Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.
6. The sub-committee must also have regard to:
 - *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
 - *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another

person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Equality Act 2010

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

DESCRIPTION

My name is Urszula Ciupka and I live in

Flat 35

23 Hulse Road

SO15 2QZ

I would like to make representation for: Sale of alcohol by retail from consumption off premises during licensing hours of 0700-2300 Monday to Sunday.

Lidl Great Britain Limited

73 The Avenue

Southampton

SO17 1BL

My flat is opposite that address where Lidl shop will be built

My life will be affected if Lidl will be receiving this licence for sale alcohol between 0700-2300.

I'm against for this application.

My reason:

1. Prevention of Public Nuisance – my flat is opposite this place where there will be a shop and it's very noisy when people walking on street and when shop will be open and sale alcohol until 2300 will be lots drunk people and very noise . All supermarkets are open in Sunday only until 1600 or 1700pm and I'm not understood why this Lidl in this location should be open longer and sale alcohol until late hours.
2. Preventing of Crime and Disorder – this street where I'm live it's nice street quiet and I'm worry will be many fighting ,drug problems ,disorder where this shop will be sale alcohol until late time . Sometimes in bin area in night homeless people coming and drinking and take some drugs. When will be shop Lidl in this area will be more Crime and Disorder.
3. Public Safety – people will be going for this Lidl shop when will be open until late hours for buy alcohol and some people will be drink beers outside shop or even in corners flats . Public safety will be on dangers because when I will be back late from work I will scare somebody drunk will be on corners. For now in Southampton shop not sale alcohol until 23pm just on ST Marys but this place it's very bad area. Supermarkets in Southampton Sunday all close 16-17pm. I'm not understood why this Lidl on 73 the Avenue -need be open until late hours and sale alcohol? I would like this shop not receive Licence for sale alcohol until 2300pm. I would like my representation be check properly .Please I love live in my flat and I'm not renting this place only it my own flat. Many people in this are just renting and leaving in another site building and for them noise or drunk people or homeless in bin area not problem but for me this is big issue. My flat windows it's look for this place where will be Lidl and I will be hearing noise until 23pm even Sunday when

People should be relax and have quiet time.

Overall

- I would like Lidl shop be Sunday close time 16-17pm like other supermarkets
- not sale alcohol until 23pm from Monday to Saturday
- Monday to Saturday should be quiet time from 2200pm
- Children going to school and should be go to bed early not hearing noises from Liddle until 23pm.

Also

- I would like add:
- open time Sunday should be 10 or 11 am and Monday to Saturday 0800 or 0900 am not 0700 am this it's to early.

Thanks very much

30/10 / 2019.

Good afternoon,
Hampshire Constabulary wish to make a representation regarding the Lidl premises licence application on The Avenue, Southampton. However following consultation a hearing is not considered necessary.

Can the agreed conditions below in my original e-mail to Lidl be added to the licence should it be granted.

Hi Lee

Yes happy to agree the same conditions.

I am specified as the DPS until nearer to the store opening date when the store manager is then appointed and a DPS change is then submitted.

Kind regards

FAO Rebecca BOUGH,

Good morning,

We recently discussed the new licence application at the Villiers Road Lidl store in Shirley Southampton, As a result we agreed on a set of conditions that the store would comply with.

I have now seen that Lidl have applied for a further premises licence on The Avenue Southampton. This store is not too far from the previous discussed and I would like to simply propose the same conditions be placed onto this licence also.

Below is a copy and paste of the conditions we settled on for your awareness.

One last thing is that I have noticed you add yourself as DPS for the applications, is this just an interim until a permanent manager is established who can then become the long term DPS. There are no issues with this if this is the case, it was just noticed that you are on more than one at present.

Kind Regards

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.

13. The Chair will then explain the procedure that will follow.

General information on the conduct of the hearing

14. Each party is entitled to:

- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
- (b) With the permission of the Chair, seek clarification on any point by any other party;
- (c) Address the Sub-Committee.

15. Members of the Sub-Committee may also seek clarification of any party or witness.

16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

(d) The Chair will invite the applicant to seek clarification on any points made by those making representations.

(e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

31.

(a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.

(b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.

(c) The parties will be invited to wait to be informed of the outcome.

(d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.

(e) If a room is available, the Committee may retire to deliberate and make its decision

(f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
