not yet been established should take place as soon as possible.

Similarly, Council notes the reduction of speed limits on a number of roads from 40mph to 30mph, including Bassett Avenue and Bassett Green Road, and the positive impact this has had.

However, residents regularly express serious concerns about speeding on residential roads and the lack of enforcement of speed limits. Residents are rightly concerned about the dangers posed by speeding vehicles and should be able to feel safe in going about their daily lives.

Council therefore calls for increased efforts to tackle the problem of speeding, including installation of more roundels on the road surface to remind motorists of the speed limits and more effective and permanent use of electronic signs.

8 APPOINTMENTS TO COMMITTEES, SUB-COMMITTEES AND OTHER BODIES

To deal with any appointments to Committees, Sub-Committees or other bodies as required.

NOTE: There will be prayers by Fr. Anthony Chiatu Njingo in the Mayor’s Reception Room at 1.45 pm for Members of the Council and Officers who wish to attend.
