STATEMENT OF CONFIDENTIALITY			
None			
BRIEF SUMMARY			
In accordance with the Accounts and Audit Regulations the Council is required to develop and publish an Annual Governance Statement ('AGS'). The AGS reports on the extent to which the Council has complied with its Code of Corporate Governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.			
The Governance Committee is responsible for receiving, reviewing and approving the draft AGS.			
RECOMMENDATIONS:			
	(i)	To review the draft 2017-18 AGS (Appendix 1); and	
	(ii)	To note the status of the 2016-17 AGS Action Plan (Appendix 2).	
REASONS FOR REPORT RECOMMENDATIONS			
1.	The Governance Committee has responsibility to provide independent assurance on the adequacy of the risk management framework and the internal control and reporting environment, including (but not limited to) the reliability of the financial reporting process and the annual governance statement.		
2.	In accordance with CIPFA Guidance, Audit [Governance] Committees should be provided with early sight of a draft of the AGS noting that the final version will be signed as part of the Statement of Accounts.		
ALTERNATIVE OPTIONS CONSIDERED AND REJECTED			
3.	No alternative options have been considered. The development and publication of an AGS is a requirement under the Accounts and Audit Regulations.		
DETAIL (Including consultation carried out)			
4.	Regulation 6 (1) (b) of the Accounts and Audit England Regulations 2015 requires that the council must, each financial year, conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement.		
5.	The purpose of the AGS, which is required to be published with the statement of accounts, is to provide an accurate representation of the		

	<p>corporate governance arrangements in place during the year and to identify where there are significant gaps or where improvements are required. The draft AGS, which has been developed in accordance with the 'Delivering Good Governance in Local Government: Framework (CIPFA/Solace, 2016)', reflects the seven core principles of good governance which are referred to in the council's Code of Corporate Governance.</p>
6.	<p>In accordance with the CIPFA/Solace guidance, the key good practice features of an annual governance statement are as follows:</p> <ul style="list-style-type: none"> • The statement has been properly approved. • It is regarded as a valuable means of communications which will enable stakeholders to understand the authority's governance arrangements. • It is easily accessible by authority members and members of the public, for example: <ul style="list-style-type: none"> ▪ through its prominent display on the authority's website; ▪ publishing it with, but separately from, the statement of accounts. • It has been clearly thought out and reflects the vision, character and structure of the authority, i.e. the big picture and not the detail. • It demonstrates ownership by the authority and has a high status within senior management. • It is a genuinely shared effort with wide input from outside the finance and audit functions. • It is a key document for showing how the authority is achieving its strategic objectives. • It is in an open and readable style. • It demonstrates challenge. • Issues are clearly articulated and it communicates a clear and concise message. • Weaknesses together with areas for improvement are highlighted. • It clearly communicates what has been done to resolve significant control issues and what remains to be done. • Actions identified are specific, measurable, achievable, realistic, and time related (SMART). • Responsibility for those actions is clearly identified. • It is a 'living' document, i.e. it is not focused exclusively on year end and communicates significant issues which may change from year to year.
7.	<p>The draft 2017-18 AGS has been developed by the council's 'Controls Assurance Management Group' comprising the Section 151 Officer (Service Director - Finance and Commercialisation), Monitoring Officer (Service Director - Legal and Governance), Chief Internal Auditor, Chief Strategy Officer and the Chair of Governance Committee in 2017-18.</p>
8.	<p>The AGS is produced following a review of the systems and processes that comprise the Council's governance arrangements. The key components of this process are completion of an 'Assurance Framework' document together with 'Self-Assessment Statements' completed by each Service Director. Both documents cover the key processes and systems that comprise the council's governance arrangements and are intended to identify any areas where improvement or further development is required.</p>
9.	<p>The draft AGS has also been shared with the Council's Management Team.</p>
10.	<p>The AGS must be current at the time it is published so the final version of the 2017-18 AGS will be presented to the Governance Committee at the July</p>

	meeting for approval prior to being signed by the Leader of the Council and the Interim Chief Executive respectively.
