

DETERMINATION OF APPLICATION

TOWN AND COUNTRY PLANNING ACT 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

Planning Potential
Mr Alan Williams
13-14 Orchard Street
Bristol
BS1 5EH

In pursuance of its powers under the above Act and Order, Southampton City Council as the Local Planning Authority, hereby gives notice that the application described below has been determined. The decision is:

FULL APPLICATION - REFUSAL

Proposal: The erection of a food store (Class A1) and a coffee drive thru (Class A1/A3) with associated access, car parking and landscaping.

Site Address: Former East Point Centre, Bursledon Road, Southampton

Application No: 18/00968/FUL

For the following reason(s):

01. REFUSAL REASON - Site Access

The proposal has failed to demonstrate adequate capacity for safe right turn movements out of the site without leading to severe obstruction to traffic flow on Bursledon Road, a main arterial route which has been identified by Highways England as requiring major improvements to improve traffic flow. Therefore the proposal would have an unacceptable impact on highway safety and the residual cumulative impacts on the road network would be severe. Furthermore the proposed layout fails to provide direct pedestrian access from the north, because the site is being developed in isolation, with access for cars given priority over pedestrians. The development proposal is thereby contrary to policies SDP1(i), SDP3, SDP4 and TI2 of the City of Southampton Local Plan Review (2015) and CS18 of the Local Development Framework Core Strategy (2015) and paragraph 109 of the National Planning Policy Framework (2018).

02. REFUSAL REASON - Poor Layout

This application and the adjoining residential proposal (Ref 18/01373/FUL) have not been developed comprehensively or master planned and as a consequence, the failure to provide access from the southern land parcel onto Burgoyne Road without agreement from third party land would prejudice the future development of this site in the event the northern parcel is developed. The close proximity of the proposed service area to the boundary with another potential development site, and the sub-division of the wider site into 2 discreet parts by the proposed means of enclosure, and 3m height acoustic fence, would represent poor place making and would potentially provide an unacceptable residential environment for a residential scheme on the neighbouring site. Furthermore, the proposed layout provides a poor relationship between commercial and residential uses, with the servicing area for the Aldi food store located on the boundary with a potential housing site thereby prejudicing its full delivery. The development

proposal is thereby contrary to policies SDP1, SDP7, SDP9 of the City of Southampton Local Plan (2015) and CS4, CS6 and CS13 of the Local Development Framework Core Strategy (2015)

03. REFUSAL REASON - Loss of safeguarded open space

This application results in the net loss of safeguarded open space and fails to mitigate against this loss because replacement open space has not been secured on this site or elsewhere, and S106 contributions have not been secured towards off-site open space improvements to meet the needs of the community and to prevent habitat disturbance. The development is thereby contrary to policies SDP1(i) (ii), CLT3 of the Local Plan Review (2015) and CS21 of the Local Development Framework Core Strategy (2015) which seeks to ensure no net loss of public open space.

04. REFUSAL REASON - Insufficient Landscaping

Insufficient tree replacements and landscaping is provided to mitigate against the loss of existing landscaping, trees and biodiversity habitat and to improve the pedestrian environment. Additional landscaping and trees could be provided had the parking layout not exceeded the Council's maximum car parking standards. The proposed site coverage with buildings and hard surfacing and lack of soft landscaping is symptomatic of a site overdevelopment and out of keeping with the character and appearance of the area. Furthermore the development fails to provide net biodiversity gains. Amended landscaping plan 1294-01 Rev C is not considered to adequately address these issues. The development proposal is thereby contrary to saved policies SDP1 (i) (ii), SDP7(i), SDP12 of the City of Southampton Local Plan Review (2015) and policies CS13 and CS22 of the Local Development Framework Core Strategy (2015)

05. REFUSAL REASON - Failure to enter into S106 agreement

In the absence of a completed Section 106 Legal Agreement the proposals fail to mitigate against their direct impacts and do not, therefore, satisfy the provisions of Policy CS25 of the adopted Local Development Framework Core Strategy (2015) as supported by the Council's Developer Contributions Supplementary Planning Document (2013) in the following ways:-

- (i) Site specific transport works for highway improvements in the vicinity of the site which are directly necessary to make the scheme acceptable in highway terms have not been secured in accordance with Policies CS18, CS19, and CS25 of the Southampton Core Strategy (2015) and the adopted Developer Contributions SPD (2013);
- (ii) In the absence of a mechanism for securing a (pre and post construction) highway condition survey it is unlikely that the development will make appropriate repairs to the highway, caused during the construction phase, to the detriment of the visual appearance and usability of the local highway network;
- (iii) In the absence of a mechanism to secure off-site open space improvements the proposal fails to mitigate against the net loss of open space contrary to CLT3 of the Local Plan Review (2015) and CS21 of the Local Development Framework Core Strategy (2015)
- (iv) Submission of a tree replacement plan to secure 2:1 tree replacement and to secure a tree Replacement Off Site Contribution should any off-site replacements be required.
- (v) Servicing Management Plan;
- (vi) Submission, approval and implementation of a Carbon Management Plan setting out how the carbon neutrality will be achieved and/or how remaining carbon emissions from the development will be mitigated in accordance with policy CS20 of the Core Strategy and the Planning Obligations SPD (September 2013); and
- (vii) Employment and Skills Plan.

Note to Applicant - Community Infrastructure Liability (Refusal)

You are advised that, had the development been acceptable, it could be liable to pay the Community Infrastructure Levy (CIL). Please ensure that, should you chose to reapply or appeal, you assume CIL liability prior to the commencement of the development (including any demolition works) otherwise a number of consequences could arise. For further information please refer to the CIL pages on the Council's website at: <http://www.southampton.gov.uk/planning/community->

infrastructure-levy/default.aspx or contact the Council's CIL Officer

IMPORTANT NOTE TO APPLICANT

This decision has been made in accordance with the submitted application details and supporting documents and in respect of the following plans and drawings:

Drawing No:	Version:	Description:	Date Received:	Status:
P(0)01		Location Plan		Refused
P(1)03	H	Site Plan	31.10.2018	Refused
P(1)04		Elevational Plan		Refused
P(1)05		Elevational Plan		Refused
P(1)06		Floor Plan		Refused
P(1)07		Roof Plan		Refused
P(1)08		Sections		Refused
P(1)09		Floor Plan		Refused
1294-01	C	Landscaping Plan	31.10.2018	Refused

NOTES

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development, they may appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

1. Appeals **must be registered within six months of the date of this notice** and be made using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or do it online at <https://acp.planninginspectorate.gov.uk/>
2. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
3. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
4. If permission to develop land is refused, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Local Planning Authority a purchase notice requiring that the Authority purchase their interest in the land in accordance with Part IV of the Town and Country Planning Act 1990.
5. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
6. For those developments which are covered by the Disability Discrimination Act, the attention of developers is drawn to the relevant provisions of the Act and to the British Standard B300:2001 Design of buildings and their approaches to meet the needs of disabled people code of practice.
7. The applicant is recommended to retain this form with the title deeds of the property.
8. In reaching this decision the Local Planning Authority offered a pre-application planning service and has sought to work with the applicant in a positive and proactive manner as required by paragraphs 186-187 of the National Planning Policy Framework (2012).

Please address any correspondence in connection with this form quoting the application number to:
Development Management, Southampton City Council, Lower Ground Floor, Civic Centre, SOUTHAMPTON, SO14 7LS.
