Decision Number: CAB 20/21 28124 - Southampton Green Transport Recovery Plan
Decision Taker: Cabinet
Date of Decision: 14/07/20

Reason(s) for Requisition of Call-In of Decision:

- The lack of prior consultation
- It does not appear to support the Economic Growth element of the Southampton City Strategy; taking into account the impact of Covid-19.
- Insufficient focus on schemes that have the most likely chance of encouraging the long term facilitation of active travel, whilst following all Government guidance for Covid-19.
- Does not put a high enough priority on Council led "school streets" schemes and the creation of low traffic residential zones.
