<b>STATEMENT OF CONFIDENTIALITY</b>			
Not applicable			
<b>BRIEF SUMMARY</b>			
<p>Approval is being sought by Cabinet on 20<sup>th</sup> August 2019, to implement a policy to support private sector housing enforcement in the city. Enforcement of the private sector is taken in accordance with statutory requirements and with reference to the Corporate Enforcement Policy. Establishing a new policy on private sector enforcement allows Southampton City Council to provide updated guidance to officers, businesses and the public following legislative updates and ensures that council policy reflects the following national legislative updates;</p> <ul style="list-style-type: none"> <li>- The issuing of Civil Penalties which are new legal powers for local authorities to use in certain housing act offences including HMO licencing.</li> <li>- The use of Banning Orders, in the case of the most serious offenders and rogue landlords the council can apply to the first-tier tribunal to impose a banning order on a person to prevent them from acting as a landlord.</li> </ul>			
<b>RECOMMENDATIONS:</b>			
	(i)	That Overview and Scrutiny Management Committee (OSMC) to examine and review draft policy, in order to highlight any matters which Members feel should be taken into account by the Executive when reaching a decision to approve the policy.	
<b>REASONS FOR REPORT RECOMMENDATIONS</b>			
1.	The Enforcement of a Private Sector Housing Policy will provide clearer guidance to officers, business and the public on the council's administration of private sector housing enforcement in the city.		
2.	Following the introduction of the Housing and Planning Act 2016, the council has new statutory powers in relation to civil penalty notices and banning orders. The council is expected to implement its own policy on the use of these powers and as such these are contained within this policy.		
<b>ALTERNATIVE OPTIONS CONSIDERED AND REJECTED</b>			
3.	Not having an updated enforcement policy would mean that the council would be open to challenge on our use of the updated and new powers contained		

	<p>within the Housing and Planning Act 2016 and Housing Act 2004 (where amended).</p> <p>The statutory guidance on the use of Civil Penalties states that Local Authorities are expected to develop and document their own policy on when to prosecute and when to issue civil penalties and what the appropriate penalties are.</p> <p>Also separate non-statutory guidance on the use of Banning Orders states that Local Authorities are expected to develop their own policy on when to pursue banning orders.</p>
<b>DETAIL (Including consultation carried out)</b>	
4.	Southampton has a large private rented sector of around 25,000 properties, accounting for approximately a quarter of the housing stock in the city.
5.	The council has statutory responsibilities under the Housing Act 2004 and Housing and Planning Act 2016 to undertake duties in relation to the enforcement of the private rented sector in Southampton.
6.	The Housing and Planning Act 2016 introduced new powers for local authorities and updated the Housing Act 2004 in relation to certain functions
7.	The Housing and Planning Act 2016 introduced Civil Penalty Notices as an alternative to prosecution for certain Housing Act 2004 offences. Financial penalty notices to the maximum value of £30,000 can be issued. Before making use of these powers Southampton City Council should determine its own level of fees and publish these within a policy. Southampton City Council's private rented enforcement policy includes detail on the scheme and the matrix used to determine the level of fines. In summary there are twelve categories of fines ranging from £25 to £30,000. The level of fine will be determined by assessing the culpability of the landlord and the harm caused by the offence to the tenant.
8.	In 2018 the secretary of state established a national database of rogue landlords and property agents. The council is authorised to add any qualifying rogue landlords to the database and the policy details how this will be administered.
9.	Under new powers contained in the Housing and Planning Act 2016 the council can apply to a First-tier tribunal for a banning order to prevent a landlord from operating. The policy establishes the council's policy on banning orders.
10.	The policy contains guidance on the use of management orders and empty dwelling management orders following updates to the legislation relating to the use of banning orders.
11.	The published policy provides guidance on all aspects of the enforcement regime and will ensure that the council operates in a consistent manner in relation to the enforcement of the private housing sector.

<b>RESOURCE IMPLICATIONS</b>	
<b><u>Capital/Revenue</u></b>	
12.	Private sector housing enforcement is a statutory function. Enforcement work is a General Fund cost contained within the Private Sector Housing budget and recoverable through penalty, work in default recovery or enforced sale.
13.	Any income generated by the use of civil penalty notices can only be used by the council to support Private Sector Housing enforcement. This is a provision under the Housing and Planning Act 2016.  Work in Default or the use of the Enforced Sale procedure may recover reasonable costs incurred by the council. Due to the long term nature of property sales, recovery may take several years.
<b><u>Property/Other</u></b>	
14.	None
<b>LEGAL IMPLICATIONS</b>	
<b><u>Statutory power to undertake proposals in the report:</u></b>	
15.	Private sector housing enforcement is undertaken in accordance with the Housing Act 2004, The Housing and Planning Act 2016 and other legislation as listed in the policy.
<b><u>Other Legal Implications:</u></b>	
16.	The council must have due regard to the Public Sector Equality Duty under the Equality Act 2010 when carrying out any functions including developing any policies that may have any effect on any protected persons, in particular the duty to eliminate discrimination, harassment and victimisation and advance equality of opportunity and fostering good relations. Local Authorities also have a duty under the Human Rights Act 1998, when carrying out any function, not to act incompatibly with rights under the European Convention for the Protection of Fundamental Rights and Freedoms.
<b>RISK MANAGEMENT IMPLICATIONS</b>	
17.	If the council does not publish a policy there is a risk that it any enforcement action could be successfully challenged, in particular on its use of banning orders, civil penalties and management orders.
18.	
<b>POLICY FRAMEWORK IMPLICATIONS</b>	
19.	The Private Sector Enforcement Policy supports the Southampton City Council Housing Strategy 2016-2025 priorities and outcomes; <ul style="list-style-type: none"> <li>• People in Southampton live safe, healthy, independent lives</li> </ul>
20.	The Private Sector Enforcement Policy 2019 is supported by the HMO licensing Policy 2019.

## 1. Scope and Definitions

- 1.1 The Southampton City Council Enforcement Private Rented Sector Policy is intended to provide guidance for officers, businesses and members of the public on the principle and processes which will apply when enforcement action is considered or taken. The Southampton City Council Enforcement Private Rented Sector Policy should be read in conjunction with The Southampton City Council Enforcement Policy.
- 1.2 The Southampton City Council Enforcement Policy is a general policy which outlines the principles of enforcement that the council will follow and apply.
- 1.3 This policy indicates the different enforcement options that the council may follow and apply in the private rented sector, and how decisions are made on enforcement; it also explains the role and authorisation of officers who have enforcement responsibilities.
- 1.4 This policy sets out high level principles of enforcement procedures in private rented sector and, where applicable, is supported by The Southampton City Council Enforcement Policy.
- 1.5 Southampton City Council is committed to carrying out its duties in a fair and consistent manner and ensuring that enforcement action is proportional to the seriousness of failure to comply with statutory requirements.

## 2. Legislative Context and Other Related Documents

- 2.1 This policy is linked to a number of a different pieces of legislation and guidance. The council will adhere to all relevant legislation and guidance including:
  - Human Rights Act 1998

- Public Health Acts 1875 – 1932, 1936, 1961, 1984

### 3. Our Objectives

- To strive to ensure that tenants of a private landlord or a Registered Social Landlord (RSL) live in homes free of significant risks to their health and safety.
- To strive to ensure that all Houses in Multiple Occupation (HMO's) and Selective Licensed properties are safe, licensed where required and all licensing conditions are met.
- To work with owners of Empty Homes to ensure they are not left empty where there is blight and a need for housing.
- To work with owners and occupiers of privately owned property and land so that it does not present a statutory nuisance to other land owners, or does not directly or indirectly present an unacceptable risk to public health, safety or the environment.
- We meet our statutory duties as a local housing authority.

### 4. Decision Making

4.1 Enforcement action will be based on risk and we must also have full regard to any statutory duty.

4.2 Assessment of risk will be based on current legislation and specific guidance.

4.3 Enforcement Officers are required to make judgments and will decide on appropriate action after considering the criteria within this Policy and relevant written procedures.

4.4 A Senior Officer will give prior approval to all formal action falling outside the scope of this policy.

4.5 Where the investigating enforcement officer believes that legal action maybe required, evidence will be collected and the case will be reviewed by the service manager before it proceeds.

## 5. Enforcement Principles

5.1 The council's enforcement policies will have regard to the Regulators' Code (2014).

Enforcement activity undertaken by Southampton City Council should be:

- **Proportionate** – our enforcement activities should reflect the level of risk to the public and enforcement action taken should correspond to the seriousness of the offence.
- **Accountable** – our activities should be open to public scrutiny, with clear and accessible policies, and fair and efficient complaints procedures.
- **Consistent** – our advice to those we regulate should be reliable and we will respect advice provided by other regulators. The council should seek to ensure fair and level enforcement, however the council recognises that consistency is not the same as uniformity. Officers should exercise their professional judgment and discretion according to the circumstances of each individual case.
- **Transparent** – those we regulate should be able to understand what is expected of them and what they can anticipate in return; regulations and enforcement procedures should be as clear and simple as possible.

## 6. Enforcement Procedure

6.1 The decision to pursue enforcement action will depend on the severity of the non-compliance. Factors that will be taken into consideration include:

- The risk that the non-compliance poses to the safety, health or economic welfare of the public at large or to individuals;
- Evidence that suggests that there was pre-meditation in the commission of an offence;
- The alleged offence involves a failure to comply in full or in part with the requirements of a statutory notice, order or policy;
- There is a recorded history of previous warnings or the commission of similar offences; and
- Aggravated circumstances such as obstruction of an officer or aggressive/violent behaviour.

## 7. Housing, Health and Safety Rating System (HHSRS)

7.1 The HHSRS is set out in Part 1 of the Housing Act 2004. It is a method of assessing how likely it is that the condition of a property will cause an unacceptable hazard to the health of the occupant(s).

7.2 There are two categories of possible hazards:

- **Category 1 Hazards** represent a serious danger to health and the council has a duty to take appropriate action to deal with these.

- **Category 2 Hazards** represent a lesser danger and, although it has no duty to take action, the council will exercise its power to reduce category 2 hazards through appropriate action.

7.3 A range of enforcement powers is available under the Act to remove or reduce any hazards identified to an acceptable level.

## 8. Powers of Entry

8.1 Where appropriate and proportionate authorised officers can use the powers of entry set out in part 1 of the Housing Act 2004 and other relevant legislation for example where they have reasonable belief an offence has been committed and they need to gather evidence.

8.2 In general the powers will allow an officer at any reasonable time to;

- Enter a property to carry out an inspection and gather evidence
- Take someone with them
- Take equipment or materials with them
- Take measurements, photographs or make recordings
- Leave recording equipment for later collection
- Take samples of articles or substances; and in some cases to carry out works.

8.3 In most cases prior notice must be given to owners and to the occupiers. The notice given depends on the legislation being enforced and can range from 24 hours to 7 days.

8.4 Notice that that powers of entry need to be carried out will normally be in writing but can in some circumstances be given verbally, depending on the relevant statutory provision.

8.5 The powers of entry can be enforced with a warrant. The Police may if necessary accompany officers where that is appropriate.

8.6 It is an offence to obstruct an officer in the course of their duty if they are attempting to gain entry whilst executing a warrant.

8.7 Officers exercising their power of entry will carry identification and details of their authorisation to carry out their action.

## 9. Enforcement Options

9.1 The council seek to comply with regulatory legislation through the use of the following courses of action:

- Use of informal action, written guidance, advice and notices
- By refusal, revocation or the attachment of conditions to a licence
- By issuing fixed penalty notices
- By using civil legislation where appropriate
- By the use of various management orders

- By the use of statutory notices and orders
- By issuing simple cautions
- By carrying out work in default
- By prosecution
- By the use of civil penalties
- By using anti-social behaviour powers
- By compulsory purchase or enforced sale

9.2 The council in deciding upon enforcement options will also have due regard to statutory guidance, approved codes of practice and relevant industry or good practice guides.

## 10. Enforcement Decision Table

10.1 The following table contains some examples of situations where different types of action may be taken. Decisions are made on a case by case basis.

## 11. Informal Action

11.1 Informal action includes:

- Offering advice
- Giving verbal and written warnings
- Negotiating agreements between complaints and other residents or businesses
- The negotiation of specific conditions with licences, and
- The use of informal notices

11.2 It is generally considered appropriate to take informal action in one or more of the following circumstances:

- The act omission is not serious enough to warrant formal action.
- From the business'/member of public's past history it can be reasonably expected that informal action will achieve compliance with the law.
- The consequence of non-compliance will not pose a significant risk.

## 12. Civil Penalty Notices

12.1 Under the Housing and Planning Act 2016 a local authority has the power to impose a civil penalty of up to £30,000 as an alternative to prosecution for certain offences under the Housing Act 2004.

12.2 The following offences under the Housing Act 2004 can be considered for a civil penalty;

- Failure to comply with an Improvement Notice (Section 30).
- Offences relating to Licensing of HMOs (Section 72).
  - Section 72 (1) being in control or managing an HMO which is required to be licensed but is not so licensed.
  - Section 72 (2) being in control or managing an HMO which is licensed but knowingly permitting occupation over and above the number authorised by the licence.
  - Section 72 (3) being a licence holder who fails to comply with any condition of a licence.
- Offences in relation to licensing under Part 3 of the Housing Act 2004 (Section 95).
  - Section 95 (1) being in control or managing a house which is required to be licensed but is not so licensed.
  - Section 95 (2) being a licence holder who fails to comply with any condition of a licence.

- Offence of contravention of an overcrowding notice (Section 139).
  - Failure to comply with management regulations in respect of an HMO (Section 234).
- 12.3 Each local Authority must implement its own civil penalties scheme and determine its own level of civil penalties. Please see appendix 1 for the Civil penalties charges.
- 12.4 The same criminal standard of proof is required for a civil penalty as for prosecution. This means that before taking formal action, a local housing authority should satisfy itself that if the case were to be prosecuted in the magistrates' court, there would be a realistic prospect of conviction.
- 12.4 The Council will, where it deems necessary and proportionate make use of the powers to issue civil penalty notices for applicable offences .
- 12.5 The procedure for issuing civil penalties is prescribed by schedule 13A of the Housing Act 2004 and schedule 1 of the Housing and Planning Act 2016.
- 12.6 The decision to issue a civil penalty notice will be made by the service manager for HMO licensing after consultation with legal services on a case by case basis..
- 12.7 A local housing authority is required to issue a 'notice of intent' to issue a financial penalty. Under this notice a landlord has 28 days with which to make representations to the local housing authority.  
At the end of this period, should the local housing authority still propose to issue the financial penalty, they must serve a 'final notice' imposing the penalty.  
On receipt of a final notice imposing a financial penalty a landlord can appeal to the First-tier Tribunal against the decision to impose a penalty and/or the amount of the penalty. The appeal must be made within 28 days of the date the final notice was issued. The final notice is suspended until the appeal is determined or withdrawn.

### **13. Civil Legislation**

- 13.1 Where appropriate, the Southampton City Council will use civil legislation in the fulfilment of its duties. For example, an injunction may be sought to prevent a business from continuing to breach the law and it is felt the criminal sanctions will not prevent further breaches.

### **14. Management Orders**

- 14.1 The Council will consider applying for an Interim Management Order /Special Interim Management Order and final Management Order on a case by case basis and in compliance with part 4 of the Housing Act 2004.

### **15. Statutory Notices**

- 15.1 Statutory notices/orders legally require the execution of works, the removal of statutory nuisances or the protection of public health and/or safety.
- 15.2 Notices and Orders will normally be served where:

- Informal action has not achieved the desired effect,
- There is a lack of confidence that the individual/company will respond to an informal approach,
- There is a history of non-compliance with informal action,
- Standards are generally poor with little management awareness of statutory requirements,
- The consequences of non-compliance could be potentially serious to the health and safety of the public.
- Where the breach of legislation is so serious, deterrence and punishment may be required to prevent future occurrences.

15.3 Time limits will be attached to notices and wherever possible these will be agreed in advance with the person or business on which they are served.

15.4 In some circumstances, requests for extension of time can be made. These should be in writing, prior to the expiry date, explaining the reason for the request.

15.5 Statutory notices may also be served in conjunction with prosecutions.

15.6 Having regard to statutory powers, and where the law allows, a charge will apply to statutory notices and orders.

15.7 Where a notice is not complied with by the expiry date, a prosecution or further enforcement action may be considered appropriate.

15.8 Statutory notices and orders are important legal documents. Once served, failure to take follow-up enforcement action has serious implications having regard to the contents of this Policy. Failure to comply with a statutory notice or order will normally result in seeking authority to either issue a civil penalty or to prosecute, and/or the carrying out of works in default

## 16. Simple Cautions

16.1 Where there is evidence of a criminal offence but the public interest does not require a prosecution, a simple caution can be used.

16.2 Simple cautions are mainly used for cases involving first time, low-level offences where a simple caution can meet the public interest.

16.3 Decisions to issue simple cautions will be made in accordance with the Director of Public Prosecutions' Guidance on Charging issued by the Director of Public Prosecutions under section 37A of the Police and Criminal Evidence Act 1984 and following "The simple cautions for Adult Offenders Guidance" issued on 13<sup>th</sup> April 2015.

16.3 Before a simple caution can be given, it is important to try to establish:

- The views of the victim about the offence,

- The nature and extent of any harm or loss, and its significance, relative to the victim's circumstances,
- Whether the offender has made any form of reparation or paid compensation.

16.4 A simple caution must be accepted in writing by the offender (or officer of a limited company which is the alleged offender), who is then served a copy of the caution. A second copy will be held by the council as the official record.

16.5 Failure to accept a simple caution leaves the authority with an option to instigate legal proceedings instead.

16.6 Simple caution can be cited in court if the same person or organisation, commits further housing act offences within three years of the original offence.

16.7 Simple Cautions will not be used as a substitute for prosecutions which would otherwise be defective.

## 17. Work In Default

17.1 Failure to comply with a notice may result in the council arranging for the necessary works to comply with the notice to be carried out, this is known as work in default.

17.2 The costs to the owner will usually be more than if the owner carries out the works themselves as they will be charged for the council's time, carrying out schedules of work and any other reasonable costs incurred by the council.

17.3 The council will actively pursue debts incurred.

17.4 Enforced sale of empty properties will be considered where appropriate in line with The Law of Property Act 1925 where a debt has been incurred for example following works undertaken to an empty home in the owners default and in compliance with the Council's Enforced Sale Procedure.

17.5 Until cleared all debts will be registered with the local Land Charges Registry as a financial charge.

17.6 Once registered the charge will accrue compound interest.

17.7 It should be noted that, in the case of action under section 76 of the Building Act 1984, and emergency remedial action under Section 40 of the Housing Act 2004, there is no power of prosecution, and the Council is only able to arrange for the required works to be carried out.

## 18. Prosecutions

18.1 Prosecution will normally occur where one or more of the following circumstances apply:

- It is warranted by virtue of the gravity of an alleged offence, taken together with the seriousness of any actual or potential harm, or the general record and approach of the offender
- There have been repeated breaches of legal requirements and it appears that business proprietors or members of the public are neither willing nor able to deal adequately with the causes of the offence.
- There has been a reckless disregard for the safety and health of people, or where a particular contravention has caused serious public alarm.
- There has been failure to comply with a legal notice or repetition of a breach that was subject to a formal caution, or failure to pay a fixed penalty notice with the permitted payment period;
- There is a blatant disregard for the law;
- False information has been supplied wilfully, or there has been an intent to deceive, in relation to a matter which gives rise to significant risk;
- Officers have been intentionally obstructed in the lawful course of their duties.
- Where council staff are assaulted we will seek prosecution of the offenders.

18.2 In all cases, alleged offenders will be invited to send written comments or explanations for consideration.

## 19. Rent Repayment Orders

19.1 This is an order made by the First-tier Tribunal requiring a landlord to repay a specified amount of rent.

19.2 The Housing Act 2004 allows for rent repayment orders to be issued where landlord of a property had failed to obtain a licence for a property that was required to be licensed.

19.3 The Housing and Planning Act 2016 extended rent repayment orders to cover the below:

- Failure to comply with an Improvement Notice (section 30 of the Housing Act 2004)
- Failure to comply with a Prohibition Order (section 32 of the Housing Act 2004)
- Breach of a banning order made under section 21 of the Housing and Planning Act 2016
- Using violence to secure entry to a property (section 6 of the Criminal Law Act 1977)
- Illegal eviction or harassment of the occupiers of a property (section 1 of the Protection from Eviction Act 1977)

19.4 Rent repayment orders can be granted to either the tenant or the council.

19.5 If the tenant paid the rent themselves, then the rent must be repaid to the tenant. If the rent was paid through Housing Benefit or through the housing element of Universal Credit, then the rent must be repaid to the local housing authority.

- 19.6 If the rent was paid partially by the tenant with the remainder paid through Housing Benefit/Universal Credit, then the rent should be repaid on an equivalent basis.
- 19.7 A rent repayment order can be made against a landlord who has received a civil penalty in respect of an offence, but only at a time when there is no prospect of the landlord appealing against that penalty.
- 19.8 The council must consider a rent repayment order after a person is the subject of a successful civil penalty and in most cases the council will subsequently make an application for a rent repayment order to recover monies paid through Housing Benefit or through the housing element of Universal Credit.
- 19.9 The council will also offer advice, guidance and support to assist tenants to apply for a rent repayment order if the tenant has paid the rent themselves taking into account and DPA/GDPR implications

## **20. Licensing of Properties**

- 20.1 Please see the SCC Policy The licensing of Houses in Multiple Occupation (HMOs).

## **21. Enforced Sales**

- 21.1 The council approved the Enforced Sale Procedure (ESP) in August 2005. The Council will use the ESP where appropriate and proportionate, primarily to deal with problematic empty properties, where despite the Council's reasonable efforts to engage with the owner of the property the hazards and poor state and condition of the property remain.
- 21.2 The council will consider invoking the ESP on a case by case basis. Generally the ESP would not be used unless there is a relevant debt of over £1,000

Upon disposal of the property the council will recover all of its debts, fees and costs from the sale proceeds. Any balance from the proceeds of sale will be paid to the owner (where there whereabouts are known).

## **22. Empty Dwelling Management Orders**

- 22.1 In respect of a wholly unoccupied property and in accordance with the Housing Act 2004, the council may make an interim empty dwelling management order (IEDMO).
- 22.2 The council must make the application for the IEDMO to the First-tier property tribunal.

- 22.3 Once an IEDMO is in force the council must take such steps as they consider appropriate for the purpose of securing that the dwelling becomes and continues to be occupied.
- 22.4 If after serving an interim empty dwelling management order the council considers that there are no steps it can appropriately take under the order to ensure that the property becomes occupied, it will either make a final empty property management order, or revoke the order without taking any further action.
- 22.5 In making the decision to issue a final EDMO the council must take into account the interests of the community and the effects on the proprietor and any other interested parties. The council may also pay compensation to any affected third party.
- 22.6 Once the EDMO is in force the council will take appropriate steps for securing that the dwelling is occupied and that the property is managed in accordance with the scheme contained within the order.
- 22.7 The council will revoke the EDMO if it determines that there are no steps it can take or it determines that keeping the order in force is unnecessary.

## 23. Banning Orders

- 23.1 In the case of the most serious offenders or rogue landlords, the council can in accordance with the powers contained within the Housing and Planning Act 2016 apply to the first-tier tribunal for a banning order.
- 23.2 A banning order can be issued by the first-tier tribunal that prevents a landlord from the following;
- Letting housing in England
  - Engaging in English letting agency work
  - Engaging in English property management work or
  - Holding a HMO licence
- 23.3 The offences for which a banning order can be applied are listed in the Housing and Planning Act 2016 (Banning Order Offences) Regulations (2017) see-  
<http://www.legislation.gov.uk/ukdsi/2017/978011162224/contents>
- 23.4 The council will consider applying for a banning order for the most serious offenders and in doing so will consider the following;
- The seriousness of the offence
  - Any previous convictions or listing on the national rogue landlord database
  - The harm to the tenant caused by the offence
  - The punishment is proportionate to the offence
  - That it provides a sufficient deterrent to prevent a repeat of the offence and
  - Deters others from committing similar offences.
- 23.5 The length of any banning order will be determined by the first-tier tribunal with a minimum of 12 months being imposed. There is no statutory maximum limit. The

Council can provide recommendations for the length of the banning order on application but must detail their reasons for the recommendation.

23.6 The procedure for issuing a banning order is prescribed within the Housing and Planning Act 2016. See –

<http://www.legislation.gov.uk/ukpga/2016/22/part/2/chapter/2/enacted>

23.7 It is a criminal offence to breach a banning order and the council will take appropriate action to secure any convictions for breaches of any orders imposed.

## 24. The Rogue Landlords Database

24.1 The Secretary of State has established a national database of rogue landlords and property agents.

24.2 The council has authority to maintain and update the content.

24.3 The council will make an entry on the database in respect of a person in the following circumstances;

- A banning order has been made against them
- They have received two or more financial penalties in respect of banning order offences within the last twelve months.

24.4 The council will issue the person with a decision notice before any entry is made.

24.5 The person has a right of appeal to the First-tier tribunal.

24.6 The following information in respect of the person will be recorded on the database;

- The name and address of the person
- The period for which the entry is to be maintained
- The details of their property ownership and property management
- Details of any convictions for banning order offences
- Any Banning Orders still in force
- Any financial penalties received

24.7 The entry on the database will be removed in the case of any conviction being overturned.

24.8 The person has a right to request their removal from the database. This must be in writing to the Council. The council will consider such requests on a case by case basis.

24.9 Where the council refuses the request to remove the person from the database the person has a right of appeal to the First-tier tribunal.

## 25. Publicity and Sharing of Evidence

25.1 The council will endeavour to secure media representation at hearings in the Courts when we are seeking prosecution of offenders with the aim of drawing their attention to the court case.

- 25.2 The council will publicise any conviction, which could serve to draw attention to the need to comply with the law or, deter anyone tempted to act in a similar manner.
- 25.3 Details of such cases will also be published on our website.
- 25.4 The council will share intelligence and evidence, secured in the ordinary course of our business, with other statutory enforcement bodies and relevant partners in accordance with our duties under Crime and Disorder Act 1988, section 17.

## **26. Governance**

### **26.1 Authorisation of Officers**

- 26.1.1 Officers are only authorised to enforce regulations in accordance with the council's Scheme of Delegation.
- 26.1.2 Officers must be competent by appropriate training, qualification and/or experience will be authorised to take enforcement action relevant to that training, qualification and/or experience. Officers will also have sufficient training and understanding of this enforcement policy to ensure a consistent approach to their duties.

### **26.2 Appeals and Complaints**

- 26.2.1 Appeals in relation to enforcement action should be via the statutory process outlined in the relevant legislation.
- 26.2.2 Complaints about the conduct of officers should be made via the council's corporate complaints procedure.

### **26.3 Policy Review Process**

- 26.3.1 This policy will be reviewed when there is any significant change in legislation or other circumstances that affect its effectiveness and validity.

### **Appendix 1 - Civil penalties – determining fee levels**

A civil penalty is a financial penalty imposed by a local authority on an individual or organisation. The power to impose a civil penalty of up to £30,000 as an alternative to prosecution for certain Housing Act 2004 and Banning Order offences has been introduced by the Housing and Planning Act 2016.

The maximum penalty is £30,000, however each local authority must implement its own policy and fee level in accordance with the guidance issued by the Ministry of Housing, Communities & Local Government, see -

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/697644/Civil\\_penalty\\_guidance.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/697644/Civil_penalty_guidance.pdf)

In accordance with this guidance the Council has devised its own fee levels and incorporated the use of civil penalties within the Private Sector Enforcement Policy 2019.

In setting fee levels the Council has considered the following;

- 1. The Severity of the offence.**
- 2. The Culpability and track record of the offender.**
- 3. The harm caused to the tenant.**
- 4. The appropriate punishment of the offender.**
- 5. To deter the offender from repeating the offence & deter others from committing similar offences.**
- 6. To remove any financial benefit the offender may have obtained as a result of committing the offence.**

The Council will use its existing powers to, as far as possible, make an assessment of a landlord's assets and any income they receive (not just rental income) when determining an appropriate penalty.

#### **Determining the civil penalty fees**

The Council has developed a matrix to calculate the level of fine imposed. The fees are based on;

1. The culpability of the offender &
2. The potential level of harm posed by the offence

The Council has set 12 penalty bands which cover fine levels from a minimum of £25 to a maximum of £30,000.

#### **Step 1**

This step assesses the landlord's culpability as well as the potential harm the offence could have caused to tenants or visitors to the property. There are four levels of culpability to consider and each one has an associated set of characteristics which can be used to determine the most appropriate level. Table 1 below sets out the criteria for assessing the culpability of the landlord:

**Table 1 – Level of culpability**

<b>Very high (deliberate)</b>	<ul style="list-style-type: none"> <li>• Flagrant disregard for the law or deliberate breach</li> <li>• Has large rented property portfolio and knew their actions were unlawful</li> </ul> <p><i>Example offences: Failure to comply with emergency remedial notice or prohibition order</i></p>
<b>High (reckless)</b>	<ul style="list-style-type: none"> <li>• Offender failed to put in place measures that are recognised legal requirements.</li> <li>• Offender ignored warnings from the Council or tenants.</li> <li>• Offender failed to improve conditions even after being alerted to the risks.</li> <li>• Offender allowed the breaches to continue over a long period of time.</li> <li>• Serious and/or systemic failure to address risks.</li> </ul> <p><i>Example offence: Failure to comply with HMO Management Regulations.</i></p>
<b>Medium (negligent)</b>	<ul style="list-style-type: none"> <li>• Systems put in place to manage risk but not sufficiently adhered to or implemented</li> </ul> <p><i>Example offence: Partial compliance with an Improvement Notice</i></p>
<b>Low (little or no fault)</b>	<ul style="list-style-type: none"> <li>• Failings were minor &amp; non-compliance was an isolated incident</li> <li>• Significant attempts taken to comply but not sufficient on this occasion</li> <li>• There was no warning/circumstance indicating a risk</li> </ul> <p><i>Example offence: Overcrowding or breach resulting from behaviour of occupants</i></p>

The seriousness of the harm the offence had caused, or could foreseeably cause, by the offence(s) must be assessed. When deciding the level of harm whether, actual or potential, resulting from the commission of the offence the Council will have regard to Table 2 below.

**Table 2 – Level of Harm**

<b>Level 1 – High risk</b>	<ul style="list-style-type: none"> <li>• Serious adverse effect(s) on individual(s) and/or having a widespread impact</li> <li>• High risk of an adverse effect on individual(s) – including where persons are vulnerable</li> </ul>
<b>Level 2 – Medium risk</b>	<ul style="list-style-type: none"> <li>• Adverse effect on individual(s) (not amounting to Level 1)</li> <li>• Medium risk of an adverse effect on individual(s) or low risk of serious adverse effect</li> <li>• The Council and/or legitimate landlords or agents substantially undermined by offender’s activities</li> <li>• The Council’s work as a regulator to address risks to health is inhibited</li> <li>• Consumer/tenant misled</li> </ul>
<b>Level 3 – Low risk</b>	<ul style="list-style-type: none"> <li>• Low risk of an adverse effect on individual(s)</li> <li>• Public misled but little or no risk of actual adverse effect on individual(s)</li> </ul>

**Step 2 – Determining the starting point and category range**

Once the levels of culpability and harm have been assessed the matrix set out in Table 3 will be used to assess the correct penalty level followed by Table 4 to provide the banding for the penalty category. In order to determine an appropriate level of civil penalty within the category range a starting point is listed. Further adjustment within the category range will then be considered for aggravating and/or mitigating factors.

**Table 3—Penalty levels**

		Culpability			
		V High	High	Medium	Low
Harm	Level 1	12	9	6	3
	Level 2	11	8	5	2
	Level 3	10	7	4	1

**Table 4 – Penalty bands**

Category	Civil Penalty Range (£)	Starting point (£)
1	25 - 175	50
2	50 - 350	125
3	125 - 750	300
4	175 - 750	350
5	350 - 2000	1000
6	750 - 4500	2500
7	500 - 2250	1000
8	1000 - 5500	3000
9	2500 - 12500	6250
10	1250 - 4500	2500
11	2500 - 12500	6250
12	6250 - 30000	15000

Example – High level of culpability but low level of harm would score 7 with a penalty range of £500-£2250 and a starting point of £1000. Mitigating and aggravating factors will then be considered to determine if the amount should be lower or higher than £1000.

**Step 3**

The Council will consider mitigating and aggravating factors when determining the fine within the penalty range. Table 5 below lists examples.

**Table 5 – Aggravating and mitigating factors**

Mitigating Factors
<ul style="list-style-type: none"> <li>• No history of previous offences</li> <li>• Steps taken to voluntarily remedy problem e.g. submits a licence application</li> <li>• High level of co-operation with the investigation e.g. turns up for the PACE interview</li> <li>• Good record of maintaining property</li> <li>• Acceptance of responsibility e.g. accepts guilt for the offence(s) at an early stage in the investigation</li> </ul>

<ul style="list-style-type: none"> <li>• Health reasons preventing reasonable compliance i.e. mental health, unforeseen health issues, emergency health concerns &amp; serious medical conditions requiring urgent, intensive or long term treatment</li> <li>• Sole or primary carer for dependant relative that prevented reasonable compliance</li> <li>• Willingness to undertake training and monitoring</li> <li>• Willingness to join recognised landlord accreditation scheme</li> <li>• Vulnerable individual(s) where their vulnerability is linked to the commission of the offence</li> <li>• Good character and/or exemplary conduct</li> </ul>
<p><b>Aggravating Factors</b></p>
<ul style="list-style-type: none"> <li>• Previous relevant convictions, having regard to the nature of the offence and relevance to the current offence and the time that has elapsed since the conviction</li> <li>• Motivated by financial gain i.e. cost cutting at the expense of safety</li> <li>• Deliberate concealment of illegal nature of activity</li> <li>• Poor history of compliance</li> <li>• Falsification of documentation or licenses</li> <li>• Deliberate failure to obtain or comply with relevant licensing requirements to avoid scrutiny by enforcing authorities</li> <li>• Targeting vulnerable victims</li> <li>• Obstruction of the investigation</li> <li>• Number of items of non-compliance i.e. the greater the number the greater the potential aggravating factor</li> <li>• Systemic management failure e.g. Lack of tenancy agreement/rent paid in cash</li> <li>• Record of letting substandard accommodation</li> <li>• Record of poor management/inadequate management provision</li> </ul>

**Step 5 – Recording the decision**

The decision to issue a civil penalty will be made by the Service Manager for HMO Licensing. The decision will be recorded giving reasons for determining the amount of financial penalty that will be imposed.

## Equality and Safety Impact Assessment

The **Public Sector Equality Duty** (Section 149 of the Equality Act) requires public bodies to have due regard to the need to eliminate discrimination, advance equality of opportunity, and foster good relations between different people carrying out their activities.

The Equality Duty supports good decision making – it encourages public bodies to be more efficient and effective by understanding how different people will be affected by their activities, so that their policies and services are appropriate and accessible to all and meet different people’s needs. The Council’s Equality and Safety Impact Assessment (ESIA) includes an assessment of the community safety impact assessment to comply with Section 17 of the Crime and Disorder Act and will enable the Council to better understand the potential impact of proposals and consider mitigating action.

<b>Name or Brief Description of Proposal</b>	Enforcement Private Rented Sector Policy
<b>Brief Service Profile (including number of customers)</b>	
<p>Southampton has a large private rented sector of around 25,000 properties accounting for approximately a quarter of the housing stock in the city.</p> <p>The council has statutory responsibilities under the Housing Act 2004 and Housing and Planning Act 2016 to undertake duties in relation to the enforcement of the private rented sector in Southampton.</p> <p>The Housing and Planning Act 2016 introduced new powers for local authorities and updated the Housing Act 2004 in relation to certain functions.</p> <p>The Housing and Planning Act 2016 introduced civil penalty notices as an alternative to prosecution for certain Housing Act 2004 offences. Financial penalty notices to the maximum value of £30,000 can be issued. Before making use of these powers a local authority should determine its own level of fees and publish these within a policy. The private rented enforcement policy includes detail on the scheme and the matrix used to determine the level of fines. In summary there are twelve categories of fines ranging from £25-£30,000. The level of fine will be determined by assessing the culpability of the landlord and the harm of the offence to the tenant.</p> <p>In 2018 the secretary of state established a national database of rogue landlords and property agents. The council is authorised to add any qualifying rogue landlords to the database and the policy details how this will be administered.</p> <p>Under new powers contained in the Housing and Planning Act 2016 the council can apply to the First-tier tribunal for a banning order to prevent a landlord from operating</p>	

as such. The policy establishes the council's policy on banning orders.

### **Summary of Impact and Issues**

The draft Enforcement Private Rented Sector Policy provides guidance for officers, businesses and members of the public on the principle and processes which will apply when enforcement action is considered or taken. This policy should be read in conjunction with the council's Enforcement Policy, which outlines the principles the council will follow and apply.

Southampton City Council recognises that the vast majority of Private Rented Sector Landlords in Southampton abide by the law. The appropriate use of enforcement powers is important, both to secure compliance with legislation and to ensure that those who have duties in law may be held to account for failures to safeguard health, safety and welfare or breach of legislation enforced by the council.

This policy should not adversely affect any specific groups as one of the principles it outlines is consistency of enforcement. Consistent enforcement means that there should not be discrimination on the grounds of any protected characteristic outlined in the Equality Act 2010.

The policy contains guidance on the use of management orders and empty dwelling management orders following updates to the legislation following the implementation of the Housing and Planning Act 2016.

The published policy provides guidance on all aspects of the enforcement regime and will ensure that the council operates in a consistent manner in relation to the enforcement of the private housing sector.

The appropriate use of enforcement powers is important, both to secure compliance with legislation and to ensure that those who have duties in law may be held to account for failures to safeguard health, safety and welfare, or breach of legislation enforced by the council.

### **Potential Positive Impacts**

This policy should have a positive impact on community safety because it enables the council to effectively enforce against activities that threaten community safety.

Further the policy ensures that enforcement activity undertaken by Southampton City Council is proportionate, consistent and transparent, and that the council is accountable for its activity.

# Data Protection Impact Assessment

---

## **What is a Data Protection Impact Assessment?**

A Data Protection Impact Assessment (“DPIA”) is a process that assists organisations in identifying and minimising the privacy risks of new projects or policies. Projects of all sizes could impact on personal data.

The DPIA will help to ensure that potential problems are identified at an early stage, when addressing them will often be simpler and less costly.

Conducting a DPIA should benefit the Council by producing better policies and systems, and improving the relationship with individuals.

---

## **Why should I carry out a DPIA?**

Carrying out an effective DPIA should benefit the people affected by a project and also the organisation carrying out the project.

Not only is it a legal requirement in some cases, it is often the most effective way to demonstrate to the Information Commissioner’s Officer how personal data processing complies with data protection legislation.

A project which has been subject to a DPIA should be less privacy intrusive and therefore less likely to affect individuals in a negative way.

A DPIA should improve transparency and make it easier for individuals to understand how and why their information is being used.

---

## **When should I carry out a DPIA?**

The core principles of DPIA can be applied to any project that involves the use of personal data, or to any other activity that could have an impact on the privacy of individuals.

Answering the screening questions in Step 1 of this document should help you identify the need for a DPIA at an early stage of your project, which can then be built into your project management or other business process.

## Who should carry out a DPIA?

Responsibility for conducting a DPIA should be placed at senior manager level. A DPIA has strategic significance and direct responsibility for the DPIA must, therefore, be assumed by a senior manager.

The senior manager should ensure effective management of the privacy impacts arising from the project, and avoid expensive re-work and retro-fitting of features by discovering issues early.

A senior manager can delegate responsibilities for conducting a DPIA to three alternatives:

- a) An appointment within the overall project team;
- b) Someone who is outside the project; or
- c) An external consultant.

Each of these alternatives has its own advantages and disadvantages, and careful consideration should be given on each project as to who would be best-placed for carrying out the DPIA.

---

## How do I carry out a DPIA?

Working through each section of this document will guide you through the DPIA process.

The requirement for a DPIA will be identified by answering the questions in Step 1. If a requirement has been identified, you should complete all the remaining sections in order.

After Step 5, the Information Lawyer (Data Protection Officer) will review the DPIA within 14 days of receipt, and complete the rest of the assessment within 28 days. The DPO will identify any privacy risks, and proposed measures to address them.

These measures must then be agreed by the project lead, Information Asset Owner or Administrator, and, in some cases, the Senior Information Risk Owner.

Advice can be found at the beginning of each section, but if further information or assistance is required, please contact the Information Lawyer (Data Protection Officer) on 023 8083 2676 or at [information@southampton.gov.uk](mailto:information@southampton.gov.uk).

## Step 1: Identify the need for a DPIA

### Does your project involve... (tick all that apply)

- The collection of new information about individuals
- Compelling individuals to provide information about themselves
- The disclosure of information about individuals to organisations or people who have not previously had routine access to the information
- The use of existing information about individuals for a purpose it is not currently used for, or in a way it is not currently used
- Contacting individuals in ways which they may find intrusive
- Making changes to the way personal information is obtained, recorded, transmitted, deleted, or held
- The use of profiling, automated decision-making, or special category data<sup>1</sup> to make significant decisions about people (e.g. their access to a service, opportunity, or benefit).
- The processing of special category data<sup>1</sup> or criminal offence data on a large scale.
- Systematically monitoring a publicly accessible place on a large scale.
- The use of new technologies.
- Carrying out profiling on a large scale.
- Processing biometric or genetic data.
- Combining, comparing, or matching data from multiple sources.
- Processing personal data without providing a privacy notice directly to the individual.
- Processing personal data in a way which involves tracking individuals' online or offline location or behaviour.
- Processing children's personal data for profiling or automated decision-making or for marketing purposes, or offer online services directly to them.
- Processing personal data which could result in a risk of physical harm in the event of a security breach.

<sup>1</sup> personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation

**If you answered “yes” to any of these, please proceed to Step 2.**

If none of these apply, please tick the below box, and return the form to the Information Lawyer (Data Protection Officer) at [information@southampton.gov.uk](mailto:information@southampton.gov.uk)

None of the screening statements in Step 1 of this document apply to the project, and I have determined that it is not necessary to conduct a Data Protection Impact Assessment

## Step 2: Describe the processing

The nature of the processing
<b>How will you collect data?</b>
<b>How will you use the data?</b>
The data will be added to the national database
<b>How will you store the data?</b>
This will be stored on the national database, controlled by the Ministry of Housing
<b>How will you delete the data?</b>
The data will be controlled by the database owners, we can input requests to have details removed.
<b>What is the source of the data?</b>
The Rogue Landlords database
<b>Will you be sharing data with anyone?</b>
<b>INFO:</b> If yes, please provide details
Every LA in England has at least two authorised officers who are able to access the database to share data.

Describe the scope of the processing
<b>What is the nature of the data?</b>
<b>INFO:</b> Detail the type of personal data being processed. List any fields that will be processed (e.g. name, address, data of birth, NHS number, video images)
Names and addresses of landlords and property agents. Details of their property ownership and management. Any previous convictions and financial penalties received.

<b>Does it include special category or criminal offence data? Please provide details.</b>
<b>INFO:</b> "Special category" data includes personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation.
Yes it includes details of any convictions relating to banning order offences and details of any financial penalties issued for similar offences
<b>How much data will you be collecting and using?</b>
We will only collect data on those landlords that meet the criteria to be included on the national database.
<b>How often will the data be collected and used?</b>
As necessary
<b>How long will you keep it?</b>
It will be stored on the national database for as long as the data is required in accordance with the length of the order issued. E.g a lifetime ban would result in the details being kept on the national database for the lifetime of the landlord.
<b>How many individuals are affected?</b>
Currently zero
<b>What geographical area does it cover?</b>
We will only collect data for landlords operating in Southampton

<b>Describe the context of the processing</b>
<b>What is the nature of your relationship with the individuals?</b>
<b>INFO:</b> Detail who the data subjects will be (e.g. residents, carers, pupils, staff, professionals)
Landlords and property agents/managers
<b>How much control will they have over their data?</b>
If they are placed on the rogue landlord database their details will be recorded in line with the legislative requirements. They do not have control over the data once it is on the national database.

<b>Would they reasonably expect the Council to use their data in this way?</b>
